Dear Fellow Rotarians...

We are in the 3rd month of the current year. During the 2nd Month i.e. August 2021, We had wonderful activities done. Everyone is trying their best to follow the Government Protocols set to minimize COVID-19. We hope that very soon - the whole world becomes COVID FREE and we all can enjoy the freedom which we used to have. I request the members to contribute their self written articles or experiences of Rotary Life so our Monthly Bulletin becomes more meaningful.
