

President's Message

Dear Fellow Rotarians and R'Anns,

Rotary Greetings!!

We are almost two months into the new RY 22-23. It has been an awesome journey so far. I want to thank all our members as well as corporates who have supported our projects whole heartedly with time and money. One of our key goals for this year has been to drive initiatives on multiple fronts, and build the spirit of Rotary within our Rotary family. We have gotten off to a wonderful start.

Trees and Solar power are our club's focus areas towards a greener world. Our flagship project of installing solar plants and panels took off with successful installation of solar panels and solar lights at Donate an Hour (DoAR) NGO through CSR contributions from IGT Solutions. Solar panels have become enabler for the 49 children staying at the DoAR campus to be able to carry out their education through online classes with remote teachers.

With the goal of caring for specially-abled and making them self-sufficient, our club's second flagship project for the current RY 'Donate A Limb' - was launched jointly with Rotary Divyang Kendra, Delhi. In our first camp we provided prosthetic limbs and calipers to the needy. We plan to hold series of camps through the year to target total 100 beneficiaries.

Keeping up with our tradition of giving, our members contributed and participated in multiple service projects - donation of cleaning supplies, distribution of women hygiene products, eatables & fruits at a labor camp, donation of science books at NGO DoAR, screening of middle school children for preventable blindness.

Patriotism was in the air in the month of August. Club organized flags for members who in turn very proudly shared their pictures with Tiranga at their homes. It was a visual treat to see the collage of our members with the National Flag.

September is basic education and literacy month. As true Rotarians we need to work towards Rotary's goal of strengthening the communities to support basic education and literacy, reduce gender disparity in education, and support education for all children.

For children to receive a healthy education, their environment must be healthy as well. Our club has been contributing to improving the infrastructure at multiple government schools and plans to continue the same this year. Building toilet blocks for girl students, wash stations to maintain hygienic conditions in schools, distribution of stationery, and uniforms are some activities through which we plan to do our bit for education and literacy.

Project Work

Donate-a-Limb Project Launched

A project to help make sustainable impact in the lives and livelihoods of people. This project is in collaboration with Rotary Club of Delhi Central and the Rotary Divyang Kendra, who has been doing a stellar job for this cause. We will hold camps at RDK and provide the money to make/buy customized fitments and RCD Central will arrange and screen needy people to receive the limbs. We will be doing this through the year reach a target no. For the first lot of fitments, the Club donated 35,000 of which Rtn. Aparna Gupta and Lord Prafull donated Rs. 25,000. A very insightful and fulfilling experience for all.

Project Work

Support For Donate-an-Hour NGO

A confluence project for Environment and Literacy

Distributed Physics/Chemistry/Maths books and fruits at Donate an Hour NGO. Solar Panels have been installed at the NGO in Collaboration with IGT Solutions Earlier, tree plantation was also done. 150 fruit trees were planted for which ground was prepared by children. Checked on the trees that we had planted there and they are in good shape, being well looked after.

District Participation

District Membership Seminar

President Arti and Rtn Akhil Agarwal attended

Project Work (Other Projects)

Avoidable Blindness Free program

Avoidable Blindness Free program in collaboration with VisionSpring. Catching children with weak eyes early on and providing them with free spectacles. RCGurgaon Qutab Enclave organized an eye camp for children of Govt. Middle School, Shivaji Nagar, Gurgaon scanning more than 250 children for their vision.

Donation of Cleaning Supplies at Deepashram

RCGQE members celebrated Independence Day with Deepashram staff and inmates. Donated cleaning supplies as per their requirement

Distribution of Female Hygiene Products

Our club distributed 120 sanitary napkin packs, snack item packets and bananas to women in a labour camp at a construction site.

Community Building

Har Ghar Tiranga Campaign

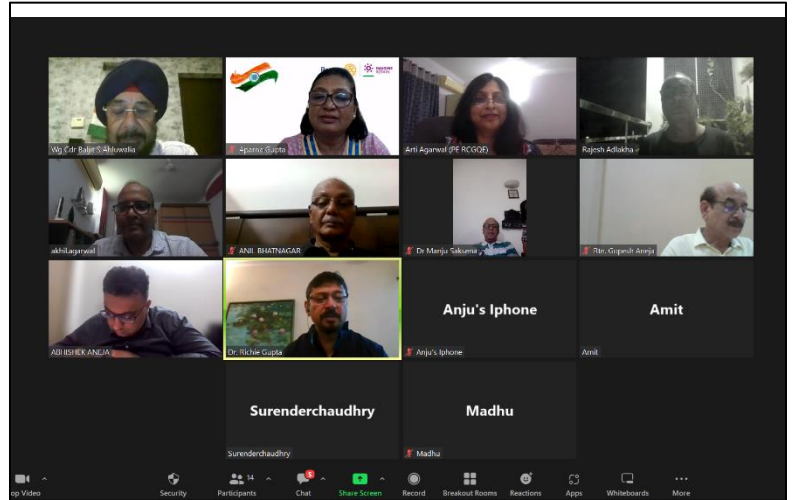

Har Ghar Tiranga Campaign Launched with fervour. Each Club member sent a flag to hoist 13-15 Aug and share pictures. All joined in with great enthusiasm

Meetings

Speaker Meeting on Plastic Surgery - Myths and Realities

Speaker Meeting done jointly with RCG Cosmopolitan. A very insightful session by Dr Richie Gupta. He spoke on Plastic Surgery - Myths and Realities. Got clarity on just heard-about terms, how reconstructive and gender affirmation plastic surgeries are helping in physical and emotional well-being. We also got an insight on spectrum of genders, how in an unborn child gender gets entrenched before the sexual identity and the what is being done for transgender inclusivity in the society. An avenue that possibly organizations like Rotary can help in. Some food for thought for Rotarians.

Member Meeting with Team Building Game

Meeting was organized with an agenda to discuss the upcoming GOV. A team building exercise was also conducted. All fellow members present participated enthusiastically in the game and shared their association with the cards very candidly.

Interact Clubs Investiture

Interact Investiture at Amity International Schools Sector 46 and Sector 43, Gurugram

The Interact Boards were installed and pinned with interesting talks from Principal and the Outgoing Interact President. RCGQE President Arti also gave a motivational speech to the students. Very well organized and conducted events.

Amity International Sector 46

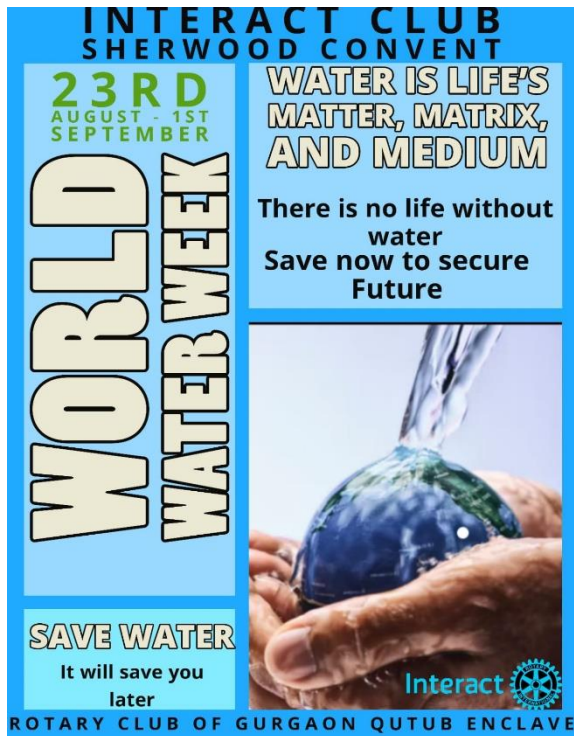

Amity International Sector 43

Work by Interactors

Water Conservation Campaign Done in Sherwood School

Our Interact Clubs Spread the message of patriotism and pride in our Nation through talks and creating visual impact with posters in their schools

Participation in Azadi ka Amrit Mahotsav DPS Sector 45 and Sherwood School
