## Message from RI President- June 2023

### Not goodbye, but good work

Speaking to you through the pages of Rotary magazine this past year has brought me so much joy. I have especially enjoyed sharing the incredible stories of the wonderful people Nick and I have met on the Imagine Impact Tour.

1) At the Global Citizen Festival in New York City, RI President Jennifer Jones announces that Rotary will commit an additional \$150 million to the Global Polio Eradication Initiative.

2) Visiting Zambia in August, Jones talks with health workers participating in Partners for a Malaria-Free Zambia, the recipient of Rotary's first Programs of Scale grant.

3) Jones stands shoulder-to-shoulder with Lucky Johana Mishel Chutá Simón, a student she met during a tour of the Guatemala Literacy Project.

4) In July, at a stop on her Imagine Rotary Canada Tour, Jones hugs a stuffed grizzly bear wearing the red serge tunic of the Royal Canadian Mounted Police.

5) Jones and actor Sibongile Mlambo (centre) have fun at a soccer game at the Nakivale refugee settlement in Uganda.

From Patzún in the mountainous western highlands of Guatemala to a small village outside of Lusaka, Zambia, we have been greeted by countless people who imagine and work toward a better world.

We were inspired by teachers who imagine a better education for girls and boys facing gender-based violence, by Rotaractors in a refugee settlement who created a flour mill to provide for their families in a critical food shortage, and by brave polio workers who push tirelessly to reach every last child.

6) Accompanied (at right) by her husband, Nick Krayacich, and Judith Diment, dean of the Rotary Representative Network, Jones greets King Charles III in London on Commonwealth Day.

7) During an Imagine Impact Tour stop in Taiwan, Jones and her husband enjoy a quiet moment while seated in a cabbage patch.

8) Jones with her brother, Darren, whose painting Imagine One's Dream inspired her presidential tie and scarf.

9) Jones poses for a photo at a seminar in Texas for Rotary club presidents-elect.

10) Jones and Krayacich ride tall in the saddle at the annual Calgary Stampede Parade in Alberta.

All of us have imagined Rotary this year. This means looking past what we are today and reaching for what we could be tomorrow. We imagine a Rotary that will continue to tell our stories in impactful ways, work to reduce our carbon footprint, and focus on diversity, equity, and inclusion efforts that lift every voice in our organisation and beyond.

Nick and I want to thank all of you for the moments we've shared and for your efforts to Imagine Rotary. And now, we look forward to continuing these efforts as we Create Hope in the World. It has been an honour and a privilege to serve with each of you.

## Message from TRF Trustee Chair- June 2023

June marks the end of one chapter and the beginning of another in Rotary, a bittersweet time to reflect as we look ahead.

Looking back on this year, The Rotary Foundation accomplished a great deal. We renewed our determination to fight polio to the end. Rotary and its partners in the Global Polio Eradication Initiative are implementing a strategy to stop the transmission of all wild poliovirus in the endemic countries of Pakistan and Afghanistan and the circulation of vaccine-derived poliovirus in outbreak countries. Last October, Rotary, the Bill & Melinda Gates Foundation, and the global community collectively pledged \$2.6 billion toward this plan.

We know what it takes to eradicate polio, and we have the strategies to do it. I urge all clubs to continue to take action in this historic effort by raising awareness and funds, especially around World Polio Day in October. Also, consider joining or starting a PolioPlus Society in your club or district to collectively give a set amount each year until polio is eradicated.

Our Foundation also responded to the devastating earthquake that hit Syria and Turkey through disaster response grants that helped clubs and districts provide aid.

The Foundation continued to grow. Rotaract clubs began volunteering on and applying for Foundation grants on their own. And our next Rotary Peace Center, made possible by a gift from the Otto and Fran Walter Foundation, will be located at Bahçeşehir University in Istanbul.

To all who supported The Rotary Foundation by volunteering on grant projects or through giving, I thank you. If you haven't yet made your gift to the Foundation, please do so online by 30 June so we can end this remarkable year on a high note and reach our goal of raising \$430 million.

We can be proud of what we have done this year, but let us never rest on our laurels; rather, let us remain persistent. One of those who best personified persistence was Nelson Mandela. Speaking to a crowd of global dignitaries before his 90th birthday in 2008, he said, "It is in your hands to make of our world a better one for all, especially the poor, vulnerable, and marginalised." Changing the world is indeed in no one else's hands but our own, and helping those in need is what defines and will continue to define Rotary and its Foundation in the years ahead.

I wish incoming Trustee chair Barry Rassin, the trustees, and our staff continued success in making a difference through The Rotary Foundation.
