# **Down the Memory Lane of Rotary Club Of Surat Roundtown**

49 Years ago in July 1972 an interesting meeting was called by Rtn PP Jayntibai Dhamanwala and Rtn Ramesh Mehta, the then President of Rotary club of Surat, along with a few prospective members to form a new Rotary club in Surat. Rtn Dhamanwala, the Governor's special representative explained them the objects of Rotary.

40 people agreed to become a part of this new club.

The territory limits of the club was designed as the area between the old wall of Surat City and the new limits of Surat municipal corporation and so the name was selected as 'Rotary club of Surat Round town'. The club was sponsored by Rotary club of Surat.

On 8th September 1972 our club was admitted in Rotary international fold.

On 18th November the charter was presented by the then District Governor Rtn Thakorbhai Rana (Navsari) to Rtn Raojibhai Patel ,charter President of our club and Rtn Bharat Solanki as the charter Secretary in the presence of GSR PP Rtn Jayntibhai Dhamanwala and S.Sunder who was the Collector of Surat at Jeevan Bharti. Many renowned citizens of Surat and Rotarians from other Clubs were present at the function. 40 people from diverse businesses and professions joined the club as its Charter Members

Our initial Club meetings were held at Kinnari Theatre. It was great fun as one could watch a movie post meetings .

Dynamic speakers like Purshottam Mavlanker and PRID Soli Poweri were the guests at our installation meeting.

Our club bulletin 'The Round towner', was first published in 1974 and PP Dr Vinod shah was our first bulletin Editor.

The same year the first IYE student was sponsored by our club.

Inner wheel club of Surat Roundtown was started in 1973-74. Mrs Anarben Solanki was the charter president and Mrs Hansaben Sitwala, the Charter Secretary.

Our club hosted two District Conferences, one in 1984-85 when PDG Rtn Bharatbhai was District Governor with PP Lalitbhai Thakker as the Conference Chairman and PP Dhirajbhai Halvawala was club President. Second one was hosted in 2003-04 when PDG Rtn Kulbandhuji Sharma was the District Governor, Dr Vinod shah was the Conference Chairman and Rtn.Dr Sunil Oza was our club President.

Some of the photos of our first Installation meeting can be seen below. In the next bulletin the wonderful conferences of our two District Governers Rtn PDG Bharat Solanki and Rtn PDG Kulbandhu Sharma shall be covered.

#### Rotary Club ACTIVITIES:

It was the Silver Jubilee year of our club when Rtn Nilkant Desai became the President of our Club in the year 1997/98. It was also the Golden Jubilee year of Independent India. District Governor Rtn Dr. Manoj Desai's official club visit was on 14th August 1997. It was a day of grand Golden Jubilee celebration in the whole country. Surat City celebrated with lighting all over the city and crackers fired everywhere. Our OCV dress code was also unique, different from routine suit or blazer, and saree for ladies.

It was white Khadi Pajama and khadi Kurta with Gandhi Topi. Khadi ni Saree for ladies. DG Dr. Manoj Desai was not having this national dress, so that day, he borrowed it from Kulbandhuji.

First time in Rotary, our National dress was our dress code. After the meeting at 10 P.M, we had taken out a Procession with national flag upto Athwagate. DG appreciated the National Spirit of Members and enjoyed with all members.

After that, DG Dr Manojbhai had a night stay at Nilkantbhai's residence and next day morning SURTI LOCHO was served for the breakfast and he really enjoyed it with Tea. To the extent that, till date, he still remembers it and reiterates whenever Manojbhai and Sharmishtaben meets Nilkantbhai.

Being Silver Jubilee of the Club, a Souvenir was published with detailed History of each year of 25 years. This was inaugurated by the DG Manojbhai and he was very pleased and specially appreciated the efforts that was put in for the preparation.

Some of the projects of the year:

25 Artificial Limbs were given to the Physically Challenged and needy persons in the presence of DG, in Saroli Hospital.

Blood Donation: 103 bottles were collected.

A Picnic was arranged with overnight stay at Nilkantbhai's house in Abrama, a village in Valsad district. People still remember the fellowship, music and songs that were recited and enjoyed on the terrace in December cold night with Sigri fire place on terrace. 75 to 80 members stayed overnight and enjoyed the most. Next day morning, along with breakfast NIRO was served, unique in the winter season morning. Nilkantbhai's father had specially gone to the city and brought 2 cans of NIRO at 7 A.M. Then there was a UBADIYU party in the farm with Lasan ni Chhas. Seasonal fruits and fresh Sugarcane juice was also served. This picnic became very memorable. All the members enjoyed the most, specially the hospitality love and affectionate Aavkaar that was extended by Nilkantbhai's father and mother, to all the members.

Other Monthly projects were also done every month.

His Installation ceremony was also done in Holiday Inn. Chief guest was Ashwin Desai who was the Head of the Dept. of Comparative Literature, in Veer Narmad South Gujarat University.

One District event was organized in Holiday Inn during that year. It was a Membership Development seminar where DG Dr. Manojbhai, PRIP Shri Kalyanbhai and Binotaji had also attended.

# <u>Just a read</u>

What's your managerial style? The Krishna or The Rama?

Pls Read on.

In Hindu mythology there are two great epics. One is called Ramayan and other is called Mahabharata. The centre story of both these books is around victory of good on evil. In one story Ram leads his army to defeat Ravana in his land, While in the second Krishna oversees Pandavas defeat Kauravas in the battle at Kurushektra.

In Ramayan, Ram is the best warrior of his side.

He leads his army from the front. Strategizes & directs different people to do things which will meet the objectives. His people are happy to follow orders & want to get all the appreciation for being the best executors. Ram sets direction & also tells people what to do during difficult times.

Ultimately they won the war & the final outcome was achieved.

On the other hand Krishna told Arjuna, I won't fight the battle. I won't pick up any weapon; I would only be there on ur chariot as a charioteer. And he did what he said. He never picked up the weapon & he never fought.

Still, Pandavas won the war & final outcome was achieved.

So, what was different? It was their managerial style & it was also the type of people who were being lead. Ram was leading an army of 'MONKEYS' who were not skilled fighters & they were looking for direction. While on other hand,

Krishna was leading Arjuna who was one of the best archer of his time. While Ram's role was to show it & lead from the front,

Krishna played the role of a coach whose job was to remove cobwebs from his protégée's mind. Krishna couldn't teach Arjuna archery but he could definitely help him see things from a very different perspective.

Here are some of the basic differences in two styles:

Ram- A skilled warrior, lead monkeys, was emotional, gave precise roles & instructions, motivated the army to fight for his cause

Krishna: works with best the professionals, provides strategic clarity, allows team members to take lead, fights for the cause of the team, did not depict his true emotions

Look at ur team/family & reflect what type of leader/parent u are, One who keeps answering/solving problems for people/kids Or Who asks relevant questions from their people/kids so that they can find their own solution.

Are u someone who tells/directs all the time Or

Someone who clarifies doubts & allows their people/kids to find their own ways.

Are u someone who has monkeys in the team & the way u deal with it Or u have the brightest experts in their area getting stuck with issues?

Younger generation doesn't want you to tell or show how things are done, they want to know the meaning of their task and how it makes a difference in this world.

They are Arjuna's who don't necessarily seek more skill/knowledge but they need someone to clarify the cobwebs in their mind, if u still apply Ram's style on them, u are bound to fail as a manager.

On the other hand if there are people who aren't skilled enough but rely on ur expertise to sail u through Ram's style is appropriate.

Isn't it good for us to reflect & think what managerial style will bring the best result for u and ur team/family?

Is it Ram or Krishna?

The Managing Leader vs the Coaching Leader!

A farmer saw a plane full of politicians crash near his farm. When the police arrived, they asked the farmer what happened.

Farmer: They crashed near my farm and I buried all of

One of the police men asked with shock; "are you sure they were all dead"?

Farmer: Some of them were screaming, "we are still alive".

But I couldn't believe them. You know, these politicians.

They can lie.
