We held our second CPR (Cardiopulmonary resuscitation) Demonstration at 406 GUN MSL REGT, Delhi Cantt, New Delhi – 110010. This was hugely successful and was attended by over 160 audience. This is for the benefit of the staff and of all age group. The check-up camp started at 10:30 am and finished around 11:15 am. There were many ladies and army staff who practiced CPR under the directions of the medical staff of Fortis Hospital, Vasant Kunj. The project was very well organized by Major Ayush. 1st Lady Rtn. Niti Day, President, Rtn. Sunil Day and Rtn Rakesh Banga, PE were present from the club. Considering the popularity and necessity of CPR Demonstration we have decided to hold as many camps as possible for different locations including schools. Such a camp by Rotary was held for the very First Time at the location and we are very proud of it.

Our club organized Cancer Awareness & Detection Camp at 406 GUN MSL REGT, Delhi Cantt, New Delhi – 110010. This camp was held for keynote speaker on Preventive Oncology Dr. Indu Agarwal of Venkateshwar Hospital, Dwarka, New Delhi delivered her educative and informative Speech on the importance of early detection of cancer. 150 audience listened with keenness in pin drop silence. So proud and lucky to be part of this Service Camp. For every Mammography Camp we hold we are also holding at least two other Camps. It is Fun all the way. This was meant for the staff & residents of the Delhi Cantt. The eminent speaker spoke at length on the following topics mainly at length addressed to both men & women: 1. Breast Cancer 2. Cervical Cancer 3. Oral Cancer. Dr. Indu Agarwal was also emphatic on the right diet and regular exercise for everybody. The project was very well organized by Major Ayush. 1st Lady Rtn. Niti Day, Rtn Rakesh Banga, PE and President, Rtn. Sunil Day were present from the club. Such a camp by Rotary was held for the very First Time at the location and we are very proud of it. “Learn from the mistakes of others.....
you can't live long enough to make them
all yourselves” ~ **Chanakya**

Under Rotary India Literacy Mission (RILM) we are doing our 1st Project. We have tried to reach all the Arya Samaj Schools of Delhi – 33 of them. The 1st School to join this scheme is Rattan Chand Arya Public School, Sarojini Nagar, New Delhi – 110023. In this project school children above 5th class teach one adult during their summer holidays. There are two books and a few worksheets that are provided to each student. After successful completion the student and the adult are issued certificates by Rotary. The nominal cost of the set is Rs.100/-. However in our case Rtn Pran Mehta Ji provided the sets to 15 students and 3 teachers of the school.

It was the 1st time in the history of District 3011 that a Cultural Program with Indian Council for Cultural Relations was held. There were many diplomats were present and there were many cultural shows that were performed by Indian and foreign troupes. It was a big treat.

On 28th May 2023, Sunday, Sub National Immunization Drive (SNID), RCD Resources motivated the center so that a lot of children under 6 years can get their Polio Drops. Normally at the Center there are 25 to 30 children who come for the drops but our initiatives of providing small goodies / gifts to children worked wonders and between 09:00 AM and 03:00 PM there were 100 children! That is a kind of record for this Panch Karma Hospital of Municipal Corporation of Delhi at Kalu Sarai, Near Sarvpriya Vihar, New Delhi - 110016. Our members participated enthusiastically and succeeded to make the program a grand success.

Our 59th Camp of Mammography was successfully held today, 29-05-23 at Taurus Officers Institute (TOI), Delhi Cantt, New Delhi - 110010. The testing facilities are provided by the Mobile Mammography Van that is a project of Rotary Club Gurgaon. For this all ladies above 40 years should undergo preventive mammography screening once in a year. The coordinating officer Lt. Col. C N Ramesh and their team provided all the necessary arrangements / provisions for Rotarians and beneficiaries. Our gratitude to Rtn Ranjit Choudhary who sponsored this camp. It was a great success. Maximum limit of 20 beneficiaries was met. 1st Lady Rtn. Niti Day, and President, Rtn. Sunil Day were present from the club. Such a camp by Rotary was held for the very First Time at the location and we are very proud of it.

Issue 20

Charter President: Rtn Sunil Kumar Day

President Elect (2023-24) Rtn Rakesh Banga

Message of Club President Rtn Sunil Kumar Day

I am very happy to share that we are completing this Rotary Year on all positive notes.

Our next year's team under Rtn. Rakesh Banga, President Elect, is fully on saddle – for 01.07.2023. Around 16th June the new leadership will form its new WhatsApp Groups and Procedures. There is another good news – we are likely to get our first CSR for our projects in Arya Samaj School. I have requested my Club members repeatedly to direct CSR funds to us and this has to be an ongoing process.

One more very good news is that we are aiming for 200 Service Projects by 30th June 2023, if funds are made available by our members and friends. This 200 to include only our own projects – joint projects to be separately counted.

And one more good news is that around mid-June we are going to have a Twinning Agreement with the oldest Club of Jordan – with youngest club on this side! Such international connection will be repeated with many other countries in near future.

A Note by Rtn Niti Day, Chair Mission Mammography:

I am so pleased to write that in less than 10 months of its existence, the Club has completed 60 Mammography Camps – this could be record of kind in the District 3011. In addition to our Mission Mammography, that is only available to ladies of 40 to 70 years, we also do Cancer Testing for 20 years plus for males and females. This way we are now serving a much broader section of the society. Another limitation of Mammography Camp is that we can only do 20 cases in a day with Van from Gurugram and 25 with the Van from Faridabad. But with clinical testing of Cancer, including Pap Smears we have achieved around 100 tests in each camp! So I look forward to our Club continuing these very useful service projects that are much in demand, so much so that we could easily do 100 Mammography Camps in a year and 50 Cancer Detection Camps. (Happy holidays to Rtn. Vidushi is on leave.)

Do not be led by others, awaken your own mind, amass your own experience, and decide for yourself your own path. – Atharva Veda
