*In the annual Rotary calendar several months are designated to emphasize major programmes of Rotary International.**January is Rotary Awareness Month. This is a time to expand knowledge of Rotary and its activities among our membership and throughout the community.**February is designated as World Understanding Month. This month was chosen because it includes the birthday of Rotary International, February 23. During the month, Rotary clubs are urged to present programs which promote international understanding and goodwill, as well as launch World Community Service projects in other parts of the world.**World Rotaract Week is the week in which March 13 falls. It's a time when Rotary clubs and districts highlight Rotaract by joining in projects with their Rotaract clubs.**April is set aside as Rotary's Magazine Month. Throughout the month, clubs arrange programs and activities which promote the reading and use of THE ROTARIAN magazine and the official regional magazines of Rotary.**August is Membership and Extension Month, a time to focus on Rotary's continuing need for growth, to seek new members and form new clubs.**September is Youth Activities Month. Rotary clubs of the world give special emphasis to the many Rotary-sponsored programs which serve children and young people. During this month many clubs give increased attention to youth exchange activities.**October is Vocational Service Month. During this period, clubs highlight the importance of the business and professional life of each Rotarian. Special activities promote the vocational avenue of service.**November is selected to be Rotary Foundation Month. Clubs and districts call attention to the programs of The Rotary Foundation and frequently cultivate additional financial support for the Foundation by promoting contributions for Paul Harris Fellows and Sustaining Members.**Each of these special months serves to elevate the awareness among Rotarians of some of the excellent programs of service which occur within the world of Rotary.*
