ROTARACT CLUB OF DELHI SOUTH

Our fingerprints

don't fade

from the

Lives

we have

SERVED for!

Rotaract Club of Delhi South commences every year with fresh hopes, aspirations, and desires to multiply the good work and reach out to as many people as they can to make lives better around.

To work, function, and follow the path of social welfare together, with this vision we would like to introduce you to the theme for the Rota year 2022-23 'Nawaazish - Serving With Grace'

The theme illustrates the beauty of compassion and kindness, which our club stands for, like sprinkling hope and paying our share of contribution to make this world a better place to live.

On our journey of connecting people, helping the community, and serving society we aim to be sympathetic, selfless, and resilient.

'No act of kindness no matter how small is ever wasted'

NAQSH

Leaving behind Impressions...

THE INSTALLATION CEREMONY

**"Individually, we are one drop. Together, we are an ocean."
– Ryunosuke Satoro**

'Naqsh', the installation ceremony for our new team was led by Rtr. Jyotsana Rijhwani, our club President for the 2022-23 rota year. The newly selected team was honoured with their badges of honour. Both Rotarians from the parent club and prominent members of the rotary community graced the event with their presence on July 23, 2022. The chief guest for the event was Rtn. Ashok Kantoor and the guest of honour was Rtn. Ankit Singh. The annual report for the previous session was presented by directors from all the departments. The event came to an end with an orientation for our freshly recruited rotaractors and a vote of appreciation.

GOVERNOR'S OFFICIAL VISIT

Rotary Club Delhi South initiated a Governor Official Visit (G.O.V) on 23rd July 2022 at Indian Habitat Centre, Lodhi Road, New Delhi with the of members of executive board of The Rotaract Club of Delhi south.

The meeting included discussion on vision for the club to prepare a common path for the working of the team. They talked over upcoming event for a better execution of all the necessary projects.

Last but not the least discussion on financial statement for the year was also done in order to achieve all our goals for the year.

‘GOALS’
are only
wishes unless
you have a
Plan

VRIKSHYANAM

*One touch
of nature makes the whole
world kin.*

-William Shakespeare

Trees are of invaluable importance to our environment and to human well being. Trees are so important for the global environment and the health of the species that live there, and need our unconditional care and protection.

Keeping this mind, Rotaract club of Delhi South organised a tree-planting effort on July 9, 2022, in the vicinity of Hauz Khaz Lake in Deer Park, New Delhi. With the consent of the relevant managing committee, about 150 plants were planted there, including kinds of hibiscus, cape jasmine, and jatropha.

This initiative achieved its goal of improving our environment, bit by bit, engaged responsible members of this planet and raised awareness of the value of trees in our ecosystem.

मित्रता संग स्वतंत्रता

In the face of impossible odds, people who love their country can change it.

Marking the joyous and auspicious occasion of Independence Day and Friendship's Day, Rotaract Club of South Delhi on August 6, 2022 organised "Mitrata sang Swatantrata" to celebrate the essence of friendship day combined with patriotism.

The event was able to raise awareness around basic education and literacy and was held at SSrishti learning centre at Kishangarh, Mehrauli. The students at the learning centre were informed about the importance of patriotism and the session also included dancing as well as gaming. At the end of the event, nutritious refreshments were also distributed amongst the students and staff.

KALYANI ANIMAL SHELTER

The Rotaract Club of Delhi South visited Kalyani Animal Welfare in Chattarpur, Delhi on 28th August 2022 to spend a day with our pawed friends. More than 100 abandoned and physically challenged canines were given assistance by the Rotaractors. Dogs with wagging tails greeted them and showed their joy. The purpose of organizing the event was to enhance and improve their quality of life. The participants had a terrific day there, feeding dogs and playing with pups. In addition to providing them with the necessary medications, the club also sponsored their meals.

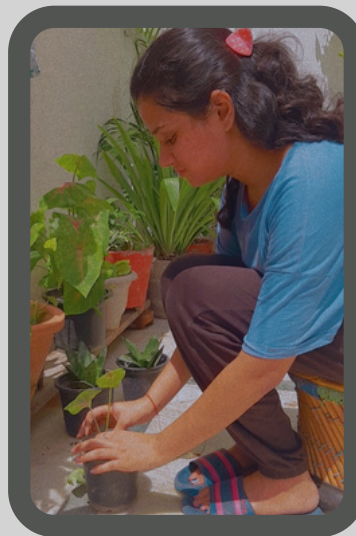

The experience as a whole taught us the importance of speaking out for the welfare of stray animals in our community. Animals feel all kinds of pain but cannot express it. We aim at spreading the idea of love for our furry friends and help these innocent creatures of God get support and attention from society to help them lead a healthy and happy life.

Our rotaractors believe in creating a world where all animals are treated with kindness and respect and this visit instilled a strong will in all of us to continue with the noble cause of taking care of our animal friends.

BE-LEAF

'Be-Leaf' was a collaboration between the Rotaract Club of Columbia and the Rotaract Club of Delhi South along with various other clubs which lasted for 2 months. In this project, the rotaractors planted saplings in their houses and distributed seeds in various locations. Rotaractors from both clubs took the first step towards a greener future.

The project's mission was to advance environmental stability and a future with less pollution. Whether it be in the context of the environment or society, our Rotaractors advocate for overall sustainability.

🗨 The natural environment sustains the life of all beings universally. 🗨

– Dalai Lama

AASHIRWAAD

AN OLD AGE HOME VISIT

*Opportunity, words and loved ones -
once gone, they never come back!*

Old age has its own pleasures, which though different, are not less than the pleasures of youth. This is something which we realized when we visited Ashirwad Old Age Home on September 17th. The event was led by Rtr. Varuni Bajpai, our Director of Community Services. Through the event, we got the opportunity to meet some kind souls and interact and listen to their stories. We also sang with them, danced and played some games to spread joy and entertain them. We asked them to share their experiences and give us some advices to guide us through life. Though we spent only a few hours with them, they made us realize the value of our grandparents and the tenderness with which we need to take care of them. It was a fulfilling experience for us as we made some memories with them and learnt valuable lessons.

LETTERHEAD EXCHANGE

A club's commitment to future cooperative fellowship programmes, meetings, and interactions is expressed through the exchange of letterheads, which marks the beginning of a connection and a close association.

Some of the highly interesting and significant agreements that have already taken place this year include the following:

The RKM Vivekananda College Chennai RID-3232 and the Rotaract club of Delhi South exchanged letterhead on August 17, 2022, at 7:30 PM, during a Google meet. A brief discussion about upcoming events was held between Rtr. Unsha Tabrez, director of international services for RaCDS, and Rtr. Vignesh Skandraaj, director of international services for the Rotaract Club of Vivekananda College in Chennai. There were many new ideas and possibilities discussed. They reviewed the term's agenda and got to know one another during this meeting. Both clubs' complete executive boards were in attendance. Both pledged to collaborate and engage in the events in any way they could. There were some deep conversations towards the meeting's closing.

Rotaract Club of Delhi South and E Rotaract Club of Indore Royals exchanged letterheads using an offline procedure on August 28. Unsha Tabrez, director of international services for the Rotaract Club of Delhi South, and Madhavi Moyde, president of the E Rotaract Club of Indore Royals, got together at the Bari Cafe in Champakali. Our club facilitated the brunch for them, and the directors went exploring around Delhi. They discussed numerous club events from the past as well as proposals for upcoming events. They finally exchanged letterhead, clicked pictures, and delivered the information to each other.

The Rotaract Club of Delhi South RID-3011 and the Rotaract Club of Pan Colombo RID-3220 exchanged letterhead through mail on August 9, 2022. The Delhi South and Columbia Rotaract Clubs collaborated on a project called BeLeaf where participants planted trees and dispersed seeds in their homes as the first step toward a greener future.

DISTRICT EVENT

The Rotary Public School in Gurgaon had a gathering of numerous organisations on September 10, 2022, to start off a fun-filled day.

Rotarians were invited to the stage where they shared their fruitful professional, personal trips & experiences about their rotary journey and motivated all the Rotaractors. PDDR's conducted informative session and interacted with the Rotaractors in the audience.

PDDR Anmol Chawla and PDDR Sarthak Bansal presided over the first meeting of the Professional Avenue. They offered their knowledge about Rotary's history, the creation of the symbol, associated costs, and possibilities for expansion. There were also a few well-known Rotaractors and Rotarians who are members of Rotary. In a two-way discussion, everyone imparted their knowledge while each participant offered unique suggestions.

A popular topic during the Multimedia Avenue workshop was how to expand the audience of our social media accounts. They emphasized the possibility of making our content appear more appealing and approachable through clear writing, color-coded posters, and inventive labelling, etc.

In community Avenue, each director was initially questioned about the events they were planning and their justifications. The district team engaged the rotaractors in conversation about the happenings. They also advised us on executing our numerous event themes for the most impact. The event's goals were to foster goodwill, discuss event planning best practices, and acquire hacks and techniques to improve how well our clubs run.

The training assembly was concluded with a fellowship event where all the Rotaractors interacted with each other along with some ice breaking sessions.
