# ROTARY CLUB OF DELHI LUTYENS

# MESSAGE

**Rtn. JENNIFER JONES**

**RI President 2022-23**

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism – an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity – the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion. Our values remain our strength – and our commitment to excellence requires us to maintain high standards for our members as well.

I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come.

A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership.

During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would “go to the moon [and do] other things, not because they are easy, but because they are hard.”

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

**Rtn. TARUN GUPTA**

**Club President**

Greeting Friends, I am privileged to be Selected as the President of this prestigious club for 2022-23. Starting from PETS, till now, when two months have passed, I have seen my initial hesitation wither away, and have discovered how to budget, organise and manage Rotary Programs. As I feel I have gained through this post of President, I have also tried to make our members feel privileged to be part of RCD Lutyens, and to provide enjoyment in a social setting. The strength so gained, can be provided to do Service Above Self.

Our members have come forward to organise Community Programs notable Rtn N.K. Mittal and Rtn. Vivek Jain. We wish to continue with same .

Through our speaker's meet, our endeavour is to provide value addition in some new areas of everyday decision making. We wish to hold Blood Donation Camp, Mammography Camp going in future.

We also are looking forward to make Interact Club and bringing out a member's directory.

We welcome your feedback and suggestions for activities of the Club going forward .

Rotary Greetings,

**RTN. TARUN GUPTA,**  
**PRESIDENT**

## EDITORIAL

Greetings and a very warm welcome to our esteemed members of RCDL on behalf of Sadhbawna, the Bimonthly Newsletter of our Club. To create a Rotary Spirit in all the Members, a feeling of togetherness in our Rotary Family, I hereby share the essence of Sadhbawna as a platform of inspiration to be together, consolidated and be united to work towards service above self.

I recall the FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it built GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

Keeping in view, the above mentioned, I am sure, we all look forward to:

- A clean green environment
- Our citizens in good Health
- A smile on everyone's face
- Improvisation to the Needful and Deprived People in society
- A Lovable ambience amongst all of us

My AIM to release SADBHAWANA is mainly to create AWARENESS in the society, as to what all ROTARY, our prestigious ORGANISATION is doing for Human Mankind.

By circulating the Bulletin, not only within the Club Members, we should also circulate it outside the Club in nearby vicinity also and get more working hands to Serve our Purpose towards humanity.

Any suggestions / comments/article, one feels strongly about, is most welcomed.

**Dr. Shashi Gupta**
