Message from District Governor

Rotary Greetings!

Congratulations to you for accepting the leadership position as a Club President in the RY 2022-23. This little step has opened up your wings to fly to soaring heights and take society to a more meaningful,

humble, accomplished, and peaceful stratum through the magical world of Rotary. Believe me, your positive thinking, hardworking attitude, and determination of doing something unique for the community will create history for yourself as well as give you inner satisfaction. This is what I have experienced in the last 25 years of my Rotary Journey.

Rotary's motto is service above self and we will have to continue our fight against illiteracy, hunger, poverty, water scarcity, disease, pollution & so on.

Rotary will stay relevant as long as we are sensitive to the needs of our communities and give our time, talent and resources to make a difference in the lives of the less privileged.

My compliments to you and your team for launching the quarterly publication of your Club, the Rotary Club of Gurgaon.

Alka & myself wish that may you all raise the glory of Rotary even better. Wishing you all a successful and blissful Rotary journey.

All the best & let's IMAGINE ROTARY together for achieving significant Rotary objectives.

Rotary Regards

Ashok Kantoor

District Governor 2022-23

Message from President

It is with a feeling of great honour as well as responsibility that I look forward to Rotary year 2022-23 as the president of Rotary Club Gurgaon, a very respected club not only in the district but also our country. This position which has been conferred on me by my club

members gives me countless opportunities to serve the community as well as steer our club to greater heights.

DG Ashok Kantoor & his team have worked tirelessly during the preceding year to train and counsel each President Elect at a personal as well as group level. The numerous formal & informal preparatory training sessions, that not only President Elects but also respective partners attended, have motivated us to give in our best to the organisation. Most of us have started our Rotary year with a road map guided by the very capable & devoted, district team

The RI Theme "Imagine Rotary" for the present year inspires us to visualise a world where there is equal opportunity for all with access to quality education, employment, wholesome nutrition, clean air & drinking water. A world where peace and harmony prevails and problems are solved with consensus. The year has started very well for our club and we have already completed a lot many meaningful projects keeping the seven focus areas of Rotary. WE look forward to carry the trend forward with renewed energy with support of our club members as well as the guidance from our district authorities. Let us all take a pledge to work together and make the flag of Rotary Club Gurgaon fly higher and higher
