## The 5-Way Test of things we do and say:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
5. Is it or will it be FUN?

## Message of Club President Rtn Sunil Kumar Day

The month of March 2023 has already seen our two Club Bulletins – one for the 1<sup>st</sup> fortnight and 2<sup>nd</sup> for

recording of 50 Mammography Camps in less than 7 months (a Special Issue). This issue number 16 is for the 2<sup>nd</sup> fortnight of March 2023.

Due to the end of Academic Year on 31<sup>st</sup> March, School & Board Exams and Admission Processes, we could not do as many projects as we normally do in a fortnight. Nevertheless, we have reached a milestone on 16-03-2023 with 50 Mammography Camps – a memorable fortnight.

I am very pleased to announce that with the support of PDG Gurjeet Singh Sekhon, whom I met again on 22<sup>nd</sup> March 2023 at Amritsar, we two have initiated some Joint Projects at Amritsar with Rotary Club of Amritsar Civil Lines. Whenever we implement these proposed projects, it will be a great Rotary Image Builder! A unique attempt too.

To truly appreciate the 'Fun' on cover pictures you have to read the comments of students / teachers of Ratan Chand Arya Public School, Sarojini Nagar, New Delhi.

## A Note by Editor Rtn Vidushi Lal :

We hope this issue finds you in good health and spirits.

This month was a good month for our club – we completed 50 Mammography camps – and released a special bulletin for the same which we hope all members have perused.

This monumental project showed that we are committed to serving our communities and making a positive impact in the world. We believe that through service, we can build stronger, more connected communities and create a better future for all.

As we continue to navigate the challenges of the pandemic and beyond, we remain committed to our mission of service. We encourage all members to continue to seek out opportunities to make a positive impact in their communities, and we look forward to seeing the continued impact of Rotary in the world.

As always, we are grateful for the contributions of our writers, photographers, and editors, and we thank you, our readers, for your continued support.

### Some Feedback – Art Appreciation Trip

Visiting the National Gallery of Modern Art was a cool experience. We learned a lot. We participated in activities like drawing, quiz etc. There were quizzes on Korea and Buddhism. We were given gifts as a token of appreciation. In the exhibition we saw many paintings and structures made by various artists like Amrita Shergil etc. All the teachers were very nice and cooperative during the trip. I would love to go there again. As we were told the gallery is open on Saturdays and Sundays so I will definitely go there again and try some paintings.

ज़िंदगी में फिर लौट कर ज़िंदगी दास्त पुराने आ गये  
ज़िंदगी में फिर लौट कर हंसी खुशी के तराने आ गये

जो दिन गुज़रें वे दोस्तों के साथ उनकी महक कुछ निराली थी  
जो लम्हें गुज़रें दास्तों के साथ उनकी चमक देख द मन्तवली थी  
उस खिलखिलाती खुशनुमा हंसी के फिर वही ज़माने आ गये  
ज़िंदगी में फिर लौट कर ज़िंदगी दास्त पुराने आ गये

वो गुंज मस्ती भरे ठहाकों की वो शराब भरी अंदाओं की  
वो लम्हों के मन्तवली शहर में गुहार देती निगाहों की  
खुशी गम में साथ देने वाले वही ब्रह्मस्त जीवन आ गये
