SPEAKER MEETING "

Last Tuesday our own PP Rtn Hareshbhai Desai was the Speaker and he spoke on a very innovative subject i.e. 'COMMERCIAL LOGOS AND THEIR HIDDEN MEANINGS' and Hareshbhai was at his best. We have seen LOGOS of different companies but never knew the hard work and deep meaning the company wants to convey. He gave examples of TWITTER, PEPSI, FACEBOOK, STARBUCKS, MACDONALD, HUNDAI, BMW, ADIDAS, PUMA LACOSTE. TACO BELL AND SO ON...

The subject was very catchy and Roundtowners were all ears to listen with a huge strength. Thank you Hareshbhai for the enlightening presentation.

Just a read

A Satire on Management Consultancy

There was a shepherd looking after his sheep on the side of a deserted road.

Suddenly a brand new Porsche screeches to a halt.

The driver,

a man dressed in an Armani suit,

Cerutti shoes,

Ray-Ban sunglasses,

TAG-Heuer wrist watch,

& a Pierre Cardin tie

gets out and asks the shepherd,

'If I can tell you how many sheep you have, will you give me one of them?'

The shepherd looks at

the young man,

then looks at the large flock of grazing sheep and replies,

'Okay.'

The young man parks the car,

connects his laptop to the mobile-fax,

enters a NASA Website,

scans the ground using his GPS,

opens a database and 60 Excel tables filled with algorithms and pivot tables.

He then prints out a 150-page report on his high-tech

mini-printer,

turns to the shepherd and says,

"You have exactly 1,586 sheep.'

The shepherd cheers,

"That's correct,

you can have your choicest sheep from the herd".

'The young man takes one of the animals which he likes most and cute from the flock and puts it in the back of his Porsche.

The shepherd looks at him and asks,

'If I guess your profession,

will you return my animal to me?'

The young man laughed and answers,

'Yes, why not?'

The shepherd says,

'You are a MANAGEMENT CONSULTANT.'

'How did you know?'

asks the young man.

'Very simple,'

answers the shepherd.

1. First,

you came here without being wanted.

2. Second,

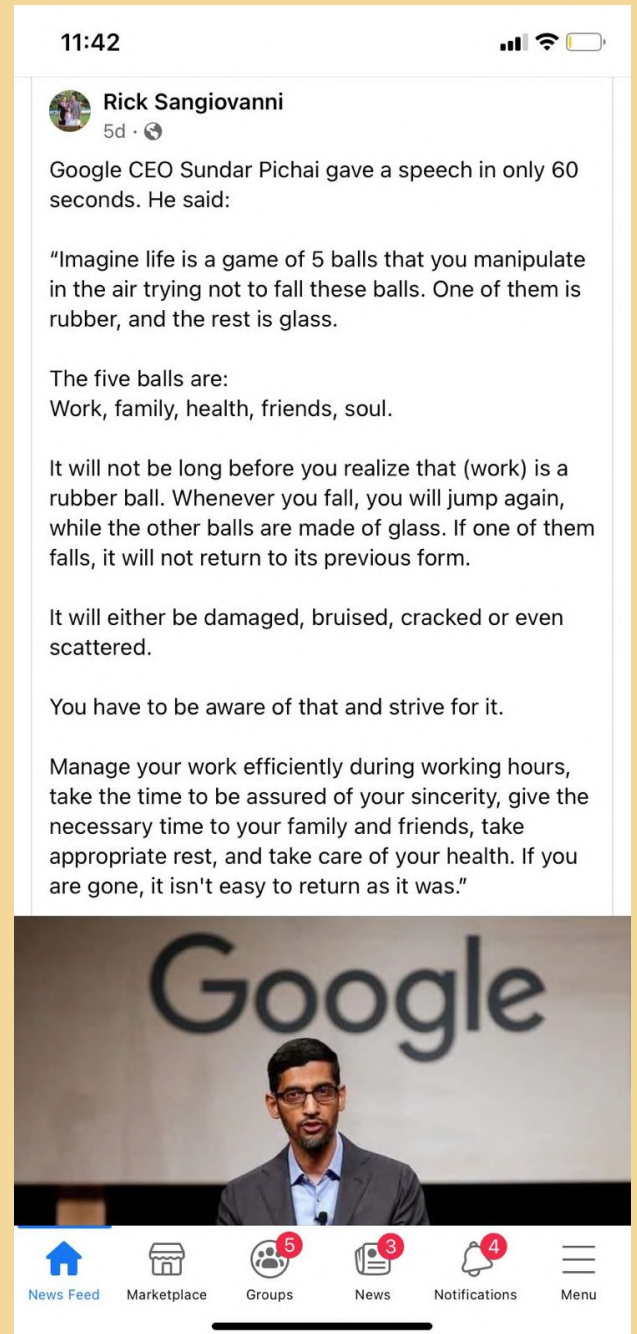

you charged me a fee to tell me something I already knew.

3. Third,

you don't understand anything about my business.

Now, *May I please have my DOG back? "*

Mark : Yes, you are Jaspal Singh, you have 237 friends out of which 37 are females and your wife doesn't know 12 of them. Last holiday you went to Thailand and there you . . .

Delhi guy : Leave it bro, it was my fault.

How to kill a LION (Banking Style)

1. *ICICI bank method*:

Hire a lion, give him full rest, pay him more than his expectations, never ask for anything in the first 2 months. After 2 months tell him that u have to achieve ur yearly target in 9 months, lion dies of fear that if he does not achieve this he will lose the jungle.

2. *HDFC Bank method*:

Hire a lion, give him a hell lot of work, pay him fat salary more than the industry. Restructure his job as per ur fancies every 6 months. If he kills 2 goats a day, next day give him a target of killing 20 elephants a day while knowing that there are only 10 elephants available. Lion dies of exhaustion and overkill.

3. *AXIS bank method*:

Hire a lion and give him a post of a cat, than force the lion to meow like a cat. Give him lots of ESOPs and grass to eat. Lion will eventually die of hope and starvation.

4. *HSBC Bank method*:

Hire a lion and set a cut off time, give the lion spoon instead of knife and ask him to GB extract 60kg meat out of 40kg goat or else the lion will be forced to become a dog. Lion dies out of frustration and strain

5. *Standard Chartered Bank method*:

Hire a lion and give him a 3000 page circular on how to kill a goat. Amend the circular at least 3 times a week. Send the lion in the jungle to inspect how he can cancel the licence of fox, wolf or jackal who have violated the 3000 page circular. Lion dies of stagnation and boredom.

6. *Kotak Mahindra Bank Method*:

Hire a lion and give him 60kg of meat to eat everyday when he can eat only 30kg. Lion dies of overeating.

7. *CITI BANK Method*:

Recruit a lion, ask him to kill an elephant without any cut or blood from the body. Lion is forced to learn from ducks, rabbits and pigeons on how to kill dinosaurs. Lion is provided with 2 wolves to help in killing but with a condition that the wolves will not move or attack. Lion dies of confusion and paradoxes.

8. *Indusind Bank method*:

Indusind is out of race as they are still thinking as to what is a lion?

9. *SBI method*:

Hire a lion and show him the forest from far. Keep moving the forest full of opportunities so he keeps running. He never gives up coz there are many like him running. Finally he retires half way or dies in stampede.

10. *Nationalised Bank style* :

Hire a Lion, give him lowest possible salary and allowances. Start Three -Four campaigns at a single time. Give him unachievable targets. Dont give any subordinates. Change softwares suddenly. Take meetings and threaten him of transfer at remote branch. Lion dies cursing his bad luck !
