Fun Quiz:

- The Most Awaited Quiz Game Show by Modi Family is here!!!
- FUN QUIZ!!! – Played by all. Prizes for everybody.
- Quiz is a sport which is played by asking questions and scoring points by answering them correctly. It's a mind game, a knowledge test, played between individuals or teams and provides entertainment along-with knowledge.
- FUN QUIZ is a game which has different rounds like Television, Bollywood, Sports, Politics, etc. and comprises of questions of different genres which surely interests all the age groups and all the members of RCRG.
- Our founder member and Past President Late Rtn. Rajen Modi, popularly known as Mama, conceptualized quizzing in an audio-visual game which brings fun, excitement and knowledge in an interesting way. His idea of framing questions from different genres, in sound and visual components in interactive manner, was brilliant and serves enjoyment along-with information.
- Rtn. Apoorva Modi, son of Rtn. Rajen Modi, has materialized the concept into sheer entertainment by compilation; editing and graphical designing in such a way that quizzing has been transformed into audio-visual gaming treat. Rtn. Apoorva was also the founder president of our child club, Rotaract Club Rajkot Greater.
