ERADICATING POLIO WORLDWIDE

One benefit of being a Rotarian is that you can take pride in being part of an organization that truly makes a difference in the world. Since 1985, Rotarians have served as community-based mobilizers for polio eradication, motivating international groups, governments, private organizations, communities, and individuals to join the global effort to rid the world of polio. Rotary works with partners in the Global Polio Eradication Initiative (GPEI), including the World Health Organization (WHO), the U.S. Centers for Disease Control and Prevention (CDC), United Nations Children's Fund (UNICEF), the Bill & Melinda Gates Foundation, and the governments of the world to achieve this historic public health goal.

As part of the effort, Rotarians contribute their time and money to the cause, raising funds, advocating for government support, serving as volunteers to help immunize children, and raising awareness in their communities. Rotary's contributions to the global polio eradication effort now exceed \$1.6 billion, including matching funds from the Gates Foundation. Hundreds of thousands of volunteers have supported National Immunization Days. Since 1988, more than 2 billion children have received oral polio vaccine, and we've achieved a 99.9 percent reduction in polio cases. It may be considered the greatest humanitarian service the world has ever seen, and every Rotarian can take pride in the achievement.

DISTRICTS AND ZONES

Rotary clubs are grouped into districts. District governors serve an important role in Rotary. They're nominated by clubs in their districts for their leadership skills, Rotary experience, and dedication to service. They are trained extensively both in their regions and all together at the International Assembly. District governors serve a one-year term, leading a team of assistant governors and district committees to support and strengthen clubs and motivate them to carry out service projects. Governors visit each club in the district during the year, oversee the development of new clubs, and plan the district conference and other special events. Districts are organized into regional zones, each led by a team of regional leaders. Finally, your Rotary club belongs to the global association, Rotary International (RI), led by the RI president and the RI Board of Directors.
