## President's Desk

Dear Rotarians,

It is indeed very gratifying for me to take over the mantle of Presidentship of our Club. I thank each and every one of you for having placed your trust in me and will try my best to keep our club's flag flying high.

I have seen and gone through such wonderful experiences of making friends and eventually all turning out to be part of my lives; conducting, attending as well as enjoying projects and fellowships, serving to the various posts and many more. It has been an exciting rotary journey till now which has led me today at this stage. ! Let us all keep marching in the direction of service to the human kind - and God will open the doors of all the resources for us. The successful previous rotary year led by IPP Rtn Dr. Sudeep, Sec. Rtn. Dr. Aravind Kini and team has given us all a definite direction which we will accomplish with the ability , dedication of members and guidance of past leaders of our club .

As always, we are committed to do all the district projects and activities as well as club projects to fulfill to the best of our ability. This being a special year - which has begun with many unknown and hidden wonders for us; let's strive to get the maximum benefit by exploring new ideas , having innovative virtual gatherings and welcoming the new normal. The seven areas of focus of rotary which you all know : Environment,. Basic education and literacy, maternal and child health , disease prevention and treatment, water and sanitation, economic and community development- these have been our thrust areas for doing projects.

Innovative fellowships and various aspects of entertainment, philosophy, travel, and many other varied topics which will give a enriching experience to one and all. Rtn. Dr. Ashirvad my dearest club Secretary and team will be looking forward to your suggestions and inputs throughout the year for the betterment of the club.

Rtn. Srikanth Kamath served as president for the golden jubilee year and his team are excited to present the monthly bulletins henceforth and this being the first edition ; please overwhelm them with your support.

Looking forward to many opportunities year round, the support and blessings of you all; we shall adjust our sails to beat this untimely wind to reach our desired destinations; which is service to the society- SERVE TO CHANGE LIVES

Regards

Rtn. PHF J.W. Pinto

We Meet on Every Monday at 7:30 p.m.  
at Rotary Sammilana Hall, Moodubidire

Dear Friends,

We are in the middle of a pandemic which has pushed us to the wall. The life of people has become turbulent and derailed. Rotary can make a difference in the lives of people who are affected directly or indirectly by this pandemic. We can showcase the purpose of our existence by caring and serving others as it changes other's lives but also our own. A pessimist sees difficulty in every opportunity and an optimist sees opportunity in every difficulty. Let us all be optimists and do what best we can, to reflect the theme for this Rotary year – **Serve to change lives.**

I would like to congratulate the new team of office bearers led by Rtn. J W Pinto. He has plenty of plans for the club. I wish him all the success in the realisation of his intent. I am sure, he will enthuse all of us to face the challenges and move forward towards our goal.

Rtn. Dr. Sudeep has led us very efficiently and effectively in spite of lots of adversities. Though we could not meet physically often due to the restrictions, he has been able to motivate all of us and keep the club lively and active. Congratulations to Dr. Sudeep and your entire team for making it possible.

I am immensely happy to take this responsibility of editing our bulletin for this Rotary year. I thank the President and all the members for the opportunity and look forward to your support through out this Rotary year.

Yours in Rotary

**Rtn. Srikanth Kamath**
