## Theme

### AUGUST IS MEMBERSHIP AND NEW CLUB DEVELOPMENT MONTH

We are the world's most progressive and most positive service organization. Our programs are dynamic and worthwhile. As I meet the world's leaders, they all acknowledge the worth and the necessity for Rotary. Why then do we have this constant struggle to maintain our number?, asks.

**Bill Huntley**  
RI President (1994-95)

When a tree stops growing-it is ready to die. As long as it is extending its roots and branches-producing leaves, fruits, and flowers, it is a healthy growing tree, but when the growth stops its days are numbered, even if it may linger a while in suspended animation.

A Rotary club is like that: It is moving ahead when it is growing. When the growing process ends, the knife and fork club begins.

**Charis G. Tennent**  
RI President (1957-58)
