SHAKESPEARE SAID.

NEW FRIENDS MAY BE POEMS,
BUT OLD FRIENDS ARE ALPHABETS.
DO NOT FORGET THE ALPHABETS,
BECAUSE YOU WILL NEED THEM
TO READ THE POEMS.

After checking my heart & pulse, The doctor smiled and said: Go sit and enjoy with your classmates and old friends, They are the cure for all your ailments and worries... Stay in touch with your friends... Because they are such healers, Who can cure you with their sweet and abusive talks.. They don't make you feel your age, These classmates and old friends... They never let you get old and are always by your side to walk... Children will ask for WILL, Relatives will ask for BILL, Only your classmates and old friends, Under whatever circumstances, Will ask you to "JUST Chill"

BEFORE YOU SLEEP

Leave guilt on the floor
by your slippers and robe
your worries may nestle there too
let shame and embarrassment
slip through the door
there's no place for such things here with you

let memories of laughter
words aimed to warm
fill up any space in your head
remember the smiles
of the people you love
let those treasures come with you to bed

you did all you could
with the day that you had
you led with that heart full of love
you toil and you care
and that's *always* enough
so release that dark load to above

now rest, close your eyes
let your fears melt away
give in to the slumber you crave
you are giving your all
to this cycle of life
welcome dreams and await a new day.
