## Distt. Membership Seminar

Distt. Membership Seminar was held at PHD Chamber of Commerce on 27<sup>th</sup> August 2022. It was attended by our members as August is the month of Membership enhancement for all clubs. PDG Gurjeet Singh Sekhon spoke very well about membership of Rotary Clubs with facts & figures and how to retain members. Today India has second position with 4521 clubs and membership of 171851 members whereas USA has 7355 clubs and 278770 members. In our Distt. 3011 we have 121 clubs with 4521 members as on 24<sup>th</sup> August 2022.

The only way to increase membership is when each member will bring one member in a year. So friends let's make efforts to bring new members and find ways to retain them as well.

## THE VIRTUES OF PHILANTHROPY

One of the important teachings of the Bhagavad Gita is to develop a trusteeship attitude towards material wealth. We create wealth only with the help of others, so giving back also needs to be part of our planning...

If you are fortunate to have earned or inherited more than you need to live a good life, you will have the opportunity to decide where and how to direct the surplus funds. Apart from focusing on your family members, we should also focus on philanthropic organizations, such as schools, colleges, and hospitals is a noble activity. Various organizations. Giving back to society, is a highly Noble activity; you can derive a great deal of happiness and personal fulfillment from the act of making positive difference in other people's lives.

The most meaningful way to succeed is to help other people succeed.
