RI PRESIDENT'S MESSAGE

This month, as we come together for the International Assembly and the Presidential Peace Conference, we celebrate The Magic of Rotary – a unique blend of global connection, vision, and action that empowers us to create lasting change.

One of the most inspiring examples is our Rotary Peace Fellowship program, a cornerstone of Rotary's mission to build a more peaceful and just world. For more than 23 years, Rotary Peace Fellowships have been transforming communities. Our Rotary Peace Centers, hosted at leading universities around the globe, have educated over 1,800 fellows who now work in more than 140 countries.

Stephanie A. Urchick

These centers cultivate expertise in fields like conflict resolution, sustainable development, and peacebuilding, preparing fellows to tackle some of the world's most pressing challenges. This program exemplifies how Rotary turns vision into action, creating a ripple effect of hope and change. This month during the Presidential Peace Conference, we celebrate a significant milestone with the opening of our newest peace center in Istanbul. This center will focus on training leaders to address peacebuilding challenges in the Middle East and North Africa, further extending Rotary's impact. Peace fellows are dedicated champions of transformation, addressing critical issues such as refugee resettlement, youth and women's empowerment, and reconciliation in conflict zones. Many founded vital organizations or hold leadership roles in governments, nongovernmental organizations, and international institutions like the United Nations and World Bank.

One inspiring story is that of Ntang Julius Meleng, a 2024 Rotary Peace Fellow at Makerere University in Uganda. Through his Social Change Initiative, Julius has worked to empower young people in Cameroon to take active roles in peacebuilding and leadership.

His project provided training in conflict prevention, civic engagement, and leadership to youths and community officials in areas affected by conflict, equipping people to drive sustainable peace efforts. Julius harnessed Rotary's global network to overcome obstacles, including limited funding and security risks, and make a meaningful impact.

The Rotary Peace Fellowship gave Julius the tools and support to turn his vision into reality. His work embodies The Magic of Rotary – the transformative power of connecting people, sharing resources, and uniting for a common purpose.

As we reflect on the achievements of our peace fellows and celebrate Rotary's enduring commitment to peace, let us also recognize the role that everyone in our network of 1.2 million members plays in creating magic through service.

Together, we can amplify our impact, inspire new generations of leaders, and build a brighter, more peaceful future.

OUR PRESIDENT'S MESSAGE

Dear Fellow Rotarians,
As we step into the third month of this remarkable Rotary year, I want to take a moment to express my heartfelt gratitude to each one of you. Your unwavering support, dedication, and commitment to service continue to strengthen the very foundation of our club. Together, we are making a difference, and it is truly inspiring to witness.

One of the finest examples of our collective effort was **Rtn. Shivani Goel** the Cyclothon, an event that not only brought us together in the spirit of fitness and camaraderie but also helped us raise significant funds for the treatment of cancer patients. This initiative is a testament to the impact we can create when we unite for a noble cause. Let us carry this momentum forward, ensuring that our mission to serve remains stronger than ever.

March also marks an important time for our younger generation as many of our children step into the crucial phase of examinations. As Rotarians, let us extend our support, encouragement, and guidance to help them navigate through this period with confidence and resilience. A little motivation, a listening ear, or even a few words of reassurance can go a long way in easing their stress and anxiety.

I urge each one of you to continue your incredible contributions—be it through your time, resources, or expertise. Every small effort counts, and together, we can achieve greater heights in service and fellowship.

Let's keep the spirit of Rotary alive, uplift one another, and make a lasting impact in our community.

Yours in Rotary,

DIRECTOR PUBLIC IMAGE MESSAGE

February has been a month of dedication and meaningful action for Rotary Steel City Jamshedpur. This month, we came together not just to spread awareness but to make a real difference in people's lives.

Rtn. Shweta Sawa

The highlight of our efforts was the Cyclothon organized on World Cancer Day, a cause-driven event that combined fitness with purpose. More than just a ride, it was a fundraiser to support cancer patients, ensuring they get the care and assistance they need. The enthusiastic participation of Rotarians, community members, and cycling enthusiasts showed the power of unity in fighting this battle together.

Alongside this, our journey of service continued with initiatives focused on health, education, and community welfare. Every step we take reinforces our commitment to "Service Above Self", and every effort adds to the positive change we strive to bring.

As we move ahead, let's keep this momentum going—serving with passion, inspiring those around us, and making an impact that truly matters.

Warm regards,

Rtn Shweta Sawa

CYCLOTHON – FUND RAISER PROGRAM

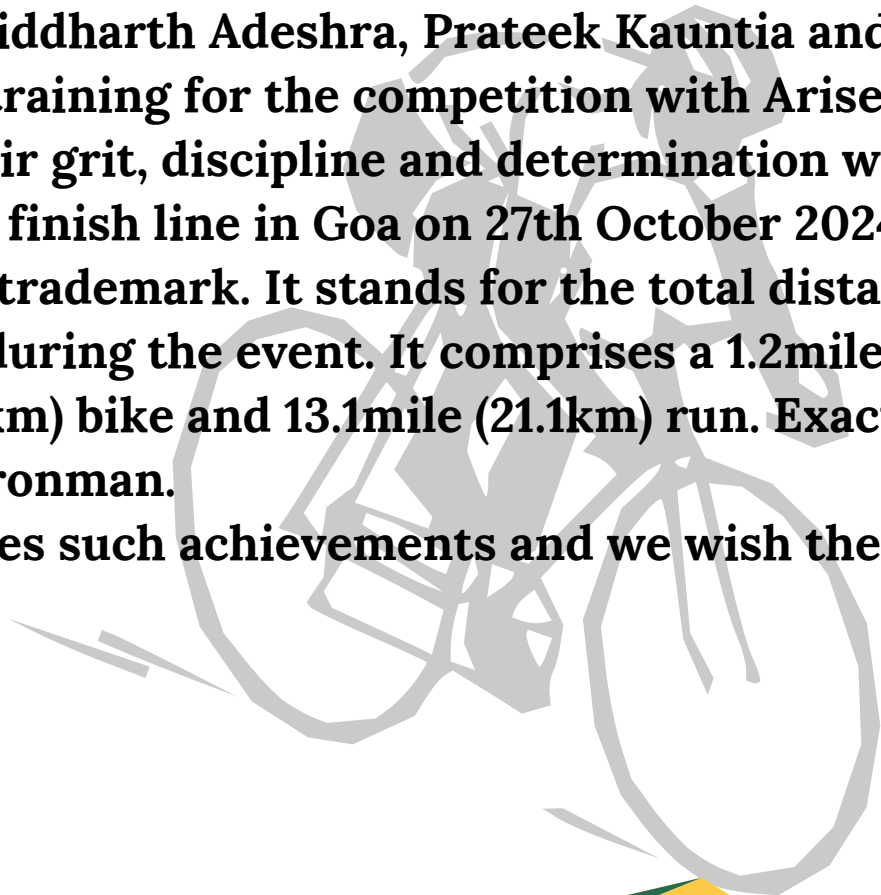

Rotary Club of Jamshedpur Steel City, on the occasion of World Cancer Day, is organising Cyclothon 2.0: Cycle for a Cause on Saturday 8th February 2025 at 6.30 am near Udipi Restaurant, Bindal Mall. This event is a fundraiser trying to support the treatment of Cancer patients. Participants can register with a fee of INR 500, which includes a complimentary T-shirt, medal, and certificate. Every registration is a vital contribution to supporting cancer patients in their treatment journey.

During this event, Rotary club of Jamshedpur Steel City is also honouring the 4 champions of our city who have successfully completed the Ironman 70.3 Goa 2024 and made Jamshedpur proud.

Dr Neelam Jain, Siddharth Adeshra, Prateek Kauntia and Arjun Murarka started training for the competition with Arise Performance. Their grit, discipline and determination was what led them over the finish line in Goa on 27th October 2024.

Ironman 70.3 is a trademark. It stands for the total distance covered in miles during the event. It comprises a 1.2mile (1.9km) swim, 56mile (90km) bike and 13.1mile (21.1km) run. Exactly half the length of an Ironman.

Jamshedpur salutes such achievements and we wish them many more.

ROTARY CLUB OF
JAMSHEDPUR STEEL CITY

CLUB NO. 31161 DISTRICT 3250

A.N.S.H. (ALLOW NOBODY TO STAY HUNGRY)

A PROGRAM TO FEED THE NEEDY

Feeding the needy is considered to be a noble act of kindness, *Punya*, in our culture. It is increasingly important in modern India where poverty is a growing concern in rural and urban areas. While we are able to provide well for our families and children, there are many people around us who cannot feed themselves or their families with dignity, which should be a basic right of any human being. It is our duty, as responsible citizens, to ensure that no one goes hungry in our communities.

Rotary Club of Jamshedpur Steel City has taken up this noble cause of feeding cooked meals to the underprivileged. In the previous Rotary year, we received enough donations to sponsor meals for 64 days. That translates to over 22,000 people being fed. This year, we'd like to aim higher, with a goal of distributing 35,000 plates of hygienic and nutritious food to people in need, with dignity. We envision doing so in collaboration with Roti Bank Charitable Trust, an NGO that has been serving the people in Jamshedpur, relentlessly for over 8 years now.

All of us have our special occasions which we celebrate with our loved ones and could share an Ansh of this joy by offering food to the less fortunate on that day. Whether it's a special day or a loving memory of a dear one, we urge you to support A.N.S.H. by contributing for meals on the days of your choice.
