HAPPY NEW YEAR

### September 2022

Recently, Nick and I spent time in Guatemala, where we met wonderful fellow Rotary members and families who unofficially adopted me as 'Tia Jennifer.'

"This adventure reminds me of two important truths in Rotary. One, we rely on local, on-the-ground expertise to do what we do best. And two, sometimes you have to take uncomfortable chances to reach important goals.

Every day, I am honored to learn from our Rotary family, every lesson is an opportunity to grow, and each story adds a chapter to our collective Imagine Rotary year."

### October 2022

"Pakistan is one of only two countries in the world where wild poliovirus remains endemic. (The other is neighboring Afghanistan.) I was able to witness and take part in vaccination campaigns in Pakistan, and soon after I left, a monumental nationwide immunization campaign took place, focused on 43 million children under the age of 5. I saw the incredible work of Rotary members on the ground. More than 60 percent of vaccinators in Pakistan are women, and they are doing a remarkable job building trust and convincing mothers to vaccinate their children.

### November 2022

"Not too long ago, Rotary members were expected to perform our acts of service quietly."

"But keeping Rotary to ourselves has a cost. And by sharing our Rotary moments, we are being generous with others and giving them an opportunity to understand the impact of Rotary. It brings to mind that wonderful aphorism: 'People will forget what you said. People will forget what you did. But people will never forget how you made them feel.'"

So how do we make people feel Rotary? The best way is to share our Rotary moments."

### December 2022

"While sitting with a group of Rotary leaders outside of Lusaka, Zambia, I ask a question: 'How many of you have ever had malaria?' Every hand in the room goes up."

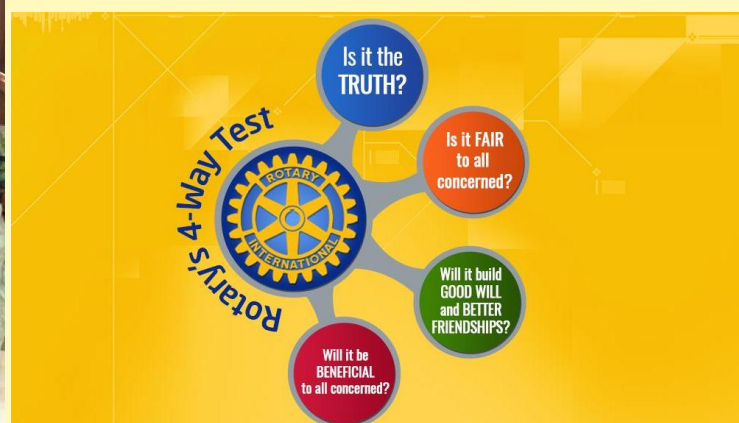

"They are fortunate. They have access to medical treatment and lifesaving medicines. For the people of rural Zambia, their story is very different."

On 30<sup>th</sup> December 2022 it was decided to support [www.Goonj.org](http://www.Goonj.org) in every possible way. We started with depositing of old cloths / unused items by the President Sunil Kumar Day at their collection center at Dilli Haat, INA, New Delhi - 110023. And buying from them their products made from the old material so collected by them – they re-circulate the waste into very useful products. Their stall is also at Dilli Haat, INA part of current exhibition. They have excelled in this field where the labour intensive system provides employment to many. They are helping needy in multiple way – and there can be better value to our old items lying idea.

### A Note by President Rtn Sunil Kumar Day

We cannot leave this year 2022 behind us without thanking all those who made the first six months of our Club the most special one – they are our Club members, first and foremost. Then they are our Service Project collaborators – Clove Dental; Center for Sight; Mammography Van; RGCIRC; AIIMS & Fortis to name some.

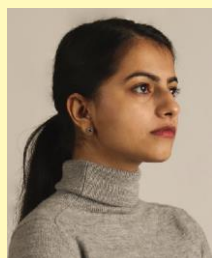

We also thank the support we received from Sankalp Foundation & Scholars Club, Rohtak. We are always thankful to our Zone 12 AG Rtn Arun Roongta who is available 24X7 for any assistance and guidance. In all we have done 81 Service Projects. We have Chartered one Interact and one Rotaract Cub in the short life of our Club. But a long way to go! We have to do project(s) with District Grant; Project(s) with Kailash SATYARTHI Children's Foundation and most importantly projects with CSR funding. For CSR Funds, we all can make efforts and succeed. Rotary Clubs have been receiving regular CSR funds for its strong reputation and great track records, all over the world.

Club has opened its own bank account as detailed here. Now no member is to pay / deposit money anywhere else. Though cash can be handed over to President / Treasurer who have to deposit in the account. We have applied for SSSS (Smart Swift Support Scheme) grant of Rs.89,360/- for our project of desks for a school for blind girls.

Wishing you all a great New Year 2023.

### Editors Note by Rtn Vidushi Lal

It has been an eventful year for our Club - we should look back at it and take time and reflect on the four way test as well as the Object of Rotary and Rotary Code of Conduct, to remind ourselves what these mean to us as Rotarians and also share these values with others. New Year is always a time for implementing new strategies for self and other areas relevant to your life including your career and your club. Wish a very Happy New Year to all.
