Rathayatra

Rotary Club of Calcutta North East has been joining hands with Inner Wheel Club of Calcutta North East and Sabitri, a school for differently-abled children to celebrate this occasion since 2015. The purpose is to create awareness in our society about the acceptance of these kids. A rath is taken out and it is pulled by the children, their parents, Rotarians, and Inner Wheel members along the streets of North Kolkata to cover a distance of approximately 3 km. Some prasad is distributed along the way, and Kolkata police constantly provide support during the yatra. At the end of the yatra, food packets are handed over to the kids. Their smiling faces are the rewards of this project. It also helps in enhancing the public image of Rotary.
