Installation Ceremony

On Sunday morning, 4th of July 2021, we had our new President Rtn. Dr. Bhavin Jariwala and his team's installation ceremony. It truly reflected the spirit of Rountowners. The meeting's arrangement was flawless and the environment was electric. This year, the theme was Women Empowerment and the entire meeting was so conducted.

We had two women jewels viz. our installing officer PP. Rtn. Mrs. Mona Sitwala and our chief guest Ms. Esha Dadawala.

The Meeting was piloted by two charming ladies namely PP. Rtn. Bina Parikh and Ann. Sakhi Chokhawala.

The introduction of the installing officer was done by Ann. Dr. Meena Shah and Ann. Chaula Gajiwala introduced our Chief Guest. Both were unsurpassed.

After the meeting was called to order by Sargent at arms Rtn Parag Chokhawala, the invocation of the FOUR WAY Test was done by Ann Unnati Shah and thereby President Rtn. Esmayeel Saherwala welcomed one and all.

He thanked everyone for the support throughout his year especially PDG. Rtn. Bharatbhai , PDG. Rtn. Kulbandhuji, PP. Rtn Biren Sitwala, PP Rtn Prashantbhai, PP Rtn Dipesh Parikh and PP Rtn Bina Parikh. He also thanked his entire team of board members and all the Rountowners for their support. Despite the torrid situation due to the ongoing pandemic , our club was able to carry out many projects and constructive meetings, which was appreciated in our Rotary District 3060.

President Rtn. Esmayeel than gave introduction of our incoming President Rtn Dr Bhavin Jariwala and then exchanged the collar and pin in the presence of our Installing officer PP. Rtn. Mona Sitwala. The newly installed President Rtn. Bhavin introduced his team and the New President read the resolution in appreciation of the outstanding work done by IPP Rtn Esmayeel Saherwala . President Rtn. Bhavin Jariwala in his acceptance speech was right on target. He was oozing with confidence and gave an idea about how he has planned this year and his expectations from his team and club members. Alongside the permanent projects of our club like Note book distribution to the underprivileged children, Mamta School Project, Gram Kalyan Project at Daman Falia and Computer Class Project, he is also planning to give solar lamps to tribal areas that lack access to electricity. We foresee many environment related projects this year. Like every year, the club members will be divided into four different groups namely EAST, WEST, NORTH, SOUTH which will be led by Ann. Sakhi Chokhawala ,Ann. Krupa Panwala, Ann.Unnati Desai and Ann. Keta Shah. Competitions will be organised to make the club more vibrant and active.

The speech given by the Installing Officer PP. Rtn. Monaben was indeed very inspiring. She mentioned the importance of planning and stressed on enjoying the work. She guided all the board members to their responsibilities and requested all the members to give their contribution to make the year a successful one. One cannot expect a better speech than what we had from Monaben as an installing officer.

Then we had an electrifying speech from our Chief Guest Ms. Esha Dadawala. She elaborated the importance of the right relationship between husband and wife that impressed everyone. No woman can be successful without the contribution of her husband and vice versa.

Rtn.Dr.Harshal Gandhi made the necessary secretarial announcement and Rtn. Nikul Dave in his novel style proposed the vote of thanks. The meeting was then adjourned by Sargent at Arms Rtn. Parag Chokhawala. The cherry on the top was the delicious food arrangement made by our Banquet Chairman PP. Rtn. Nilesh Bastawala.

It was a perfect meeting well attended by many neighbouring Club Presidents, Secretaries, Assistant Governor and District Secretary.

Presidential Banquet 29-06-2021 at Hotel Cumins

The last meeting of the rotary year is always full of emotions. A satisfaction of job well done against insurmountable odds, a sigh of relief, elation, sorrow that the days of sultan are over, the pain of missing the fellowship of rotary family, the loss of tribulations and accolades received in the year gone by.

Yet, everyone enjoys the last day of rotary year. The PRESIDENTIAL BANQUET is always an event to remember and recollect for the President. Esmayeel is no different. He was more eloquent, more sentimental- and naturally so, when he bid good bye to his presidentship last Tuesday. In brief, he narrated the events gone by, notably the global grant.

Considering the pandemic, and most of the events going virtual, Esmayeel did his best to keep Roundtown flag flying high. Thank you President, for keeping Roundtown family intact, morale high, and carrying out all duties with grace and dignity.

Girls just wanna have fun An All Ladies Nite Celebration

Editor's message

Dear All
 First of all I would like to thank the Club for bestowing me this year the editorship of "The Roundtown"- our weekly bulletin.
 I had been the editor of this most coveted club of District 3060 in the past. PP Rtn. Dr. Prashantbhai Desai, who was in charge of our bulletin since years has extraordinarily displayed his editorial skills.
 Friends, a club editor can be successful with the support of its members in making of the bulletin. Healthy reading is the key to good mental health so besides our regular meeting details and Rotary information, I am planning to dedicate space for health related tips. I shall also encompass the journey of each and every Rotarian member of our club in Rotary along with their family introduction.
 What's life without humour? Yes! You thought it right. I am allotting a humour section too.
 Greetings of birthdays and wedding anniversaries will have its way here. My efforts will be in making it a pleasurable read.
 Would like if suggestions are forwarded to me personally, so that we can make our bulletin more vibrant and informative.

PP.Rtn.Sanjay Gajiwala
