Just a read

In Denmark, there are libraries where you can borrow a person instead of a book to listen to their life story for 30 minutes. The goal is to fight against prejudice. Every person has a title: "unemployed", "refugee", "bipolar", etc. - but when you hear their story, you realize how much you shouldn't "judge a book by its cover". This innovative and brilliant project is active in over 50 countries. It's called "The Human Library".

Amazing concept 🖱️

વરસ મેઘ! તું વરસ -

વરસ મેઘ! તું વરસ, કહું છું, વરસી જાને....
આંખ માંડીએ... રિઝવીએ... પણ ધરે નહીં કાં કાને?
રેલા દડતાં જોઈ ડોશથી ગોર કહેશે: થેંક્યૂ...!
નહીં તો કહેશે ગામ કે: આણે તીર હવામાં ફેંક્યું
હશે ભરોસો... ભાખ્યું... ભોંઠપ થાશે ઈ ભોળાને...
વૈશાખે તો સમજ્યા કિન્તુ અષાઢમાં વંટોળ?
અવળે હાથે ક્યાં મૂકી છે વીજળીઓ, તું ખોળ
હમણાં રહો અલોપ: કહેજે, સૂર્ય-ચન્દ્ર-તારાને....
વરસી જા તો ખેતર-શેઢા દેશે સામો સાદ
ધરતી પર જે વળ્યા, હમેશાં તે જ મેળવે દાદ
શીતળ થાશે કણકણ, તારા નેહ-નીતરતાં ગાને.....
વરસ, મેઘ! તું વરસ, કહું છું, વરસી જાને...!

Janakidas Mehra.

We will remember him as the buffoonish villainous character actor in old movies. Who will always be coming in ' yeeow!! disgusting evil roles'. You will remember him as the seth Ghanshyam in the Rishi Kapoor starrer Khel Khel Mein, or Seth Janki Lal in Karishma Kudrat Kaa. Of course the ticket collector in the Burning Train and so on!!

Well he was the only Indian participant in the International Olympic Squad from British Imperial Empire in 1936 Olympic Games and in 1934 and 1942 he broke the world record for Cycling!!

In 1936 he won the cycling race by breaking yet another world record at Berlin Olympics Games but on finishing the race he unfurled the Mother India flag which the freedom fighters used to use. For this audacious act he was disqualified and not given his medal. Then in 1942 he went on to break the world record once again and he called it quits as a matter of protest for freedom from the British!! He was the pioneer who formed the Indian Cycling Federation!!

He died at the age of 93 years in Juhu Mumbai in 2003!! On 18 June!!

I wonder how many really know Jankidas Mehra!!

EVERYTHING HAS A REASON TO BE ☆☆☆

After the attacks of September 11, a company that had its offices at the World Trade Center invited its executives and employees who had for some reason survived the attack to share their experiences.

People were alive for the smallest reasons were small details like these:

- The director of a company was late because it was his son's first kindergarten day;
 - A woman was delayed because her alarm clock didn't ring in time;
- One was late because he was stuck on the road where there was an accident;
 - Another survivor missed the bus;
- Someone threw food on themselves and needed the time to change;
 - One had a problem with his car, which did not start;
 - Another one returned to answer the phone;
 - Another one had a baby!
 - Another didn't get a taxi.

- But the story that impressed the most was that of a man who put on a new pair of shoes that morning, and before he got to work he had a blister. He stopped at the pharmacy for a band aid and that's why he's alive today.

- Now when I get stuck in traffic;
 - when I lose an elevator;
 - when I return to answering a phone;
- And many other things that desperate me, I think first:

" This is the exact place you should be right now "...

- Next time your morning seems crazy, the kids take time to get dressed, don't find the car keys, find all the red lights...
 - don't get angry or frustrated.

YOU ARE IN THE RIGHT PLACE... AT THE EXACT TIME.

Just Enjoy
