Healthy eating is essential for a child's good health, growth and development. Healthy eating in childhood means they will have less chance of developing chronic diseases like heart disease, type 2 diabetes, obesity and some cancers. It will also mean they feel better and enjoy life more. Healthy kids lead to a Healthysociety.

Keeping this in mind, our members every Saturday sponsor nutritious food to the kids at Pal anganwadi.

20th February, Saturday – Pal Anganwadi was sponsored by Mrs. Kajal and Mr. Mehul Jani. Mrs. Kajal along with her parents Surekhaben and Pradeepbhai Desai, kids Dhriti and Laksha - distributed healthy snacks, flavoured milk and fruits to the kids. They have also donated 50 stainless steel glasses for these kids to the aanganwadi. Rtn. Purnimaben Gandhi, Rtn. Jagrutiben Gandhi, Rtn. Dr. Neeta Gandhi has coordinated the project.
