## PRESIDENT MESSAGE

Dear fellow Rotarians,

Bringing you the details of projects done back to back during the Month of September by RC Valsad. It was a high action packed month starting with the Teachers Talent Search, where teachers enjoyed, showcased their talents and won prizes! RCV gave Nation Builder Awards to 63 Teachers from 20 different Government Schools. These awards are recognised through proper survey involving more than 2000 students who selected a teacher who changed their vision in life. The awards were given from the Rotary India Literacy Mission. It was a great achievement for us that we could recognise such worthy Nation Builders. It was a day celebrated for the Teachers and they were extremely happy with us for celebrating their day in such a big way.

Rotary cares for Maternal & Child Health and continuing with our HUMF project of every month we gave Nutritional Kits and Vitamin Syrups to the Pregnant ladies and malnourished kids at our adopted village of Vejalpore. We give them counselling and emotional support and it might be helping them somewhere to take care of themselves, we guide them for proper check ups at the hospitals and consulting the doctors at relevant hospitals. This work also makes us realise the importance of humanity & teaches us that every human being on this Earth should be compassionate to each other. RC Valsad was part of Mega Blood Donation Camp with Akhil Bhartiya Terapanth Parishad on the 17<sup>th</sup> September, to celebrate the Birthday of our beloved Prime Minister. We also joined for giving household kits to the newly constructed homes under the Prime Minister's Avas Yojna. We were recognised by the Nagar Palika of Valsad for this help from our end.

RCV always supports and promotes Sports in the youth, this time Rotary Valsad was one of the sponsor in the State Level Table Tennis Tournament and we also organised Open Chess Tournament and gave away trophies and prizes to motivate the participants.

We are so glad our Rotary family is growing and we Welcome our 13 new members to the family of Rotary Club of Valsad. The Club looks bigger & better with the stars added to it. We seek their expertise and look forward to working together.

Rotary Club of Valsad is rocking on the Public Image front and yes we were recognised as the Number 1 Club in the Rotary District 3060 for the month of September. We had organised Pre Navratri celebration and the Navratri too with The Rising Charitable Trust. It was a mega mega event for us and we really cherish the enjoyment people had in playing garba and winning prizes. Our Team is working selflessly and we are able to organise one mega event after another so successfully! Rotaract club of Valsad is always working hand in hand with us for almost most of our projects. It is always a joint performance by us! We also placed Concrete Benches with the Rotary logo at the recreation area in the Railway Colony area of Valsad. These small deeds done through us might make difference to someone, we work with this motive.

Rotary Club of Valsad felicitated incoming leader DGE Nihir Dave and Vaishali Dave and the New Members Induction was done by them. We are thankful to them for gracing the occasion. We also celebrated Physiotherapy Day with them at our Rotary Physio Centre.

Our Rotary Physio Center is working so passionately with able doctors and our dedicated team of Rotarians. This is the real humanitarian work being done for the society. We really wish to reach greater heights in this sector.

Club Members are working round the clock, everyone is putting their sincere efforts and there are no words from me to thank them for working so diligently for Rotary. I am indebted for lifetime to them for starting this year of Imagine Rotary with full bang on!

October month is the one for Economic Development of the Community, we are working hard and lets see how many of our dreams are fulfilled this time too!

Thank you to team Milestone for the exemplary editions each month!!

Regards,  
Swati Shah.

## FROM THE EDITORS...

The boat is riding full steam ahead, RC Valsad is doing wonderful work in every field to help the society. Every day we are trying to make a difference in someone's life in some small way or the other, with a vision to bring smile on their faces. Health, Saving Nature, Sports, Literacy and not to miss Navratri fun trying to touch every avenue of service. The results are written in bold letters for everyone to read and realize the how small steps are the start of a long and fruitful journey. Without appearing to instruct we should in most natural way be able to act as guides.

Thanks!  
Team Milestone -  
Rtn. Akshay Vakil, Rtn. Bhavin Shah, Rtn. Chirag Desai, Rtn. Nirali Gajjar & Rtn. Sunil Jain.

## Felicitation of DGE Nihir & Vaishali Dave

Rotary Club of Valsad felicitated DGE Nihir Dave on 9/09/2022. Members are the lifeline of a healthy club, RC Valsad inducted Thirteen new members on the day. DGE Nihir Dave inducted the new members in the folds of the club. Rotary Club of Valsad welcomes all the new members into the Rotary family.

Rotary Club of Valsad cordially invites you to the felicitation of  
**DGE Nihir & Vaishali Dave**  
 and  
**Induction of New Members.**

Date: 8-9-2022 (Thursday)  
 Time: 7:30 pm onwards  
 Place: Rotary Hall, Valsad.  
 The function will be followed by dinner.

Invicee:  
 Rtn. Swati Shah | Rtn. Nirali Gajjar  
 President | Hon. Secretary

## Physiotherapy Day Celebration

RC Valsad celebrated World Physiotherapy Day, in the presence of District Governor Elect Nihir Dave at Rotary Physiotherapy Center. The 3 doctors- Dr. Miral Patel, Dr. Veena Topiwala, Dr. Pratibha Gariyasiya for their services at the center, were honored & recognized with a token of love for the excellent service being given by them. Some patients had also come on the day & gave their review about the quality of treatment being provided at the Rotary Physiotherapy Center. The patients also applauded the keen interest being taken by the 3 Rotarians Akshay Vakil, Ashutosh Desai and Tushar Desai in very smooth running of the center.

## Speaker Meet - Chronicles of Zanskar Valley

A renowned wildlife & nature photographer Mr. Saurabh Desai from Surat talked about his solo trip to Zanskar valley, wherein he showed the whole journey in the form of pictures he clicked. It was a realistic presentation that carried away everyone in the audience to that place while seeing the pictures.

## District Seminar - Abhivridhishree

RC Valsad attended the cluster 10 seminar of Membership, Public Image and Literacy - Abhivridhishree hosted by Rotary Club of Sarigam. It was a good opportunity for the club to give a presentation in each arena.

# PROJECTS FOR THE MONTH OF SEPTEMBER 2022

## Teachers' Talent Search - Season 5

Rotary Club of Valsad in continuation of its mega event on Teachers day organized Rotary Teachers Talent Search Season 5 at Morarji Desai Auditorium. More than 350 teachers from Valsad district participated in this daylong event. Teachers very enthusiastically came with good preparation & performed in Elocution, Solo Singing, General Quiz, On the Spot Story Telling, Antakshari, Solo Dance, Group Dance competitions. It was a fun filled day, everyone was mesmerized by the performances by the teachers. District Literacy Chair Nilesh Shah & Assistant Governor Siddharth Mehta graced the event. Project Chairs - IPP Dipesh Shah, Rtn. Manoj Jain and Rtn. Hitesh Patel worked very hard with the support of their team and made the event a grand success.

## HUMF

With its vision for a healthy mother & child, RC Valsad in continuation of its regular monthly project of HUMF, distributed nutritious food kits to 25 pregnant ladies at Vejalpore village. The kits were sponsored by Rtn. Devangi Desai. Multi vitamin and calcium syrup sponsored by Rtn. Manish Bharucha were also given to the ladies as health supplements. Project Chair - Rtn. Dr. Shalaija Mufti.

## Project KHUSHI

Under the Khushi program, an e-launch was made to the beneficiaries of Pradhan Mantri Shehri Awas Yojana by Prime Minister Shri Narendra Modi from Ambaji at 5 pm. RC Valsad played the role of a partner to fully prepare 20 houses for the beneficiaries to enter the house. Under Pradhan Mantri Shahri Awas Yojana's Home Entry Program, 20 beneficiaries at Mograwadi were given accommodation under the launch program & preparations were started from 9:30 am on September 30, so that the launch program could take place at the scheduled time. Dipa Panwala, president of Rotaract Club of Valsad, prepared for Asopalav toran at the main gate of each residence, decorated it with flowers, and prepared with Tulsi kyara on this occasion.

Arrangements were made to decorate each abode involved in the launch project with lighting and a set of casseroles to keep the food warm was distributed by Hiteshbhai Patel. Kitchen utensils and one pair of clothes were given by PDG Anish Shah. Arrangements were made for women to enter the residence of the beneficiary carrying a puja thali and a water pitcher. President Swati Shah, Secretary Nirali Gajjar, PDG Anish Shah, Past President Hitesh Patel and Ajay Tolani were present on the occasion of the launch event.

## IMPORTANCE OF LITERACY, IN ROTARY TOO!

Officially the month of September is declared as "Literacy Month" by RI and in this month clubs are expected to include related projects and programs. You must have noticed that we did some of the most innovative projects this month.

Teachers Training programs, Teachers' Talent Search, form an important part of the program. "Back to School" was highly appreciated project in which we could pay fees of students who had to drop of school out due to financial constraints, thanks to many philanthropic Rotarians in the club. It was possible!

Literacy meets were held at different places in our district this month to discuss how Rotarians can help to reduce illiteracy rate in our country. Much of our future depends upon how we tackle this demon. In India, a person aged seven and above who can read and write with understanding in any language is consider a literate. A person who can only read but is unable to write is not considered a literate. Literacy reflects the socio - growth and cultural set up of a nation, ethnic group or community. Literacy is essential not only to eradicate poverty, but also for your mental wellbeing in cultivating peace and friendly relations with the world.

If population is illiterate, it will resist new ideas and innovation, there by slowing down growth. It takes away from a person her dignity & pride. It perpetuates ignorance, poverty. The lack of basic education leads to corruption, exploitation and human rights violation.

Usually it is observed that country with high birth rates have high portion of illiterate population.

According to 2011 survey 72% male and 60% of female population was literate. Hopefully by now it must have gone up! Low literacy rate has had a negative impact on family planning efforts. Proliferation of computer will help reach literacy to many distant villages. However the Government's records in this area have been pathetic. Private sector has taken advantage of this condition and charge exorbitant fees under the pretext of quality education. Rotary aims to put an end to this exploitation.

## MY ROTARY EXPERIENCE

My father is a Rotarian for more than a decade and a half. During my college days he insisted that I join Rotaract which is an offshoot of Rotary and works on the same line as does the parent organisation albeit on a smaller scale. I always wanted to join Rotary and my wish was granted when i became a Rotarian in the year 2019. I am a second generation Rotarian and proud of it!

Amalgamation with Rotary culture was easy since I knew many of its members through joint projects we do which is a common practice. That is the reason Rotaract is recognised as "partners in progress"!

During my three years with Rotary, the most important benefit I could see was the opportunity of making new friends at personal and the professional level. I was amazed at the comradely displayed by members to serve Rotary's cause and serve society through its various programs. Rotary offers ample opportunities and level playing field to those who are willing to sweat out and take responsibilities.

The projects which caught my fancy amongst many good ones were "Back to School" for the students who had to drop out of schools due to financial constraints. By the donations provided by the Rotarians, they would be completing their schooling. Blood Donation drive for the needy is another important project where members participate with other social organizations to provide relief to the poor and needy. Tree Plantation projects which extends throughout the year has long term impact on our environment. This project is a continuous process. Then there are sports events at the club and district level which brings out individual talents to fore!

New members who just joined this year would be well advised to participate in any projects of their liking and even lead some, to exhibit their leadership quality and organising skills. You will not enjoy Rotary sitting on the fence! Get involved and strengthen the organisation.

Regards,  
Rtn. Tarang Shah
