4 Way Test

of the things we think, say, or do:

IS IT THE TRUTH?

IS IT FAIR TO ALL CONCERNED?

WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?

WILL IT BE BENEFICIAL TO ALL CONCERNED?

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:
The development of acquaintance as an opportunity for service;

SECOND:
High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:
The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:
The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ANU NARANG

Dear Rtn. Rahul,

It is a matter of great pride to be a part of the prestigious 79 years old Rotary Club of Dhanbad which was chartered way back in 1946. Happy to note that the club is publishing the club bulletin 'Giraffe' after a hiatus of many years.

Our club is recognized in our district for outstanding and dedicated service projects. Let us continue with all the good work and add to it - for each year has to be better than the one before.

The power to do good lies within each one of us. Our community is not just a place we live in, it's a shared space that thrives when we contribute to its well being. Each act of kindness, no matter how small, has the potential to create a ripple effect of positive change.

Imagine if each one of us took a moment each day to do something good for our community – it could be as simple as picking up litter, helping a neighbor or volunteering our time for a local cause. These small acts, when combined, form the foundation of a passionate and thriving community. Let us be the catalysts for change and inspire one another to lend a helping hand, to be there for those in need and to foster a sense of unity and belonging.

Sandeep & I wish you, Secretary Kanav and all members of my club a tremendous 2024-25. Tread ahead and create The Magic Of Rotary.

Sincerely,
Anu Narang

The Magic of Rotary in Dhanbad: A Journey of Impact

As the Assistant Governor for Zone 5 of Rotary Club District 3250, it fills me with immense pride to reflect on the remarkable journey of the Rotary Club of Dhanbad over the last six months. Under the dynamic leadership of President Rahul Vyas and the dedicated efforts of Secretary Kanav Bali, the club has truly embodied this year's Rotary theme – "The Magic of Rotary."

A Legacy of Service

The past six months have been a testament to the unwavering commitment of our club to service above self. Numerous impactful projects and well-organized events have strengthened our community and upheld the core values of Rotary. From health camps and educational initiatives to environmental sustainability drives and humanitarian aid, every effort has contributed to making a tangible difference in people's lives.

Special appreciation goes to the entire team for executing these projects with excellence, bringing hope and positive change to Dhanbad. The fellowship activities and fundraisers organized by the club have not only helped sustain our mission but also fostered deeper camaraderie among members.

Looking Ahead – Continuing the Magic

As we step into the next half of the Rotary year, I have no doubt that the Rotary Club of Dhanbad will continue to create meaningful impact and push forward with innovation and dedication. With such an energetic and committed leadership team, I am confident that the club will achieve and surpass its set goals.

PRESIDENT'S DESK

RAHUL VYAS

Dear Fellow Rotarians,

As I reflect on the past six months of my tenure as the President of the Rotary Club of Dhanbad, I am filled with a sense of pride and gratitude for the remarkable work we have accomplished together. Our commitment to service above self has been demonstrated through various impactful projects and initiatives aimed at uplifting our community.

We successfully organized a health camp that provided free medical check-ups and consultations to over 300 residents in underserved areas of Dhanbad. Our collaboration with local healthcare professionals ensured that those who needed it most received proper medical attention and guidance.

Understanding the critical need for quality education, we launched a scholarship program for talented but underprivileged students.

These achievements could not have been possible without the unwavering support and enthusiasm of each member of our club. Your dedication, creativity, and teamwork have truly made a difference in the lives of many.

As we move forward, let us continue to embrace new challenges and opportunities, stay committed to our cause, and inspire others to join us in service. Together, we can achieve even greater heights.

Thank you for your continued support and dedication to our mission.

Yours in Rotary Service,
Rahul Vyas
President (2024-25)
