

Health Camp in Indra Nagar, Adyar

A health camp was conducted by the club on 24th August 2014 at Muthumariamman Koil, Thirumanamandapam, Indra Nagar, Adyar.

The objective of the camp was to create awareness amongst the public and facilitate the local community to have a diagnostic and suggestive treatment for common ailments. In this connection, a medical team was organised at the camp site with the assistance of Montfort Community Development Services (MCDS), an NGO dedicated to the service of community. There was an active participation by our club members. Thiru Ashok, MLA, Velachery constituency, was the chief guest and Brother Patrick of MCDS presided over the event.

The medical team consisted of

1. Dr Arasu Mohan and his team of doctors for Diabetic screening
2. Dr S Sivakumar for screening of Dermatology
3. Doctors from Rajan Eye Care for eye testing
4. Dr P Krishnamurthy and Dr V Kanakaraj for general medicine

The camp saw an enthusiastic response from local community with 262 persons who were screened for various conditions including 80 for diabetic, 37 for dermatology, 70 for eye and 75 for general medicine.
