

# *Rotary Conduct's young Childrens Workshop*

The Rotary Club of Port Blair as part of its educational initiatives conducted Young Children's three day workshop for skill development named 'Think Magic'. In all 25 children participated and benefitted from the program. The workshop was facilitated by Mrs. Prerna Bali trained erehwon inc! facilitator, erehwon inc! is an establishment that has been enhancing intellectual property for the last fifteen years through targeted training modules which nourish thinking as a core competency of an individual.

Concepts were introduced through simple exercises and activities. Sufficient practice to hone the skills and demonstrate application were taken up. The sessions provided a plethora of experiences factoring in multiple intelligences and individual variances in learning styles. Motivation cards were used in the sessions to encourage greater involvement.

Children and their parents were very happy & impressed with the initiative and requested the club to organize more such programs. Rtn. Zakir Jadwet President, Rtn. Girish Arora , Secretary along with other members of the Rotary Club of Port Blair were present to oversee the successful conduct of the camp. Rotary Club of Port Blair has plans to conduct more such camps in future.
