

Dear RBMites...

Welcome the New Financial Year 2023-2024. I hope everyone would have achieved their set goals in the past 2022-2023 year. If you have achieved what you wanted.. Cherish and Celebrate!. If you faced Challenges in achieving it, its time to self-introspect! Set New Goals with a holistic approach. To be successful.. we need to have to consider all the aspects of Life – Like Family, Physical Health, Financial Health, Emotional well being & Social service! We are in the last quarter of our Rotary year 2022-2023 and for this year.. and we should think of contribution to the society! We get income tax benefit for saving and lets do it for the society!
