## MESSAGE FROM THE PRESIDENT

*Dear Friends,*

August always gives us a sense of pride and patriotism as it's India's Independence month.

We took part in the Breast Feeding Awareness week and distributed kits to new mothers. The Kuilkuppam Village Project was inaugurated. We had our Speaker meeting where Actor Vikram Prabhu was awarded the Soorakottai Ilavarasan award. We celebrated the 76th Independence Day by distributing Note Books and Cash Prizes for the toppers, thanks to your incredible support. The Blood donation camp held at PSBB Millennium School, OMR was a super success having collected more than 100 units. The General, Eye & Dental Camp over 2 Saturdays for the students and staff of SKMMVV Thiruninravur went well.

- Above all, the Interact & Rotaract Installations at PSBB Millennium School, Gerugambakkam and Vivekananda College give us the confidence and HOPE as always, to keep the Rotary flag high. To supersede the already busy month, the Talk on Organ Donation by Distinguished Doctors at PSBB School, Siruseri gave the students an understanding and importance of it. Our regular Annadanams were organised seamlessly with all our members support in this month as well.

Finally, we got to know more about our new Rotarians and their families at our Green Rotarian Meet.

The mini Fundraiser which is the flagship ROTA Car Rally, is getting it's nuts and bolts tightened and ready to race for the upcoming month.

Overall, it's been an eventful month.

Thank you

Yours in Rotary  
**Rtn. Kavitha Shankar.**  
*President*

## ROTARY DESIGNATED MONTH

August is a Membership and a New club Development Month. Retention and engagement are the two sides of the membership coin.

Rotary clubs are known for the high-impact service projects they undertake locally and globally. We share stories about our service projects and how they improve lives, to invite friends and business associates to join Rotary. Rotary needs more willing hands, more inquisitive minds and more caring hearts to serve humanity.
