Rotary Year 2022-23 First Meeting

While welcoming the Rotarians to the first meeting held on 7 July 2022 of the new Rotary year; the President I.G.(Retd.) Manoranjan Tripathi informed the house that it was a privilege and an honour for him to serve as President of the club.

He stressed that while friendship and fellowship would not be lost sight of, service to our community, through our projects, would play a vital role. Accordingly, he along with the secretary, Rtn Deepak

Agarwal, began the first day in office, by driving down to Dehradun to seek blessings of our senior most Rotarian, PP D.P. Singh. There was another joyous reason for this visit, as it happened to be the wedding anniversary PP D.P. Singh and Ann Retu Singh. Generous as always he donated Rs 21,000/- to Rotary Mussoorie.

Being Doctor's Day, the President decided to wish all doctors, of the Rotary Mussoorie family, he wished Dr. Ujjwal Mehrotra in Dehradun and PP Dr. K S Bisht, Dr. Shrishti Karanwal and Dr. Prachi Jain, in Mussoorie.

Finally, he assured the house that he and his team would put in their best but the key to the success of the club lay in all members working together and hoped he would receive the cooperation from all.

“Imagine Rotary” is the 2022-23 presidential theme that RI President Jennifer Jones revealed on 20 January 2021. She is asking Rotary members to dream big and take action: “We all have dreams, but acting on them is a choice. Imagine a world that deserves our best, where we get up each day knowing that we can make a difference.”

IMAGINE ROTARY

Meaning of the design elements

The circle in aboriginal culture for instance, signifies our connections to one another. The dots around it represent people and there are seven because of Rotary’s areas of focus.

The circle and the dots together become a navigation star – our guiding light. The solid line underneath is what is referred to as a digging stick and it is used when doing hard work. And since Rotary members are people of action – it represents a tool for getting things done.

Rotarians were presented with Imagine Rotary 2022-23 Label Pin

President Retd I.G. Manoranjan Tripathi along with Secretary Rtn. Deepak Aggarwal and PAG Vipul Mittal presented Rotary 2022-23 Imagine Rotary pin to Rotarians.

Fellowship & Business goes together in Rotary Mussoorie

While business included the various reports; exchange of views while savoring snacks and tea kept all Rotarians engrossed. Our Lady member Nupur Karanwal Kaintura made her maiden appearance.

The shift from weekly to fortnightly meeting, drew everyone's attention and was a major talking point during the fellowship.

It was nice to see a lady Rotarian member grace the meeting after a long time. This gave rise to opinion among members to find ways to attract more lady members.

Having a dinner meeting every two months, will be an event all Rotarians are looking forward to. Mouth watering snacks, party games and sumptuous dinner became a talking point.

The Lucky Draw winner for wearing the Rotary lapel with pride was PP Manomohan Karanwal. It was a proud moment for daughter Lady Rtn. Nupur Karanwal to present father a token of appreciation.

PP Pramode Sahney welcomed Pres. I.G. (Retd.) Manoranjan Tripathi by reciting a poem, HE HAD A YEAR TO DO IT IN !!

He had a year to do it in !
So brushed the thought away;
A chap with half his energy
Might do it in a day.
A year ! 't was too ridiculous,
As every one should find;
However, he would get it done
And have it off his mind.

But not to-day. A few months hence
Would suit him better skill;
Meanwhile, a far less irksome job
Might occupy his skill.
He would not let the matter pass
Entirely from him. No;
And doubtless he might take it up
In say a month or so.

He had six months to do it in !
For six long months had flown;
Well, why should that alarm a chap
With vigour like his own ?

The job, when once embarked upon,
Would soon be rattled through;
However, he would think of it,
In say, a week or two.

He has three months to do it in !
'Oh, brother !' was his cry;
'The thing hangs on me like a weight,
Each day that passes by.
Let's see; three months?
Ah, that's enough;
But just to clear the doubt,
I'll make arrangements for a start
Before the month is out.'

He had a week to do it in !
And care was in his glance;
'It's hard,' he cried 'that flight of time
Won't give a chap a chance.'
He still delayed; the swift week passed,
As weeks will ever run,
And though a year was given him,
The task was still undone.

PP Suresh Agarwal cheered Pres. I.G. (Retd.) Manoranjan Tripathi in his own way by reciting a poem written by him

आपकी उमंगों में, आपकी तरंगों में
एक नया विश्वास है;
आपसे, रोटरी को, बहुत ज्यादा आस है।
आपकी शक्ति है सब,
आप सबकी शक्ति हैं;
जो आप करना चाहेंगे,
सब उसमें साथ निभाएंगे।
