### RI PRESIDENT MESSAGE

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy; I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure trove of photos and memorable stories about our great organization — the one we all know and love. I have learned so much over the years about service projects and lives that each of you have transformed. As a communications professional, I have longed for the day that our stories were a regular part of mainstream media and that our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better ifmore people knew our stories.

01-FEB-2023

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over the next 12 months, weare going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable, and scalable Rotary projects from our areas of focus in what we call the Imagine Impact Tour. We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary. But therewas another important issue to consider — our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues.

The example set by our members during the pandemic is fundamental to how we carve out our future. That means we will harness digital technology to tell these stories — we will be tweeting, posting, and "going live" to anyone who will listen. We must consider our environment, and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need tobe more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas. So, what are your stories and who can help tell them? I hope you might consider your own Imagine Impact efforts — your story might be something you can promote just as easily on social media or during a Zoom call.

Think about ways to showcase notable projects in your clubs and districts. We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

### **PROJECT-SEVA**

11:00 AM.

The year started with an excellent project at Saksham Foundation. An organization run by a wheelchair especially abled gentleman running free coaching classes for nearly 100 children. Their requirement of an investor was met by Rotary Delhi Qutab.

The President Rtn G.S Saluja and the First Lady Rtn Raveen Saluja presented the cheque to the Saksham Foundation.

Rtn Lt.General Ashok Vasudeva, Rtn Aruna Kar, Rtn Guddi Malhotra, Kamlesh Minocha Poonam Ajmani, Neena Vasudeva were also present.

FRIDAY 18-01-2023

## **CURTAIN RAISER**

10:00 A.M.

The Curtain Raiser for the most important event of any Rotary Year— THE DISTRICT CONFERENCE— was held under the aegis of the District in the main hall of PHD HOUSE.

All the Clubs of the District, District and Club Leaders attended the event on 18 January 2023.

The entire two-day program of the Conference was discussed in detail. The representative of the RI PRESIDENT arrived on 16 January.

The President Rtn GS SALUJA, the Vice President PP Rtn Sanjeev Nayyar and the Club Trainer PP Rtn Anil Malhotra represented QUTAB.

SATURDAY 21-01-2023

### REPUBLIC DAY CELEBRATION

11:00 AM.

A Very important event was Organized ON 21st January 2023 at Our Skill Development Centre. Information about the said function was communicated to the Members two three times earlier. The event involved attending and Celebrating the coming Republic Day with the children of the Centre Members as requested had arrived by the given time at the Centre and were received by the Staff and students.

The event Commenced with the unfurling of the Tri Colour by the President and rendition of National Anthem by all present. Welcome Speech by a Girl Student was the first item of the programme. She mentioned about the importance of Republic Day and why it is celebrated. This was followed by a short skit depicting the still prevalent bias against girl child vis a vis boys in our Society. Boys are pampered and girls aren't given the same freedom as boys. A Very valid piece of visual narration by the children. Next came the Dance by two students who performed commendably well. Inspite of paucity of time for rehearsals, the effort put in was applauded by all present. The Students spoke about the Fundamental Rights as enshrined in Our Constitution. Various Fundamental Rights available to all the citizens were explained in simple and clear manner.

The President Rtn GS Saluja Congratulated the Children for putting up a good show in short time. He dwelt on the differences in Independence Day and Republic Day and why Republic Day is Important for each one of us. Children were encouraged to prepare and put up such events wholeheartedly. They were assured of required help in their endeavours. Sweet packets were given to the children and Staff of the Centre by the ladies. Blankets and winter Reveries were handed over to the staff kind courtesy Sonita Hooda.

All present were treated to steaming hot Samosas and Tea for gracing the occasion. Children were extremely pleased and joyful for this opportunity and the motivation showered on them by the Members of RDQ.

It is Very essential that We all members make it a point to be present for such functions. After all Skill Development Centre is our flagship project and We should be Proud of improving the quality of inputs by each One of us.

### THE CLUB ASSEMBLY

3:00 P.M.

As per the traditions and planning of the QUTAB FAMILY, the second quarterly Club Assembly was planned to be held from 28 January to 29 January 2023.

The planning started almost a month back and the Club Trainer, PP Rtn Anil Malhotra was asked to look for a nearby destination for the Club's fellowship and Assembly. Various options were discussed and LEMON TREE on the Sohna road, an ALL SUITES hotel was selected. Hard negotiations followed and finally an acceptable deal was struck.

44 members, including spouses participated and one of the most successful Club Assemblies took place.

All members arrived at the hotel between 2 PM and 3 PM on 28 January. Rooms were allotted and everyone checked in.

Every member was welcomed with a welcome drink, a hearty welcome letter with a copy of the program in detail.

High tea was laid out at 4 PM with sandwiches, cookies and mixed pakoras. Tea and coffee were enjoyed by each one.

At 7.30PM, all participants assembled at the TANGERINE BANQUET HALL for a gala evening of fellowship. Live singers, party games planned by R'anne Kamlesh Minocha were very interesting. Prizes were given to the winners.

The dance floor took over to the lilting music and everyone was on the floor. It was difficult to stop anyone for something else.

Kamlesh, on popular demand gave a fantastic performance of a solo dance, in spite of an injured foot. Standing ovation followed.

Cocktails with a verity of drinks was in abundance was made available. Sumptuous starters were a feast.

Dinner followed which had a lot of choice. Like everything has to end, so did this fellowship. Wishing "good night" all participants retired for the day around midnight. 29 January was a cold day and we dressed up for "winters" again after a beautiful sunny previous day.

A vast spread at the breakfast table included juices, South Indians dishes, eggs to order, poori aalu, fruits, sausages etc. was available.

As programmed, all participants assembled for the Assembly.

The President, Rtn GS Saluja called the meeting to order.

The National Anthem was recited, followed by the Four Way test.

The President asked all members if they had any observations and advice for consideration to improve our performance. Every member, unanimously and in clear loud voices said that we were performing very well, and everything was PAR EXCELLENCE.

However, the President reiterated that we are looking for some healthy criticisms. A few members did mention about punctuality and attendance for various projects. The points were well taken.

The President, then requested the Club Trainer to address the gathering, specially the members who have joined the Club this year.

PP Rtn Anil Malhotra explained how a successful Club runs and how the Club leadership is selected. Duties of all Director's was explained.

The number of Zones/Districts and Clubs in the world was informed and how the system works.

Membership and Foundation are the two pillars of Rotary and emphasis was laid on "giving" and be proud Rotarians.

9 volunteers were distributed with the PHF forms. Excellent number to join the PHF club.

A very successful Assembly concluded with the Club Secretary announcing the greetings for the month of February and also announced the events for the month of February.

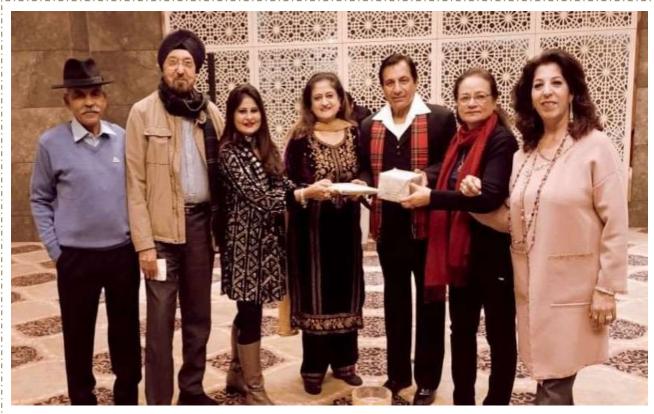

The Assembly was declared closed as there were no further points.

A group photograph of all participants in our Club Green T shirts followed with some healthy, lighthearted "leg pulling" and laughter.

Lunch was served at 1.15 PM and "bidding goodbye till we meet again", all of us hotel to return home.

A standing ovation was given to PP Rtn Anil Malhotra, who had done a yeoman's service to ensure a very successful Club Assembly.

### DENTAL CAMP AT MCD SCHOOL SAKET

11:00 AM.

A dental camp was conducted in the MCD school at Saket on 30 January with collaboration of the Rotary Dental Team, the equipment, and the dental van which, was donated by Rotary Club of Midtown.

Approximately 250 students and staff went through the check and advice given to those who needed dental care.

The school had also requested to help them with five billboards which were presented to them by the President Rtn GS Saluja.

Toothbrushes and note copies were distributed to all the children.

In spite of the previous two days of very hectic activities by all members, quite a few participated in this Dental camp.

The First Lady, Rtn Raveen Saluja personally gifted the toothbrushes and toothpaste. The entire coordination and planning were done by our ever-energetic Director PP Rtn Veena Malhotra

There were 3 ships which were nearby when the Titanic sunk.

Sampson. It was 7 miles away from the Titanic, but because the crew had been hunting seals illegally & didn't want to be caught, they turned away from the Titanic.

This ship represents those of us who are so busy in our own sin &lives that we can't recognize when someone else is in need.

Californian. This ship was only 14 miles away from the Titanic, but because the conditions weren't favorable & it was dark, the crew convinced themselves that nothing was happening.

This ship represents those of us who say I can't do anything now and we wait until conditions are perfect.

Carpathia. This ship was actually headed in a southern direction 58 miles away from the Titanic when they heard the distress cries over the radio. The captain of this ship prayed to God for direction, turned the ship around & went full steam ahead through the ice fields. This was the ship that saved the 705 survivors of the Titanic.

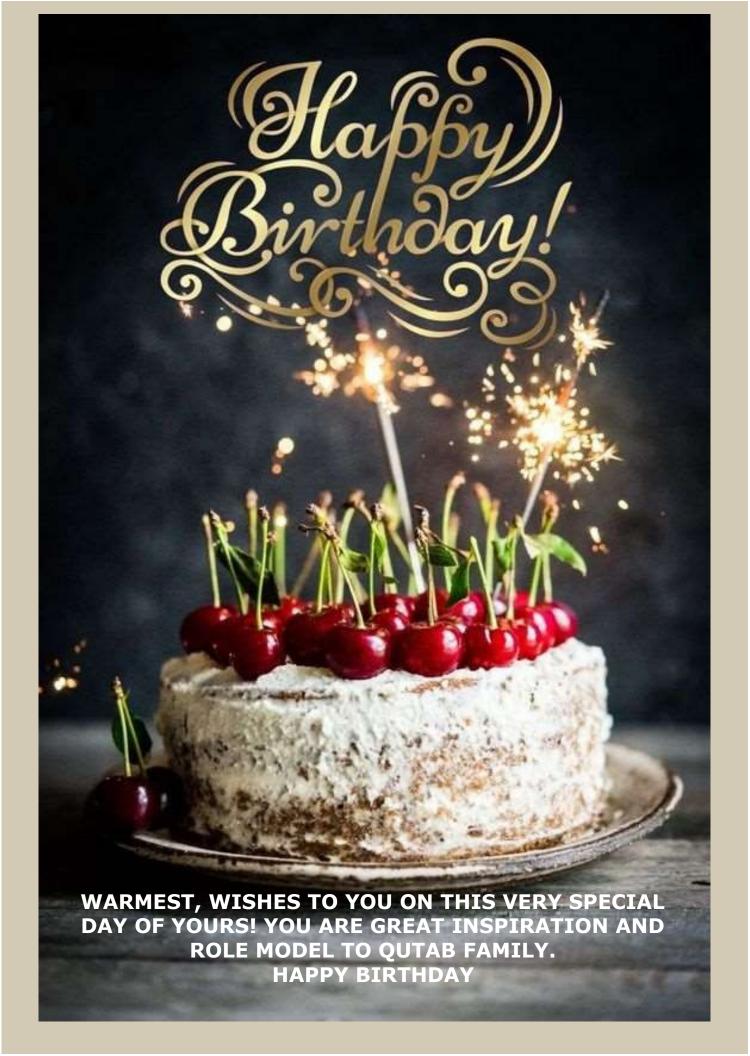

Obstacles and reasons to avoid responsibility shall always be there, but those who accept it always find a place in the hearts to be remembered for the world of good they do.

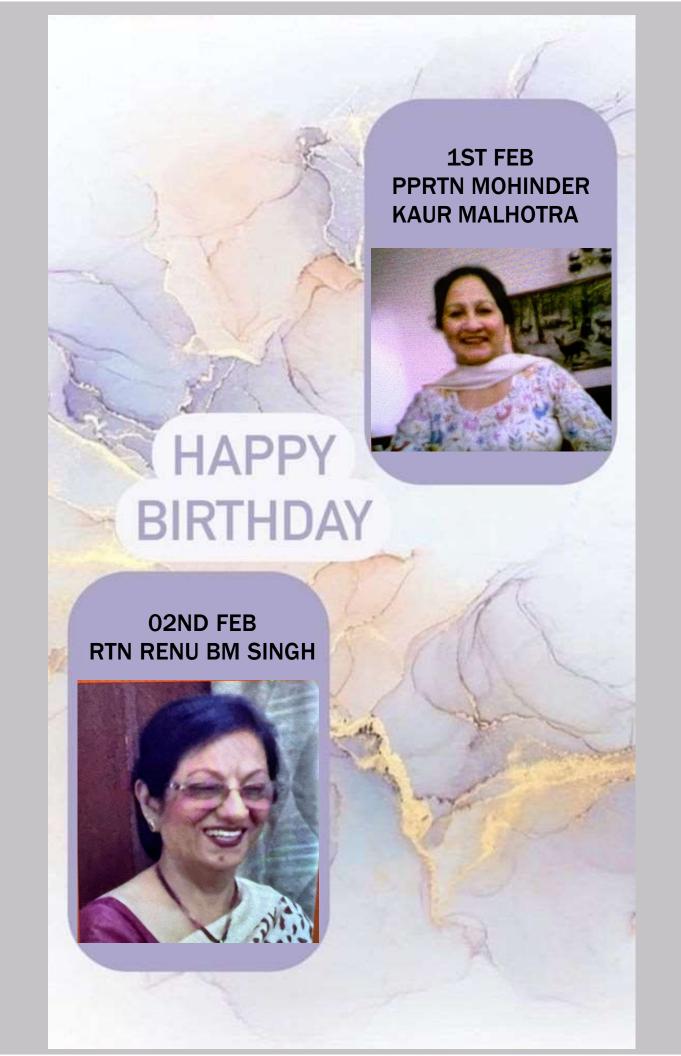

I really wish that we all be Carpathians \_in life and make the world a more beautiful place to live in.
