AG Visit Review:

A well-organized, well-disciplined AG Visit Meeting. All the board members of RCRG gave a brief description of the activities of the club that are done by them till now. It was highly informative not only for AG, but for the members of the club as well. The hard work done towards two star projects of the year – Pragyanaam where Rtn. Ishita Chhotai, Rtn. Rajen Shah & team did a wonderful work and also E-rickshaw project in which Ann. Purvi Lakhani, Ann. Sheetal Patel & team did an excellent work, were highly praised by all. Our AG Rtn. Kalpit Sanghvi also was impressed and satisfied by RCRG activities. All in all, such meetings are - a must to attend meet, for every RCRG family member.
