R.I. PRESIDENT MESSAGE

Jennifer Jones

*We've all taken own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some Of us Signed up because an tapped us on the us on the shoulder and asked us to attend a meeting. Yet each of us entered through one mechanism- an invitation. An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each Of us has that same opportunity*

*- the honor to extend an invitation. It is awe inspiring to imagine how we can look out across our communities and identify Our future leaders. It'S Often tempting to attract Who are like us. Its a special form Of ingenuity to consider how people Who are seemingly very different Can, in fact, share our values and have some of those same talent just waiting to unleashed. Its time for Rotary to take Step in advancing Diversity. Equity, and Inclusion across the organization.*

*Embracing an experience where people feel included is more than just making our membership numbers more diverse. Its about making our meetings and events places where we can speak openly and With each Other, where our members feel welcome and safe. This means removing barriers entry and opening doors for inclusion. Our values remain our strength - and Our commitment to excellence requires us to maintain high Standards of our members as well. I believe we area all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization and it will ensure that we remain vibrant and relevant for decades to come.*

*A few years ago. Rotary Board Set the goal Of increasing the Share Of female members to 30 percent by 2023. We have than a year to go. but I believe we can meet this target*

*We need leaders to rise from every continent, culture and creed. We need members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly me just as and With much aspect, as those with many years of membership. During our convention in Houston. we heard from astronauts their journey into space. We reflected upon time in the1960's when U. S. President John F. Kennedy urged the world to dream, with his declaration that wo would "go to the moon land do other things. not because they are easy. but because they are hard."*

*Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely a moon shot, But that when people Of action are committed to a big goal We make it worth every ounce Of our energy ,*

*Rotary  
Team Imagine*

DISTRICIT GOVERNOR'S MESSAGE

Dr. Anand Jhunjunuwala

*Dear Fellow Rotarians.*

*Imagine life without wheels; wouldn't it be difficult? It would be a world without machines, clocks, or automobiles. Similarly, Rotarians would find it Impossible to Imagine a world with out the Rotary Wheel Of Service. Ever since I was a little boy I have been fortunate to witness the multi-fold Impact that Rotary has on the fives of people In the community and for Rotarians on their personal and professional front. I have since visualized ways through which I could contribute more and more through Rotary to make a meaningful difference.*

*Knowledge's creative element is Imagination. There recipe for reaching is a Passionate Imagination, a thorough Grasp of Rotary Knowledge, a Solid Action Plan, and the Backing Of All Stakeholders. I urge every Rotarian to contribute to the various rotary activities and immerse in another year full of service. Rotary is about the Journey, not the destination, enjoy every moment of it. The year will pass by it Is up to you to determine how to make the most of it. With members from various backgrounds with a wealth of experience, Ideas and enthusla.sm, we look forward to the Innovative Ideas in order to make a relevant difference In our communities & around the world.*

*When I imagine our vision for the district initiatives, I imagine breathing in the fresh air with the echoes of the flora and fauna, I imagine easy access to water for every individual, and I imagine smiles on the faces of farmers. To achieve this, our initiatives would Include tree plantation, Rainwater Harvesting, Watershed Management, and Farmers' welfare along with an every welcoming ear for the ideas & projects from our fellow members. Along with substantial contribution towards the environment I imagine a community of frequent blood donors. I encourage every member and club to actively participate to contribute towards fulfilling Rotary's objectives while strategically planning for long term goals. This is the first time in our this-year history that we have a female Rotary international President. Jennifer E. Jones.. This should serve as an example for us to include more women in the clubs. Along with diversity, Women bring grace, dignity and culture to the clubs. To achieve this objective RI has set a target of having30% more women In Rotary.*

*The directory team has put In a lot of time and effort to create this fantastic directory, and I am grateful to everyone for their unending support*

*Thank you for everything you do for our communities, Rotary, and the rest of the world.*

# Rotary Club Of Nashik Airport

## PRESIDENT MESSAGE

*"RC of Nashik Airport has one of the vibrant and leading club in the district and has strongly continued to pursue Rotary philosophy and ideas all along. I am humbled by the responsibility the Club has entrusted on me, a responsibility to lead the best Rotarians. Its time to commit ourselves to work even harder.*

*Time is changing, expectations and need of the community is also changing with it. The year ahead will throw new challenges and opportunities to serve. There are many milestones to be achieved by the club. Our Club has grown through these years is a testimony that we have done something right. Its bring me with lots of h hopes and dreams. Therefore its time to celebrate this journey ahead. "*

**Rtn. Dr. mamta Surana**  
President

*" Our bulletin is a tool to help our Rotary Club family connect with each other and with other rotary family, collaborate with our donors as well as beneficiaries and communicate with each other. I urge all to make this tool effective, let us come forward and share our experiences in Rotary by all members old and new. Let us share our learnings, our moments and any or all experiences with each other. After all family that communicates well stays together."*

**Rtn. Dheeraj A Dalvi**  
( Bulletin Chair )

Installation Ceremony for the new Year 22-23 was carried out on 26th June 2022 . President ship was handed over to Rtn. Dr Mamta Surana by outgoing President Rtn. Jayprakash Yeole and secretary ship was being handed to Rtn. Lokesh Lunawat by outgoing Secretary Rtn. Vaishali Jadhav. Chief Guest Dr M . S. Gosavi Sir guided over the educational system through their speech.

A mega gathering by 70 + Rotary members and families to welcome new President and BOD members where dignitaries from our District graced the occasion on 26th June. IPP Rtn Jayprakash Yeole and Secretary Rtn Vaishali Jadhav and BOD 21-22 have made impact by making sure people enjoyed and adjusted well through the new normal situation. New seven Rotarians were being inducted to the club strength.

# Rotary Club Of Nashik Airport

## GLANCES OF EVENTS AND ACTIVITIES DURING THE MONTH

### Doctor's Day - 1st July

On occasion of Doctors day RC Nashik Airport felicitated five senior female Doctors who had served their life for the community.

### Health Check up - 3rd July

Rotary club of Nashik Airport today organised free health and blood checkup for Auto drivers . Also they were given health tips by Dr Agarwal. The club also created awareness against consumption of tobacco by distributing the anti tobacco pamphlets

*In Rotary, July is a time of new beginnings, a time to reconnect with each other across distances and differences and to respond to change, a time to show Rotary Opens Opportunities. The ability to see and act on opportunities that are opened through friendship and fellowship is what makes Rotary so very different. And the willingness of all Rotarians to safely serve as they are able, locally or globally, is what unites us.*

## GLANCES OF EVENTS AND ACTIVITIES DURING THE MONTH

### Tree Plantation - 26th July

Rotary club of Nashik Airport today organised free health and blood checkup for Auto drivers . Also they were given health tips by Dr Agarwal. The club also created awareness against consumption of tobacco by distributing the anti tobacco pamphlets

### Site Visit

A visit to Arya Packers was being organized by Rtn Deepak Bhure. A good information on packing material and making packing box with live process was explained to all rotarians.

**Rotary develops character and brings out the best of the human spirit. It teaches people ethics, humanity, cultural awareness, people skills and the desire and ability to serve. Rotary creates a more positive environment for promoting world understanding and peace. Rotary always benefits two people.**

## FIGHTING DISEASE

### WORLD HEPATITIS DAY - PROTECT OURSELVES

All thanks to covid-19, a pandemic that shook us all to the core and taught us all the true value of Vaccination. The long queues for vaccination in all the countries of the world are proof of this. But apart from covid, there are thousands of such diseases and viruses in the whole world about which not a lot of people are aware. Hepatitis is one of such viruses that can affect an individual to an extent, but many people did not understand its seriousness in time and could not do anything after the passage of time.

There are 4 types of hepatitis - A, B, C and E. The reason for being all four is different. Hepatitis A, C and E can be treated if detected early, but this is not true for hepatitis B. Once someone is infected with Hepatitis B and is aware of it, they can only reduce but not completely eliminate its effect even with proper treatment.

It is not related to any one class or any one country, but it can happen to any person

95% of patients do not show any symptoms of this virus. They come to know that they are infected with this virus when their liver is damaged by 75% or more. There are a lot of harmful effects of this disease, liver fever being one of them, but apart from liver failure, this virus can also cause painful diseases like liver cancer.

It is very important to treat this virus before this virus reaches your body. There are vaccinations available in hospitals for this, which can protect you from this deadly virus. Apart from the treatment, it is also very important to take care that you are not using someone else's stuff that can be contaminated such as a razor, toothbrush, or needle. While getting an ear piercing and tattoo done, make sure that it is perfectly sanitized. Always take care of safety while having sex with an unknown person and immediately consult a doctor as soon as symptoms appear.

Those who are affected by Hepatitis are already suffering a lot and still, the society does not make any it easier for them. People constantly judge them or treat them differently in a very bad manner. It requires a lot of courage to fight against such deadly disease and when one does not get any support or empathy from others, it makes it a thousand times difficult for them to keep fighting. The main reason of such behavior of society toward an affected person is their lack of awareness and lack of knowledge about the disease.
