Eye Check up and Ayurvedic medical camp at Mokhmal Village, Taluka Subir, District Dang - Rtn PP Kamal Gandhi

The basic tenets of Rotary are two - Fellowship and Community Service.

Medical camps serve both the purpose wherein members get together to volunteer for serving the deprived and far flung communities of the society.

Hence a medical camp was organised at Village Mokhmal in coordination with five organisations Rotary Club of Surat, Prizma Eyecare Hopital, Raj Jariwala Foundation, Cardiac department of Mahavir Hospital and Government Aurvedic Clinic Bardipada, Dang.

Doctors and technicians from Prizma Eyecare screened 225 patients which included school children and male and female adults of village Mokhmal. A total of 23 adults were diagnosed for cataract, surgery for which will be planned shortly.

40 patients having myopia or short sighted were assisted with spectacles.

The Aurvedic team provided medicines to those suffering from minor illnesses like skin disorder, cold and cough and general debilities.

The cardiac doctor screened 7 patients who needed further investigation such as ECG and 2D ECHO. Follow up for the same will be done through Raj Foundation.

Members who volunteered were President Tejas Gandhi, & Neetaben, Hon. Secretary Kundan Shah & Daxaben, PDG Hiteshbhai & Bhishmaben Jariwala, Dipakbhai Gandhi, Kamalbhai & Jagruti Gandhi.

The experience for all the members was par excellence and a sense of doing something fulfilling to the mind and soul.

A simple and hearty lunch added to the experience.

Interacting with the school children and some locals of the village brought realisation of the difficulties of remote areas of the country as well as their simple ways of life and the absence of urban influence.

A day well spent for a good purpose.
