My Dear Rotary Surat West Family,

December is Disease prevention and Treatment Month.

FIT INDIA Movement was launched on 29th August, 2019 by Hon'ble Prime Minister with a view to make fitness an integral part of our daily lives. The mission of the Movement is to bring about behavioral changes and move towards a more physically active lifestyle.

Six things to do to stay fit

Balanced Diet.

Active lifestyle.

Yoga and exercises or workout.

Avoid fatty foods.

Do not skip meals.

Avoid alcohol, smoking and drugs.

Fitness is not a destination but it is journey, and lifelong journey.

Regards

Rtn Mausam Jalan

Ideas for strengthening membership

Connect with prospective members

Every January, we see a big increase in inquiries about joining Rotary. District and club leaders, remember to follow up with these prospective members to ensure that they have a positive experience. You can gain a better understanding of how to turn leads into members by taking the Online Membership Leads course. Use the Refer a new member form if you know someone who might be interested in joining. The updated form allows all Rotary members to refer a prospective member to their own club or to a different club.

Rotary Wisdom

The single biggest way to impact an organization is to focus on leadership development. There is almost no limit to the potential of an organization that recruits good people, raises them up as leaders and continually develops them.

Rotary's Response to War in Ukraine

Rotary's response to the war in Ukraine has been simply incredible. Since the war began in February, Rotarians have opened their hearts to support those affected by the war in many different ways. Many members in my district have also been thinking, what can we do, right here, right now?"

Laura Kann, governor of District 6420, shares how an August article from the Chicago Tribune spurred her into action. Forced from their homes, many Ukrainian children faced a school year filled with new challenges. Two primary schools in Chicago's Ukrainian Village experienced a nearly 40% increase in enrolment due to children fleeing the war in Ukraine. With that increase came a lack of resources to support these new students.

Enter Laura, District 6420, and Usborne Books & More, who partnered to set up a book fair. The results? 2,000 books were purchased and delivered to Columbus Elementary School and St. Nicholas Cathedral School.

*Where there is pain, Rotary shares the agony.
*Where there is gain, Rotary shares the joy.
*Where there are achievers, Rotary shares the compliments.
*Where there are failures, Rotary shares success supplements.
*Where there are orphans, Rotary shares the family.
*Where there are elders, Rotary shares time.
*Where there is childhood, Rotary shares values of life.
*Where there is youth, Rotary shares the ladder of leadership.

*Where there are disabilities, Rotary shares ability.
*Where there are contingencies, Rotary shares might.
*Where there is poverty, Rotary shares ways to wealth.
*Where there is nothing, Rotary shares something.
*Where there is everything,
Rotary sources it and shares it with those who have nothing.
