President Message

Rtn. Jignesh Patel

Respected and Dear Rotary Friends, I am thrilled to take over as the President of a very vibrant and prestigious club among the 113 Clubs of Rotary Dist. 3060, A club which has been led by so many great leaders and luminaries. When one takes the responsibility to lead such a vibrant club then one does become a little bit nervous, but at the same time, feel energetic and confident as club president. As you have a team of great and experienced leaders who are always ready to support. Since 1977, Rotary club of Ankleshwar has been religiously working for the economical, social, educational, Vocational & Medical health development of the people of in & around Ankleshwar.

Rotary Ankleshwar always does need based projects and fulfilling the rotary motto of "Service above self". Friends, this year our own Rotary International President Shekhar Mehta from India has come up with very meaningful theme to "Serve to Change Lives" and our club is known to be a Change maker Club, with our permanent projects like Shantidham, SRICT, Women Empowerment Centre, Blood Bank, Eye Bank and many more projects that are continuously serving society. I Promise & commit to continue this journey by doing meaningful service projects.

RI President Shekhar Mehta has given us Mantra for Membership growth "Each one Bring One" and "Do More Grow More". The Biggest gifts that Rotary has given is the Power to touch a life, to change, to make a difference in circle of life. If we can reach out with our hands, heart & soul, the magic will begin to happen as the wheel begins to roll..... Let's turn the wheel together so all humanity thrives, "we have the power and the magic to serve to change lives."

I congratulate IPP Rajesh Nahata and his Team for Tremendous & Fabulous work done in the rotary year 20-21. They created a new milestone in all the avenue of Rotary. I am also very grateful to PDG Ashok Panajwani and all our Past Presidents, who are actually the Permanent Pillars of our beloved RCA and with their never ending hard work, dedication we have achieved enormous success & Public Image. Friends, I cannot conclude without acknowledging the affection, support, bestowed upon me and my Change maker team by all fellow Rotarians of Rotary club of Ankleshwar, which will encourage us to do our best and keep the flag of this vibrant club high.

Regards

Jignesh Patel (President 2021-22)

Immediate Past President Message

Friends,

This was a challenging year for all of us (1st wave, 2nd wave & now probably may 3rd wave of Covid). I pray for all of you to be safe from this pandemic. As I said this was a challenging year for all of us, despite of such challenges we could do a bit for the community. HUM NE JITNA SOCHA USSE AADHA BHI NAHI KAR PAYE, PHIR BHI HUMNE HAMARA BEST DIYA.

Friends,

Our DG Prashant Bhai motivated us from the day one, that Presidents, it is a challenging year for all of you but you have to come out from the shell and serve the Community.

Memorizing this mantra, we have tried hard to serve the Society.

During the year in terms of foundation:

We are number one in the Rotary Distt 3060 for contributing to Rotary Foundation. Not only in terms of total giving but in the annual fund. Except in the year when Sri Panjwani Sir was DG, we are the highest contributor from RCA for contributing to Foundation in any of the year since its charter. Friends, 7 Major Donors, this Year, we have felicitated 6 Major donors and today we are felicitating our 7th Major Donor, our PP Ishwar Bhai Sajjan, a great commitment from him, six on the last ball. We have applied for one Global Grant and two Distt Grant

On membership:

We have added highest members in the club in the history of RCA and became the largest club in the Distt. 3060 during the Year in terms of membership.

During the year we started a new Satellite club and Rotaract Club.

100 % retention at the beginning of the year and 100 % participation in the Distt. Conference. We have taken maximum of Prahit (perfume for fund raising under Distt Scheme)

During the year we did 7 permanent projects which our Secretary Ashwin will brief you in his report.

Service Project:

Again, highest by our Club in any of the year and number 2 in the Distt 3060, Ashwin will say more in his report. Our main focus during the year was only and only Covid related work & activities.

In the last friend I thanks whole heartly to my DG Pashant Bhai, Hetaji & AG Chirag bhai for supporting and motivating me throughout the year. He must be one of few DG who have visited our Club more than 10-12 times on our request & he was involved in most of our Projects.

My special thnx to Sri Panjwaniji & Meeraji who have always advised and supported me in a positive way. His important thing is that he always remembers one mantra "support to the President", Whatever his dreams are.

My thnx to PP Manish Bhai for supporting and advising throughout the year. Thnx to PP Ishwar Sajjan who have supported me in all the fields of Rotary whether it is foundation, membership, new clubs or whatever.

Thnx to PP Hiten Bhai for helping us whenever we needed, thnx to PP Narendra bhai (operation, prathna for him) specially for Vaccination Centers, PP Maneji for our Permanent Project, PP Lala Bhai for Swaman Store, President Jignesh, President Elect Arpan, Rtn Doli Ben....Rtn Gajendra Bhai...Rtn Geeta Srivatsanji....Rtn Sunil Nadkarni....PP Jinendra Kothari, Rtn Late Mahaveer Chopra....PP Mukesh Mehta, Rtn Sunil Sharda, Rtn Sharad Bhai, Rtn Mahesh Mistri, Rtn Sunil Neve, Rtn Satish Mishtri....Rtn Vipin Kumar, Rtn Ghanshyam Gajera, all these my friends who were with me whenever I required any help. Please forgive me if I have missed any of the name.

Friends my special thanks to Rtn Shivani Shah who was with me in all the activities throughout the year.

Thanks to Ashwin Bhai for being with me like a shadow & doing extra bit on a single phone call. Secretary ka aisakam h jo dikhtanahin h per sabsejyadyakamvahikatrta h aur President kenam ka jhandalekeghumta h. Thnx to all my Board members for working & supporting me in all my Projects and letting me accomplish my vision as a President

Thnx to KLJ management & its team, specially to our MD Shri Pushpji, who have not only permitted me to be the President but also helped us throughout the year in Projects, specially for Mobile Blood Van.

Last but not the least, thanks to my better half and my family for supporting me.

In the last I wish to President Jignesh, Secretary Hetal and his team for a fantastic year. Our team will always support you, President.
