Let's Serve Those Today Who Serve Us Everyday

Message of Club President Rtn Sunil Kumar Day

We achieved two milestones this fortnight of February 2023 – 1st was the milestone of 100 Service Projects that we achieved and celebrated on 20.02.2023 in the presence of our District Governor, Rtn. Ashok Kantoor and 1st Lady. Also present was our Zone 12 Assistant Governor Rtn. Arun Roongta. This target was achieved on completing six months of our Club Chartering.

The other milestone that I feel is very important in any club's history is the formation of next year's Board. As you all know Rotary year is from 1st July till 30th June. So on 1st July 2023 there will be Rtn. Rakesh Banga as our Club President and he has his team of Club Leaders / Board all decided on 28.02.2023. Not many clubs of our District can claim any of our two milestones!

Proud to be part of the Club that is exciting and active and serving the society.

"If you drop this one thought, 'What about me?' from your mind, you will become a living, walking temple.."

-Sadhguru

A Note by Editor Rtn Vidushi Lal :

The month of February is very special in the Rotary calendar because it includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated as the World Understanding and Peace Day. I would like to congratulate the president and the members for reaching a century in projects so quickly and efficiently.

Also a special thanks to our newest member, Mrs Suman Chopra for her quick and proactive contribution for the Club. Hopefully we will see more such members joining our Club and will take it to new heights.

Thank you for always reading our monthly bulletin. Please enjoy your copy and endeavor to share it with a friend to spread the world of our club.

Our Club is committed to hold various camps at the Ratan Chand Arya Public School, Sarojini Nagar, New Delhi – 110023 to celebrate the 200th birth anniversary (2023-24) of the founder of Arya Samaj, Swami Dayanand Saraswati.

The Arya Samaj itself is celebrating 150 years in 2023. This organization runs many schools in India. As literacy is one of our focus areas therefore we are naturally attracted to these schools.

This was the very first Grandparents Day celebration by the school and its success today will encourage the school to repeat it often. For the 1st time such a mug was presented by any Arya Samaj School – we are proud. For this successful delivery of mugs to our designs on most economical rate is for the efforts of Rtn. व्यंग के रंग

कैसा है ये रूप व्यंग का
जीवन से लड़ते अजब जंग का
प्रकाश से दूर लगती है भोर

कुछ समझ में आता नहीं
हँसना भी अब भाता नहीं
