

Dear RBMites...

New financial year 2023-2024 has started and I hope everyone has planned their year. Now our Rotary Year 2022-2023 is coming to an end... The New Rotary year will begin from 1st July 2023, so now we are only left with 2 Months!! Think what is remaining to be done! Any small short project thoughts are welcome! Introduce New members to our meetings, so they can feel Rotary and decide to become the member in the New Year! If each one of us, makes efforts to Bring One member - I am sure, they will happily join our club. Be on the look-out for any one who wants to donate money, with their expectations of social service, we can decide the Project accordingly. Looking forward for your whole hearted co-operation!
