PERMANENT PROJECT

ROTARY GARDEN

Rotary Garden was started in 2004. As a first Permanent project of the club to enhance Public Image and to serve the community, board decided to develop Green Field project as development of Garden for benefit of community. Since project required lot of development work. Members of the club took great pain to identify beneficiaries and sponsors. It took almost one year to develop Garden to protect the Garden in proper way many facilities developed.

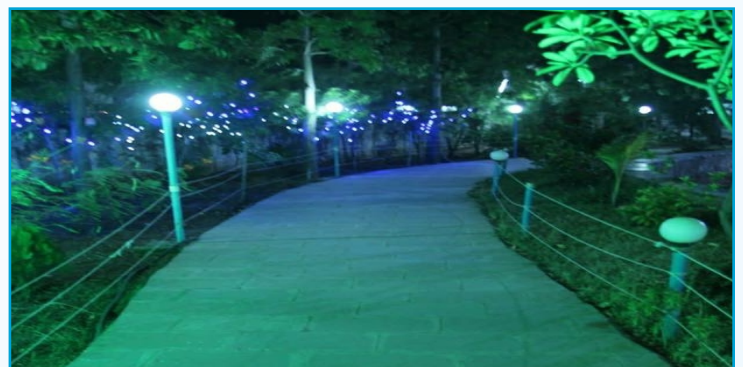

Selfless, Devotion and Dedication of many Rotarians led to develop such a beautiful Garden which do not exist in entire city. Club spend almost 25 lacs to develop Garden and provide below facilities,

- Senior citizen benches
- Family dome
- 2 children areas with more than 20 rides
- 700 meter walking track
- Green lawns for yoga
- Drinking water
- - Lush green Lawn for Family seating and Yoga

The maintenance of Rotary Garden is really very high which bear by Rotary members and with the help of donors.

Everyday more than 1000 people visit the Garden and enjoy the amenities, in which more than 300 are children. While on holiday 3000 to 5000 people visit.

PERMANENT PROJECT

ROTARY THALASSEMIA CENTRE

The thalassemia project was dream project of RCW President year 2009-10 Rtn. Prashant Jani. He had promised to start thalassemia project during his installation ceremony. And the dream comes true on dated 5/12/2012 as RCW in association with C.U.SHAH Medical college started Thalassemia center and running each Wednesday of week. We had very good support of C.U.SHAH medical college Dean Dr.Agravat, Dr.P.C.Shah & Dr.Bharat Muliya to start this center. The main aim behind these center was to provide regular blood, Medicines & mental support to thalassemia patient without any cost. and the whole Expenditure of patients Blood, Medicines & meal provided to patient is carried out by RCW family & friends. Total Expenditure for medicine is given by very kind person Dr.Rajesh chachcha. And RCW also conduct regularly seminar & awarness program for thalassemia Patient. Thalassemia is of two type minor & major. thalassemia is not disease but it is inherited blood disorder due to unawareness of parents And can also be stop by providing awareness of same and RCW family regularly conduct awareness program to stop thalassemia.We are organizing Rotary Corporate Cup as permanent project as fundraising event for Rotary Thalassemia Centre. Dr Rajesh Chachcha help regular for free medical accessories from starting. Also thank RTN Pravin Patel for providing free breakfast since last seven years.

PERMANENT PROJECT

ASHWIN C SHAH ROTARY DIALYSIS CENTER

This project was mainly a dream project of Rtn. Audrey Kushwaha & Rtn. Rishi Raj Singh Kushwaha cause Mr. Eric Barlow father of Rtn. Dr. Audrey Kushwaha was suffering from kidney problem and going through dialysis treatment every alternate day which was very very painful and difficult as there was no centre in the city and they had to travel all the way to Ahmedabad, Rajkot or Nadiad for dialysis after travelling 125 kms min one way. In the mean time Rtn. Rishi Raj Singh Kushwaha became president of Rotary Club Of Wadhwan City in 2014-15. He then put up this proposal to one senior member Rtn. Prashant Jani who is District Governor today and Governor Rtn. Ashish Ajmera. Rtn. Prashant Jani immediately asked to make project cost and after that we took board approval and started Sh. Ashwin C Shah Rotary Dialysis Centre in C U Shah Medical College & Hospital in 2015 with 2 machines. After that we got few more machines in donation and few machines through Global Grant. Today we have 12 machines and since then we are doing dialysis to 15-18 patients everyday and till today we have done 10000 plus dialysis. Uniqueness of this project: We are running this project in C U Shah Medical College & Hospital so having back up and support of great infrastructure, latest ICU's, Cleanliness and good doctors.

Impact on society: Patient used to go 150 kms approx for dialysis and now got facility in proximity of their house and village. They are getting treatment Free of Cost.

Thanks to Abhilash Shah for initial donation for center and also help by Jagdish Trivedi for dialysis machines.

REGULAR PROJECT

ROTARY MAMMOGRAPHY CAMP

Rotary club of wadhwanacity took an initiative to held a mammography camp once in a year for the females of the district surendranagar from the year 2016 , in past years well known lady doctor was working for the same and due to her health and age issue she was not able to do anymore so we just grabbed the opportunity to serve the society by the platform of Rotary. Since 4 years we are doing mammography and Pap smear camp by the help of donors and team of Females of Rotary , every year we screen more than 175 patients with out charging any single penny at C U SHAH MEDICAL COLLAGE AND HOSPITAL for 3 days. Every year during the camp we get 2-3 positive patients who are in early stage, We are satisfied that their life can be saved by getting immediate treatment after the camp screening.
