**Dear Fellow Members,**

Greetings and thank you so much for your continued involvement in various club related activities in the month of January. I thank each and every Rotarian for your active participation in all activities.

## Editorial.....

ROTARI

Last month we lost two past members of our club – Basti Vaman Shenoy and Dr. Krishnamohan Prabhu. Basti Vaman Shenoy was the President of our club during 1985-86. It was under his initiative that public celebration of the Republic day was started by our club. Dr. Krishnamohan Prabhu was the secretary of our club during 2002-03. He was a very active Rotarian and his services in Rotary club are recognised in the society. May god give sadgathi to the departed souls and give strength to their family to bear with the great loss.

The month of February is very special in the Rotary calendar since it is designated world understanding month. The month also includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated world understanding and peace day.

Yours in Rotary
