## WEAR YOUR ROTARY PIN DAILY

Wear your Rotary pin daily.  
It's a way to show you care  
Take pride of place on your shirt lapel  
Ensure that it is always there.  
People will notice it and talk to you  
They'll ask you, "What does it mean?"  
An opportunity for you to talk  
And explain the Rotary dream.

It's a daily reminder of Rotary's values  
And the work which Rotary does.  
Of how Rotary has changed our precious world  
And the Four way test is great to discuss.  
It's a conversation starter, an Ice-breaker  
A way to make new friends.  
It will keep you focused on your public image  
Whilst Rotary in your life extends.

An opportunity to bring new members to join  
A creative way to catch their eye.  
You can wear it on casual, comfy clothes,  
Or your work attire, whatever you desire.  
Be recognised throughout this great big world  
Other Rotarians will notice you too.  
By wearing your Rotary pin each day,  
You'll be impressed with what it will do.

POEM BY DAVID TANARE
