Rtn. Dr. Subash Chandra Patra

It is heartening to note that with every passing year Rotary club of Balasore is inching towards glory even though it has not fixed any limit for it. The year 2022-23 has been specially memorable for the Club because during this Rotary year the new multi-purpose spectacular building has been raised in Rotary premises which has proved highly beneficial. It is to house various ultramodern facilities for the eye and dental hospital of the club, the most important being two mammography machines and one DEXA Scan machine. There would also be 4 air-conditioned cabins for the 'Critical Care Patients'. The important aspect of this new building is the top canopy of 2500 sqft which would also cover the roof of the old building thereby ensuring its safety.

The Installation Ceremony is going to take place on 7 July 2023 taking this background as its legacy with Rtn. CA Pradipta Kumar Panda as President and Rtn. Sudhanshu Panda as Secretary. Though the new President and Secretary will work within basic motto of Rotary International and in their approach will maintain continuity, as individuals they will have their own vision and dreams. Let us hope they will chase their dream and vision with all sincerity for the greater benefit of the Club and society at large.

Subash Chandra Patra

OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprises and in particular, to encourage and foster.

FIRST :

The development of acquaintance as an opportunity for services.

SECOND:

High ethical standards in business and Professional, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD :

The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Founder of Rotary

PAUL PERCEVAL HARRIS

Paul Perceval Harris (1868-1947) was the founder of Rotary. Born in Racine, Wisconsin, USA on 19th April 1868, Paul was married to Jean Thomson Harris. Paul was issueless.

Paul was a graduate in Law. Basically a lawyer, he worked in a number of vocations like newspaper reporter, business teacher, Granite and Marble Salesman and play actor. Extensively travelled in many parts of the world. Paul received a number of awards and recognitions for his outstanding contribution to humanity.

On 23rd February, 1905 Paul Harris formed the first club with three other businessmen. He gave them his very simply plan of Mutual co-operation and informal friendship. He named this club "Rotary" because members met in Rotarian at their various place of business.

Paul considered Rotary philosophy as a spiritual force. He was of the opinion that the greatest promise for the human race and greatest power in its development was scientific development but with spiritual forces.

Paul was of those great people who could conceive an uncommon meaning from common happenings.

Paul was active in Rotary until his death on 27th January 1947.

Declaration of Rotarians in Business and Profession

As a Rotarian engaged in a business or Profession, I am expected to;

- ⊙ Consider my vocation to be another opportunity to serve,
- ⊙ Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community.
- ⊙ Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation.
- ⊙ Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship.
- ⊙ Recognise the honor and respect due to all occupations which are useful to society.
- ⊙ Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community.
- ⊙ Adhere to honesty in my advertising and in all representations to the public concerning my business or profession.
- ⊙ Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

OUR GRATITUDE TO THE DONORS

Congratulations Dr. Nitin Chandra Doshi, Dr. Mrs. Pankajini Doshi, Mr. Bharat Doshi and Mrs. Padmaja Doshi all of Bloomfield Hills, Michigan State, USA and members of Rotary Club of Balasore for your contribution of a sum of \$50,000 (INR 41,50,000/-) for our Mammography Centre. Being born and brought up at Balasore, your desire to do something for your home town could be possible because of our connection with you through Rtn. Dr. Geeta Giri. We are all proud to have you as the members of Rotary Club of Balasore and hereby express our gratitude for your outstanding contribution for the Mammography Centre. We hope in future we can collaborate for doing many more projects with your assistance.

ROTARY INTERNATIONAL THEME FOR THE YEAR 2023-24

“Create Hope in the World”

The Rotary International theme for the year 2023-24, “Create Hope in the World,” represents the focus and emphasis that Rotary clubs around the world will have during that period. Let’s break down the meaning, importance, and significance of this theme:

1. **Meaning:** The theme “Create Hope in the World” signifies Rotary International’s commitment to making a positive impact by bringing hope and inspiration to communities globally. It encapsulates the desire to address various social and humanitarian challenges and create a better future for people in need.
2. **Importance:** The theme highlights the importance of fostering hope in a world that faces numerous complex issues such as poverty, inequality, lack of access to education and healthcare, environmental concerns, and more. By prioritizing hope, Rotary clubs aim to instill optimism, resilience, and determination within communities, ultimately driving positive change.
3. **Significance:** The theme for Rotary’s annual focus holds great significance as it sets the tone and direction for the organization’s efforts and initiatives worldwide. It encourages Rotarians to develop innovative projects, collaborate with partners, and leverage their skills, resources, and networks to create meaningful, sustainable, and transformative solutions.
4. **Objectives:** The primary objective of the theme “Create Hope in the World” is to inspire Rotarians to take action and make a difference in their communities. Here are some potential objectives:
 - a. **Humanitarian Projects:** Rotary clubs may undertake projects that address critical needs and improve the lives of vulnerable populations. These projects could include providing access to clean water, promoting education, supporting healthcare initiatives, empowering women and girls, and more.
 - b. **Community Engagement:** Rotarians may actively engage with their local communities, fostering a sense of hope through mentorship programs, vocational training, organizing community events, and promoting cultural exchange.
 - c. **Advocacy and Awareness:** Rotary clubs may advocate for important causes and raise awareness about social issues affecting the community or region such as Mental Health. This can involve organizing campaigns, events, or workshops to address topics such as poverty, hunger, environmental sustainability, or peace building.
 - d. **International Collaboration:** Rotary International encourages clubs to collaborate across borders, forming partnerships to amplify their impact on a global scale. By working together, Rotarians can share best practices, resources, and expertise, ultimately creating a more interconnected and hopeful world.

In summary, the theme “Create Hope in the World” for Rotary’s 2023-24 year signifies the organization’s dedication to generating optimism and positive change. By focusing on this theme, Rotary clubs aim to inspire, engage, and empower individuals and communities to build a brighter future for all.

Presidential Theme of RI President 2023-24

Gordon R McNally, a member of the Rotary Club of South Queensferry, West Lothian, Scotland, revealed the 2023-24 presidential theme, Create Hope in the World, during the Rotary International Assembly in Orlando, Florida, USA, on 9 January. He urged members to promote peace in troubled nations, help those affected by conflict, and maintain the momentum of initiatives begun by past leaders.

"The goal is to restore hope — to help the world heal from destructive conflicts and, in turn, to help us achieve lasting change for ourselves," McNally said at Rotary's annual training event for incoming district governors.

McNally spoke about a woman he met in Ban Taling Chan, Thailand, where Rotary members helped build houses, a meeting hall, and childcare and health care facilities following the tsunami that devastated South Asia in late 2004. The woman had lost her husband, her daughter, and her son in the tsunami, as well as her livelihood. But she still had a gift to offer McNally: a beautiful seashell.

"She went on to tell me that Rotary... had restored her optimism. We gave her hope," McNally said.

"This is how Rotary brings lasting change to the world," he added, "one restored or newly created hope at a time."

Promoting Peace:

A significant way to bring hope to the world is to put a greater emphasis on peace, McNally said. He cited the action Rotary members have taken in the past year to support the people of Ukraine after the invasion by Russia. Rotary has made humanitarian relief a priority, attracting more Ukrainian members in the process. But McNally noted that true relief won't come without peace — not just in Ukraine, but in Yemen, Afghanistan, Syria, and dozens of other places around the globe.

"Peace is the soil where hope takes root," McNally said.

McNally also emphasized the power of continuity, calling for Rotary members to continue the work of some past leaders. He pledged to maintain the Empowering Girls initiative launched by 2021-22 President Shekhar Mehta and uphold the emphasis on diversity, equity, and inclusion throughout Rotary. He also noted recent events that underscore the importance of Rotary's continuing focus on polio. In the past year, polio cases have emerged in many areas around the world, making it more crucial than ever for Rotary members to lead the fight against the disease. To do that, McNally said, Rotary must continue to raise at least US\$50 million each year to receive the full 2-to-1 funding match from the Bill & Melinda Gates Foundation. Only about 1 in 12 members currently gives to the polio eradication campaign, with fewer than 1 in 5 clubs donating each year.

McNally asked the district governors-elect for support creating a new sense of urgency in their clubs to help realize Rotary's vision of a polio-free world. "This is the time for us to go beyond what's necessary year to year and make sure we provide every resource necessary to succeed as quickly as possible," he added.

Focusing on Mental Health:

In addition, McNally said, Rotary members should offer hope to those affected by mental health challenges — a crisis exacerbated by the COVID-19 pandemic. Many people have lost family members, many more have found their social networks uprooted, and young people especially have had their educational and developmental paths interrupted. As a result, more people around the world are facing mental health issues. And yet, seeking assistance is often perceived as a sign of weakness.

"Nothing could be further from the truth," McNally said. "Reaching out for help is courageous — and continuing on a path toward wellness is even more so."

He added that Rotary will work to improve mental health services in the next year and beyond. Rotary should be known as an organization that takes care of its members as well as the people it serves, McNally said. "Any mental health professional will tell you that by helping others, we essentially help ourselves."

McNally ended his speech by describing his ideal balance of continuity and innovation. "Rotary helps create the conditions for peace, opportunity, and a future worth living," he said. "By continuing what we do best, by remaining open and willing to change, and by keeping our focus on building peace in the world and within ourselves, Rotary helps create a more peaceful world — a more hopeful world."

Rtn. Gordon R. McInally
President 2023-24

Gordon R. McInally, a member of the Rotary Club of South Queens ferry, Lothian, Scotland, is the President of Rotary International for 2023-24.

McInally lauded Rotary's ability to adapt technologically during the COVID-19 pandemic, saying the approach should continue and be combined with the best of our past practices as Rotary seeks to grow and increase engagement.

"We have learned there is a willingness within communities to care for one another," he says, "and we must ensure that we encourage people who have recently embraced the concept of volunteering to join us to allow them to continue giving service."

McInally says that senior leaders' ability to communicate directly with club members online will be one positive legacy of the changes Rotary has had to make. But, he adds, "Face-to-face meetings remain important, as they encourage greater interaction."

The best way to increase membership is engagement, according to McInally. To better support clubs, he says, Rotary International, regional leaders, and district teams all need to engage with them. Engagement through social media will reinforce Rotary's brand and showcase the opportunities that come with it. And, he says, engagement with governments, corporations, and other organizations will lead to meaningful partnerships.

With better engagement, McInally says, "We will grow Rotary both by way of membership and in our ability to provide meaningful service."

He adds, "Membership is the life blood of our organization. I would encourage the use of the flexibility now available to establish new-style clubs that would appeal to a different demographic."

McInally, a graduate of dental surgery at the University of Dundee, owned and operated his own dental practice in Edinburgh. He was the chair of the East of Scotland branch of the British Paedodontic Society and has held various academic positions. He has also served as a Presbytery elder, chair of Queensferry Parish Congregational Board, and commissioner to the church's general assembly.

A Rotary member since 1984, McInally has been president and vice president of Rotary International in Great Britain and Ireland. He has also served Rotary International as a director and as member or chair of several committees. He is currently an adviser to the 2022 Houston Convention Committee and chair of the Operations Review Committee.

McInally and his wife, Heather, are Major Donors and Benefactors of The Rotary Foundation.

They are also members of the Bequest Society.

Message from RI Director 2024-25

Rtn. Anirudha Roychowdhury

RI Director, 2024– 25
Zones 5 & 6

To.
President Pradipta (2023 – 24)
RC Balasore.

Dear Pradipta,
Greetings.....

Greetings. I am truly delighted to know that you are assuming the office of President-ship of RC Balasore.

Leadership in Rotary always has been a unique experience of having known so many important aspects of human life. At times you might feel overwhelming but these aspects will enlighten you with most cherished learning curve in your life.

Our World leader Gordon McNally has presented us a unique theme in this Rotary year "To Create Hope in this world" which is very apt under the backdrop of pandemic and War.

Hope is the soil in which peace can thrive and we as Rotarian must shoulder that responsibility to create hope in our clubs / communities and off-course within ourselves. In 2023 - 24 as Director of RI, I would suggest to you a few important aspects to make your year meaningful and productive.

1. Ensure 100% retention of members through engagements
2. Take projects on Girl's empowerment and on mental health issue
3. Go for a sustainable need-based project on environment
4. Embrace DEI policy of Rotary in all your actions & meetings

I wish the team of RC Balasore (2023 – 24) to have great success in all aspects of service to create hope in this World.

Thanks with regards,
Yours-in-Rotary,

Anirudha Roychowdhury
RI Director, 2024 – 25
Zones 5 & 6

Rotary

Rtn. Jayashree Mohanty
District Governor 2023-24

A Management Alumnus of Indian Institute of Foreign Trade, New Delhi, she is the most Awarded Entrepreneur of the State with over 20 years of experience in Information Technology Services in India and Overseas. A woman of strong will, compassion and traditional values, her philosophy in life is "As individuals we are a drop, together we are an ocean".

Rotary

Message from District Governor

Rtn. Jayashree Mohanty
District Governor 2023-24

Dear President CA Pradipta Kumar Panda,

First, I thank Lord Jagannath for bringing us together in creating the leadership team of Rotary year 23 24. Our interactions together have built an excellent relationship of trust, affection and a will to do great service for the society.

We are blessed to get the most beautiful theme in the world by Rotary International President Gordon Mc Nially. The post covid world cries for create hope in the world and you are fortunate to lead the activities for this year for one among the oldest prestigious Rotary club of Balasore. With the successful training programmes of Bahubali – PETS/SETS and the Jai Ho, District Training Assembly, where your participation was among the best ones, I am sure you will match my expectations in the best possible manner. The team RNext has built a District vision to be executed by us together in making RID-3262 very visible and vibrant. Besides taking up the existing Rotary programmes, you can align with the Focus of Rotary International President Gordon Mc Nially i.e., Girl Child, Mental Health and the Environment.

Today on the auspicious day of your installation, start with your vision. One year to implement all that you have learnt during the years as a member. How you have looked at Rotary and how you wished it to be. Many Rotarians have told me that it is their year as President, they gained the responsibility and attachment to their clubs. Take up programmes to build excellent Rotary stories and my most cherished wishes are there for you. As your District Governor, I appeal to you to take up the challenge of putting your Rotary dreams into reality. The District Administration, consisting of excellent, knowledgeable Rotarians will provide you hand holding to strengthen your activities. Please remember "As Individual we are a drop; Together We are an Ocean".

First Gentlemen of the District, PP Tanmay joins mein giving you and first lady of the club Smt. Subhashree Panda the most special wishes today in your wedding anniversary and to also have a glorious and effective Rotary year 23-24. On the occasion of Installation ceremony, please convey our regards for the seniors and all members of the Rotary club of Balasore to have a beautiful year of service ahead.

Yours truly in Rotary

Jayashree Mohanty
District Governor

[The first female District Governor of Rotary International District 3262,
after 76 years of Rotary service in Odisha]

dgpravu2223@gmail.com

Dear President,

At the outset I invoke the blessings of Lord Jagannath to keep everyone in good health and safe.

I am pleased to know that your Rotary Club is organising its Installation Ceremony of new office bearers and to mark the occasion an Installation Bulletin is being released.

The Rotary wheel has moved a full circle and on 30th June midnight Rotarians around the world will eagerly usher in yet another year of service for the cause of Rotary. A new Rotary year, a New Leader with a New Theme and Vision will be the guiding force for all in Rotary as the baton of leadership is passed forward at all levels- RI, District and Club. Leadership will continue uninterrupted..

“CREATE HOPE IN THE WORLD” is the Presidential theme given by RI President R Gordon R.McInally for 2023-24. PRIP Jennifer’s call to Rotarians to IMAGINE ROTARY will now gather force to IMAGINE ways to give HOPE to those facing challenges- challenges related to physical needs of water, sanitation, medical care, facing the crisis of war, polio or mental health issues. If imagination is limitless, so is Hope. Let us take a pledge to take care of those we serve. But at the same time let us not forget our own members or their care and comfort.

It is s upon you as Club President to carry on with the good work of the preceding year and keep up the pace of initiatives started by past club leaders. That is the power of continuity. You have been entrusted with an important responsibility. Lead from the front with firm commitment to the ideals of SERVICE ABOVE SELF

I trust that you will do your best to serve Rotary efforts to Create Hope in the World. Engage your Team, members, Rotaractors and Interactors to participate and contribute.

I Congratulate you on your Installation to the office of Club President for RY 2023-24. Manjusha also joins me in wishing you and your members all success on this joyous occasion of the Installation Ceremony

Warmest Regards

Rotary
PEOPLE OF ACTION

Pravudutta Subudhi
District Governor 2022-23

Message from Past District Governor

To
Rtn.CA Pradipta Kumar Panda
President, RY 2023-24
Rotary Club of Balasore

Rotary Greetings !!!

After a long waiting now the final day has come when you are going to take charge of your club.

Let me congratulate you for taking over as President of your club, as the members of your club has shown confidence on your leadership.

Installation Ceremonies are not mandatory. The installation of club officers is automatic on 1st July regardless of observing the ceremony. Recommended that installation of club officers be held during the first Regular Weekly Meeting of the year. President's collar is 'President's collar, not anybody else's. IPP (outgoing president is not supposed to wear president's collar after 30th June. Clubs are requested to follow RI protocol while conducting such program.

Every work that we do in Rotary, it all starts with an IDEA from a Single Rotarian and that idea spreads among all other Rotarians. So we must respect the idea of our team members.

For smooth functioning of the club, some of the tips are:

- To support your club's committees, maximize their potential and encourage their continuing effectiveness.
- Periodically review and discuss the status of each committee & action plan.
- Assign a project to each and every members of your club.
- Motivate your committees to be innovative and take on new challenges.

At the end of the year, only thing that matters in Rotary is how much lives has been changed because of your club's intervention & motivation .Our club is having members from diversified background and now it will be your responsibility on how you are going to utilise their Talent, Knowledge, Abilities, Time, Effort, Generousness, Dedication and Devotion. Unite all members to "Create hope in the World" through Rotary service.

Since your installation ceremony is coinciding with Your Anniversary, Wishing you another year of True Love by creating hope in the world and further Your Love Story is beautiful, let us all join hands to make RY 23-24 another more beautiful Love filled years together.

Jharana joins with me in wishing "You" and "Our Club members" a successful Installation Ceremony & a vibrant Rotary Year 2023-24.

Jai Utkala Janani!!!

Jai Hindustan!!!

With best regards,

Sincerely Yours in Rotary Service

Santanu Kumar Pani
District Governor RY 21-22

Rtn. Santanu Kumar Pani
District Governor 2021-2022

Message from District Governor 2024-25

Dear President Rtn. Pradipta Kumar Panda,
Rotary Club of Balasore

Your Installation ceremony not only marks the transfer of leadership, but also signifies a new chapter in your club journey. It is a time to reflect on the achievements of the past year, set ambition goals for the future. I have no doubt that under your leadership with the support of the entire Board, you will continue to soar to new heights of service & excellence. Dear President remember, the path to success lies not only in your actions, but also in your ability to collaborate, communicate and innovate. Embrace the unique talent and ideas of each member, for it is through synergy that most remarkable projects are born.

Rtn Yagyansis Mohapatra
District Governor 2024-25
RI District 3262

In this journey of service you are not alone. The entire Rotary family including your District Governor Jayashree Madam & myself stands beside you, ready to support, guide and celebrate your achievements together.

On this joyous occasion, I extend my warmest congratulations and heartfelt good wishes to each and every Rotarian of your club. Together we will navigate challenges, seize opportunities and "CREATE A HOPE IN THE WORLD" that is more peaceful, Equitable and compassionate. May this installation Ceremony serve for renewed inspiration, profound friendship and transformative service.

May your Club Continue as a shining example of Rotary Ideas in our District - 3262

Thanking You

A handwritten signature in cursive script that reads "Rtn. Yagyansis Mohapatra".

District Governor (2024-2025)
Rotary International District 3262

Message of District Governor 2025-26

Rtn. Manoj Kumar Tripathy
District Governor Nominee
RID-3262

Dear esteemed Rotarians

It is with great pleasure and deep gratitude that I extend my warmest congratulations on the installation Ceremony of Rotary Club Balasore. This significant milestone marks a momentous occasion for our Rotary family as we embark on another year of service, fellowship, and transformative impact within our communities.

First and foremost, I would like to express my heartfelt appreciation to our outgoing Imaginary President Rtn. Sourav Behera for their exemplary leadership, unwavering dedication, and tireless efforts throughout their tenure. Their commitment to Rotary's core values has undoubtedly inspired countless individuals and contributed to the betterment of society. We are truly grateful for their selfless service and lasting Legacy.

As we welcome our Incoming President Rtn. CA. Pradeep Kumar Panda, I have every confidence that their vision, passion, and remarkable leadership skills will steer us towards even greater achievements. Together, under their guidance, we will continue to exemplify Rotary's motto of "Service Above Self" and make a positive difference in the lives of those we serve.

I also extend my heartfelt gratitude to all the Rotarians, both past and present, who have dedicated their time, talents, and resources to Rotary's noble cause. It is your unwavering support, enthusiasm, and unwavering commitment that allow Rotary to thrive and create a lasting impact on our communities.

Together, as members of the Rotary Club, we have the power to transform lives, inspire change, and build a brighter future. Let us stand united, shoulder to shoulder, as we continue our journey of service, fellowship, and goodwill.

Once again, Me and Madhusmita congratulations to our new President And New Team for the Year 2023-2024, and thank you to all Rotarians for your unwavering commitment to Rotary's mission. May this year be filled with fruitful endeavors, meaningful connections, and lasting impact.

Yours in Rotary

Rtn. Manoj Kumar Tripathy
District Governor Nominee
RID-3262

Message from the Outgoing President

An eventful Rotary Year is coming to an end. As a busy person in my professional life, I was little apprehensive at the beginning of the Rotary Year as to whether I will be able to give justice to my role as the President. At the end of the rotary year, I feel profound joy when I look back and see all the shining achievements of the Club during this great year. The Rotary Club of Balasore has made a quantum jump during the year encompassing all the areas of service and fellowship. In fitness of things, it is my proud privilege to highlight few of these achievements which will pave the way for my successor in planning for the incoming year.

Rtn. Saurav Behera
President

Projects on Disease Prevention & Treatment:

The Rotary Balasore Eye & Dental Hospital was revitalised with new equipment purchased out of a TRF Global Grant of USD 84000 for providing better treatment to the people. Regular Eye Camps within the length and breadth of the Balasore and Mayurbhanj Districts could help over 3000 people in getting their eyes screened and over 1000 people getting free cataract surgeries.

With active support from a few NRI donors who hail from Balasore, we are on the threshold of setting up a Mammography Centre within the next month, the first of its kind in the districts of Balasore, Mayurbhanj and Bhadrak.

Negotiations are on with our Swedish Partners for installing a Dexa Scan Machine which will help in the treatment of Osteoporosis/Rheumatology.

Several health focussed events like interaction with the ASHA workers, health camps for school & college students for their dental, eye, haemoglobin check-up and blood grouping for them were held at regular intervals.

Education and Literacy:

Total Literacy Pilot Project, Balasore was launched in presence of PRIP Sekhar Meheta during the year with active support from the F. M. University. ICICI Bank came forward to financially support the project which enabled us to run 18 Adult Literacy Centres employing more than 24 Akshar Sathis who are imparting training to adult illiterates to read, write sentences and do basic arithmetical calculations.

Our School at the adopted village is turning out 35 students each year for admission into middle school. Infrastructure for the school has been strengthened during the year.

Other Worthwhile Projects:

During the year we could sponsor Adarsh Cricket Club which has won a large number of tournaments within the district and beyond and the players have made us very proud.

Awareness camps on Polio, ill effects of tobacco consumption was held besides holding two mega blood donation camps. Feeding the hungry through our Annapurna Day project has benefitted more than 1000 people. Drinking water project was launched at the Rotary Bus Shelter at the Station square providing RO water during the summer months. Our flagship Rotary Flower Show

Message from the Outgoing President

was organised at an attractive venue drawing large number of visitors. Avenue Plantation have been widely organized in various places during these times.

Membership Development:

The club has attracted nearly 20 members during the year due to sustained efforts by Rotarians recording more than 15% membership growth and there was 100% retention. Interestingly, four of our NRI donors voluntarily joined the club. The club has also earned the distinction of being a 100% donor club for The Rotary Foundation and has also got recognition for registering 100% members to the MY ROTARY website.

Club's Pride of the Year:

With the support of a few benevolent Rotarians the new swanky three storey building was constructed in record six months' time becoming one of the finest buildings of the town. The building is fitted with a lift and has been designed to provide air conditioned cabins to the Indoor Eye Surgery patients, spacious patient waiting lounge, and for setting up the Mammography and Dexa Scan Centres. The building also has a 150 seated fully air-conditioned auditorium fitted with audio and video systems for meetings and gatherings. A spacious dining lounge adjoining the Conference Hall has come handy for organising fellowship dinners.

Visit of two of the Past Rotary International Presidents Rtn Raja Saboo and Rtn Sekhar Meheta were the most cheerful moments for our club's member during this Year.

Fellowship:

Fellowship was in the forefront of my year's plan. I am happy that throughout the year birthdays and anniversaries of Rotarians have been celebrated with participation of a large number of Rotarians. This has resulted in increase in meeting and project attendance of the Rotarians.

All above efforts in keeping the Rotary Club of Balasore's flag held high has not gone in vain as our club has been able to secure the Rotary President's Citation for the year 2022-23. I thank from the core of my heart to all the Rotarians who have held out their strong hands of support in each and every effort made by me in doing good for the society. I am thankful to the Board of Directors and the Advisory Council members for guiding and supporting me constructively throughout the year. I have a special word of thanks to a few generous donors who have extended their unstinted physical and financial support in large projects. I am sure my successor and his team will strive hard to do better during the coming year and wish them success and good speed.

Saurav Behera
President
Rotary Club of Balasore

CA Pradipta Kumar Panda is an esteemed professional known for his exceptional contributions as a Chartered Accountant and his deep commitment to social welfare. Born in 1966 in the village of Kalyani, Balasore district, he comes from a prestigious Zamindar family. Guided by the values instilled by his late father, Rabindra Nath Panda, and mother, Satyabhama Panda, he is driven to make a positive impact on society.

Having completed his B.Com (Hons) and LLB, CA Pradipta Kumar Panda pursued the study of Accountancy at the Institute of Chartered Accountants of India. His dedication and hard work led him to become a Fellow Chartered Accountant (FCA), earning him great recognition in his professional career. Alongside his professional pursuits, he expanded his knowledge by undertaking courses in GST, Valuation, Concurrent Audit, Insurance Professional, and Capital Market. He has also recently been empanelled as a Peer Reviewer, responsible for assessing and reviewing CA firms.

Rtn CA Pradipta Kumar Panda
President

Since 1997, CA Pradipta Kumar Panda has been practicing as a Chartered Accountant under the name and style of M/S DSPK & Associates Chartered Accountants in Balasore. As the Managing Partner of the firm, he exemplifies expertise, professionalism, and a strong work ethic.

Recognizing the significance of education, CA Pradipta Kumar Panda established the "Satya Rabi Merit Award" in honor of his parents. This prestigious award acknowledges students in classes V, VII, and X who achieve the highest marks in the final examinations at his village school in Kalyani.

An active participant in his community, CA Pradipta Kumar Panda serves as an Executive member of the Balasore Chamber of Industries & Commerce and contributes his expertise to the Local Managing Committee of the DAV School in Balasore. He is also a valued life member of Fakir Mohan Sahitya Parishad, a renowned literary organization.

In 2001, CA Pradipta Kumar Panda joined the Rotary Club of Balasore, where his contributions have been instrumental in the club's growth and impact. He has held several leadership positions, including Chairman of numerous committees, Vice President in 2016-17, and Treasurer for a two-year term from 2018 to 2020 and Secretary in 2020-21 & 2021-22. Notably, he was honored with the 7-star secretary, District Award 2020-21 for his exceptional dedication and outstanding reporting. As a committed supporter of the Rotary Foundation, he holds the distinction of being a PHF + 6 and actively contributes to the Asha Kiran project, providing education to five children each year on the occasions of his family's birthdays and his wedding anniversary.

CA Pradipta Kumar Panda is happily married to Ann Subhasree Panda, who holds a B.Sc. degree and an MCA from IGNOU. Together, they are blessed with two sons: Subhadipta, currently studying in class IX at DAV Public School, Balasore and Shreedipta, studying in standard II at St. Vincent's Convent School in Balasore.

Message From President

Rotary

Rtn CA Pradipta Kumar Panda
President

Dear RCB Family,

I am truly honored and humbled to address you for the first time as the 56th President of our esteemed Rotary Club of Balasore for the Rotary Year 2023-24. It is with great commitment and enthusiasm that I, along with our dedicated Board Members and Advisory Council, will continue the remarkable work accomplished by Team RC Balasore in the best interest of our members. I extend my heartfelt gratitude to all members for their trust, faith, and considering me capable of taking up this prestigious and responsible position. My thoughts and plans for the year ahead are detailed in the Annual Plan provided in this RANGER publication.

I AM PROUD OF OUR MEMBERS

I take immense pride in acknowledging the incredible members of our club. Starting from our esteemed Charter Members, a group of 22 individuals who established the Rotary club of Balasore on 1st May, 1968, their contribution has been invaluable. They are;

(1) Rtn B.K.Giri, (2) Rtn Sukumar Nayak, (3) Rtn T.V.Manoharan, (4) Rtn L.P.Hunwick, (5) Rtn Motilal Didwana, (6) Rtn P. K. Chand, (7) Rtn Ram Mohan Ray, (8) Rtn R.K. Bhasin, (9) Rtn Sumon Ghose, (10) Rtn B. D. Banerjee, (11) Rtn D. P. Rungta, (12) Rtn K. P. A. Pillai, (13) Rtn A. S. Jamwal, (14) Rtn S. K. Das, (15) Rtn B. Panigrahi, (16) Rtn Santosh Balla, (17) Rtn Basudeb Saha, (18) Rtn N. Khandelwal, (19) Rtn Sibapada Ghose, (20) Rtn Y. B. Nayak, (21) Rtn B.C. Das & (22) Rtn D. K. Hirjee.

While some members have either passed away or moved on to other endeavors, we now have two Charter Members, Rtn PP Prashanta Kumar Chand & Rtn. Motilal Didwania, who remain as the gems of our club. I express my gratitude to all the charter members for providing us with a platform to serve the society selflessly.

Next, I would like to recognize the significant contributions of our past presidents. As the 56th President, our club has witnessed the leadership of 55 presidents from 1968 to 2023. Their dedication and Rotary spirit have illuminated the dreams of our charter members. Their remarkable projects include the (1) Rotary Balasore Eye & Dental Hospital, (2) Rotary Clock Tower at traffic centre of station square, (3) Rotary Passenger Shelter at Station Square, (4) Rotary's Adopted Village at Nuanaighat, (5) Rotary Public Toilet for Parents at Kendriya Vidyalaya, (6) Drinking Water Project at Fandi Chhak, (7) Jaldhara Project at Sabitri Govt High School, (8) E-learning System at Sabitri Govt High School, (9) Photo Display of all Chief Ministers of Odisha at Sadbhavana Gruha & (10) Rotary Adopted School at Nuanaighat among others. These projects have been greatly appreciated by the Balasore Community, and I salute all our past presidents for their exceptional contributions.

Our members, the stars of our club, deserve special recognition. Their remarkable dedication and contributions have led us to achieve numerous awards and recognitions. With a membership strength of 111 including 46 Paul Harris Fellows, our club has also gifted one District Governor to our RI District 3262.

What we have learned from Rotary about leadership is

Leadership is not a position,

Leadership is not a designation;

Leadership is in your ability to use yourself,

To be useful to others

In the spirit of embracing new challenges, I am excited to present visionary projects for the year ahead;

VISIONARY PROJECTS

1. Reach to Village

We will extend our service beyond Balasore town by engaging Rotarians to bring one "ASHA KARMI" and one Social Worker from their respective villages. These individuals will be recognized in our meeting,

introduced to Rotary, and act as our "ROTARY SATHI" in their villages. By involving all 111 members, we can easily reach 111 villages.

2. Reach to School

Each member will revisit their school in September 2023, plant five fruitbearing plants, felicitate at least one teacher, and share about Rotary and our achievements with students and teachers. This initiative allows us to reach students from various schools and contribute to programs such as Anti-suicide tendencies, Self-protection, Career Counseling, Water Preservation, Combating drug abuse, promoting traffic awareness, and fostering diversity, equity and inclusion. We aim to cover 111 schools and recognize three best-performing Schools.

3. Rotary @ Home

We are always engaged in serving the Society. This year we will do something of our own. In this program, we will plant one fruit bearing plant and one flower plant at our own garden at a particular time. Suppose at 8.30 am all the members will plant one fruit bearing plant & one flower plant in their own garden. This collective action symbolizes our commitment to our family and also to our society.

4. My Performance in Rotary

We have developed one app, where members can enter their eventrelated performance within three days of the event. This includes attendance, chairing events, donations, and other contributions. The president and secretary will approve these entries, and the cumulative performance will be showcased quarterly at our monthly dinner meetings. This system facilitates recognition of members and assists the president Nominee in selecting board members.

5. Joy of Sharing

Members will dedicate some time to share their birthdays or anniversaries with those in need and donate as per their capacity, without compromising our fellowship. Each Rotarian can decide his/her contribution based on personal wishes.

6. Archaeological Mini Museum

We shall establish an archaeological mini museum to display rare archaeological artifacts from India. This initiative will enhance our public image, attracting visitors from Balasore and beyond.

7. Rotary@Balasore

We will collaborate with other three Rotary Clubs in Balasore Town to undertake joint projects. For example, we will organize a rally on July 1st, 2023, featuring vehicles representing projects from all four clubs, promoting Rotary without emphasizing club-specific involvement. This collective effort will strengthen our fellowship as

it has received positive feedback from members across clubs.

8. Rare Blood Group Database

Our Club will maintain a database of individuals with rare blood groups. When a patient requires a specific rare blood group, they can request our Club's assistance, and we will coordinate with potential donors from the database. All donors will be recognized, and a hoarding will be displayed at the District Hospital.

9. Mammography Centre

We plan to establish a mammography centre at our club, focusing on screening services. After screening, patients will be informed and be guided accordingly.

District Vision & Goal

To align with our district's vision and goals, we will wholeheartedly embrace and contribute to the district's initiatives, ensuring our club is respected not only for its projects but also for our contribution to the Foundation.

Regular Projects

Additionally, our regular projects will continue, including the operation of 2,500 cataracts and conducting 1,000 cavity tests among school and college students through our Eye & Dental Hospital. We will actively engage on the seven Rotary focus areas and prioritize membership growth. To improve meeting attendance, we have introduced a new practice of allowing members with infrequent attendance to share their thoughts on Rotary for five minutes. A past president will moderate these sessions, summarizing the speeches more effectively. Furthermore, in each meeting, the president will provide a finance planning tip to benefit our members. I am aware that I am not alone in this journey, as I have the unwavering support of the entire Rotary Family. I express my deepest gratitude for your immense support, and I invite all of you to participate in greater numbers in our activities to continuously raise the bar.

In conclusion, I leave you with this thought;

When success feeds your sense of status,

It makes you even more egoistic.

When success feeds your gratitude,

It makes you even more responsible.

Be successful. Become responsible.

With Lots of Love,

Rtn CA Pradipta Kumar Panda

President

Rtn Sudhansu Panda, PHF
Secretary 2023-24

Born in 1972, Rtn. Sudhansu Panda passed his Matriculation in the Year 1987. He is a Graduate in Arts with Political Science Honours from F.M. College and was the district topper and sixth rank holder of Utkal University. He is a Post-Graduate in Political Science from Utkal University, Vani Vihar , LLB from Vani Vihar Law College , MBA from Fakir Mohan University and has also a B.Ed.degree.

He joined as a lecturer in a degree college in the year 1998. His destiny being somewhere else he left the College and joined Modern Public School, Balasore as the Vice Principal in the year 2001. Subsequently, he got promoted to the post of Principal in this prestigious institution and continued till 2014.

He is also shouldering the responsibility as the President of North Odisha Sahodaya School Complex which is an organisation of CBSE Schools of Balasore, Bhadrak, Mayurbhanj and Keonjhar. He is also working as the President of the Alumni of his village high School from where he passed his matriculation. He is the Vice President and founding Trustee of Shree Jagannath Temple, Bhelapura, Langaleswar which was constructed in the year 2011.

Rtn. Sudhansu loves Sanskrit Language very much and since 23 years consistently working for the spread of Sanskrit Language in order to respect India's past Culture and Tradition. For this relentless effort he received the Certificate of Excellence from Sri Ganeshi Lal the esteemed Governor of Odisha. He is associated with many social and cultural organisations which gives him utmost satisfaction. His hobby is to help the helpless and needy of the society.

Rtn Sudhansu's love for social work prompted him to join Rotary Club of Balasore when invited in the year 2018, becoming very active member and participating in all Club Projects. He has served the Rotary Club of Balasore Board as the Chairman, Rotary Foundation for 2022-23. Being in the Advisory Board of the Rotary Club of Balasore Welfare Trust he has organised a number of mega Eye Check-up camps and is instrumental in getting more than 400 people the benefit of free cataract surgery. His initiative could make it possible to charter one of the most vibrant Interact Clubs of Balasore i.e. Interact Club of Siddhi Vinayak Public School. Rtn. Sudhansu is a PHF and regularly donates to Rotary Foundation's Polio Fund. Rtn. Panda is happily married to Ann Sasmita who is a Lecturer in Chemistry at F.M.College, Balasore and they have a daughter Priyasha who has completed her Higher Secondary and at present perusing coaching for JEE and NEET.

Inspiring the Incoming Club Leaders

Rtn Sukhmoy, MPH
Secretary 2022-23

Rotary is a Worldwide organization of men and women of all backgrounds and ages who volunteer their efforts to "making a real different" in their own communities and beyond living up to their motto of "Service Above Self". Now its 113th year. Rotary International has 46000 clubs worldwide with membership numbers totaling 1.2 million plus. Rotary Vision is: "TO MAKE THE WORLD A BETTER PLACE FOR ALL" Our international goal includes polio eradication, disaster relief, provision of safe water supplies, medical care, sanitation facilities and education throughout world. The magic of Rotary is that it allows ordinary people to achieve the most extraordinary things. By using the powerful synergy of one, people unite to achieve exceptional change. Many ordinary members of Rotary have developed projects that have brought significant change whilst experiencing personal growth in an organization that is respected worldwide for its high values.

Achievers

Saibrata Punyasloka, S/o Rtn. Dr Soumya and PP Rtn Nikunja stood first in 6th. International Conference held on 8th. June, 2023 at Malaysia and his paper "Study of strength and rate capability of Lithium-Ion secondary battery using Bithiophen containing Imial based conjugated polymer as Anodic Active Material on Clean Energy and Technology" (CEAT-2023) has been awarded as the best paper internationally. At present Saibrata is pursuing his Ph. D at JAIST JAPAN.

Rotarylet Sonakshi Prusty has secured 94% marks in CBSE Class 12 Board Examination in 2023. She was the School Topper in her Class 10 ICSE Board examination securing 98.60% marks in 2021. She is at present preparing for appearing NEET for which she is undertaking coaching at Akash Institute, Balasore Centre. Sonakshi is keen reader and loves English novels & story books. Sonakshi is the daughter of Rtn Dr. Prasanta Kumar Prusty and Ann Chandrabati Prusty

Rajdeepak Das (Lin), CEO & Chief Creative Officer of Leo Burnett, South Asia, Chairman Creative Council, Publicis Group of companies, South Asia has won 11 awards at the recently held Cannes (France) Advertising Film Festival and his agency has been declared as the "Indian Agency of the Year". He is also the only Creative Director in Advertising featuring in the Netflix docuseries. He has won multiple grand prix awards of "One Show" (USA) D & AD, Spikes (Asia) and Effies. He was also an International Jury in "One Show" (USA) and Cannes (France) during the current year. Lin has represented India in a panel of discussion at the United Nations.

Lin is the son of Rtn PP Dr. Chitta Ranjan Das and IW member Mrs. Swati Das. We are proud of him and wish that he brings more laurels in future.

Roshan Uday Kumar has successfully completed M.Pharm in Pharmaceutics from Roland Institute of Pharmaceutics Science, Berhampur with 10.00 SGPA. Presently he has been appointed in Tech Mahindra Ltd. as Associate - Customer Support on UN1 Band operating out from BBSR office. His hobbies include Photography, Travelling, and Socialising etc.

Roshan is the son of Rtn PP V. Uday Kumar and IW member Mrs Sindhu Uday Kumar. We are proud of Roshan and wishing him all the success in his life in future.

Aditi Senapati, completed her grade 8 graduation from IRMA COULSON Public School, Milton, Ontario, Canada. She has been awarded as "Valedictorian for Grad 2023" and awarded with Principal's Award for her outstanding performance in academic and leadership across school community. Apart from her academic achievements, Aditi has been Acting President of Malton Youth Toastmaster Gravel Club, Ontario, Canada. Has participated in several Speech competitions across North America.

Aditi is the daughter of Debidutta and Sujit Kumar Senapati and the granddaughter of Rtn PP Bhabagrahi Mohanty and Anne Rita Rani Mohanty. We wish Aditi all the success in her future life.

Community Service Projects In ROTARY

Rtn Bishnudas Kundu

Just before forty four years, when I was a young officer, in the Revenue Department under Government of Odisha, at Kendrapara, I got an opportunity to attend a religious gathering there. The meeting was graced by Swami ChidanandaSaraswati as Chief Guest. Another guest attended, was a major disciple of Baya Baba. At that time Baya Baba was one of the foremost and most celebrated Guru of Kendrapara. Bayababa had thousands of followers throughout the state and even out of the state too. Popularly he is known as 'Namachaarya'. I also had the chance to witness the round the clock Nama Sankirtan held in his Ashram. Now Bayababa is no more. But his Ashrams have sprouted across the country.

Coming back to the gathering, the speaker (disciple of Bayababa) told that once in a midnight when he was engaged himself in massaging the legs and feet of his Guru, he asked Baba, 'what is the meaning of Seva (service)?' Immediately Baba replied, 'you just alter the word and get the answer'. That means, if we alter the word 'seba' (ସେବା) in Odia, it will become 'ବାସେ', ଯାହା ବାସେ ବା ସୁଗନ୍ଧିତ ହୁଏ, ତାହା ହିଁ ସେବା ।

Swami Vivekananda once told that it is our responsibility to see that even the dog of our neighbour should not sleep with hunger due to non-availability of food. Each and every one has some social obligations towards the community.

Service or ସେବା is mainly of two kinds.

1. Rendering service to the society for remuneration
2. Rendering service to the society selflessly.

We feel fortunate as the member of a most reputed and prestigious organisation named "Rotary", which believes in rendering selfless service around the globe. I am thankful to the President (2023-24) of Rotary Club of Balasore for nominating me as the Chairman of 'Community Service' which gives me ample opportunity to serve the people of Balasore. My mind is occupied with lots of thoughts and ideas for the same. But as it is well said that "if wishes were horses, then beggars would ride". Keeping in view the resources and funds, I have suggested to implement the following few projects, subject to the approval in proper forum.

1. To sponsor a slum of sweepers for:
A) Conducting regular health camps at slums (basti)
B) To persuade the drug addicts to say no to drugs
2. To conduct regular health camps in nearby villages.
3. To conduct minimum 3/4 blood donation camps either independently or in collaboration with other organisations.
4. To provide financial assistance to 10 needy meritorious students with consultation and suggestion of the Headmaster and other teachers.
5. To conduct moral and behavioral classes once in a month in a selected school and to make the students aware to stay away from drugs.
6. To give award/recognition to some high schools for both cleanness and beautification.
7. To conduct regular yoga classes in our club.
8. To choose a "Goshala" which runs on charity and provide food to minimum 20 lives throughout the year.
9. To give colour to the dream of Rtn.Ch. Swapan Kumar Mohapatra, a Rotarian and environment specialist to grow greenery in the bank of river Budhabalanga in Barabati area.
10. To arrange a seminar on the 'Disadvantages of the use of polythene'.
11. To arrange Public-Police meeting to bring the police administration closer.
12. To give volunteer service in Durga Puja and ChandanYatra at Balasore.
13. To provide machinery to poor and needy women for making disposable plates out of Saal and Siali leaves as a step towards women empowerment.
14. To continue Jala-Chhatra in summer.
15. To provide Ambulance service to needy patients in a minimal price (No profit - No loss policy).
16. To distribute fruits in hospitals on 15th August and 26th January.

Besides the above, we can take up new projects as per the need of the hour.

My journey with ROTARY

PP Nikunja Kishore Mohanty, PHF

In year 2004, PP Dr. Kamala Kanta Das, in a Sathya Sai Seva work requested me to join in Rotary. During the day I was working as a professional service Officer in a multinational pharma company and my relation with many medical professional was excellent, co incidentally in Rotary maximum were Rotarians. In Sathya Sai Seva organisation, I was involved with many Seva works and when DR Das requested me, without hesitation I said YES as SEVA, I believe to do something's for down trodden people of any where .

Dr Das, called me to a regular meeting on a particular day and i went to Rotary Bhawan at around 7.30pm. I found there many people I know and expressed my interest to join. I did my all the formalities and became a Rotarian in an installation programme. During that period the most iconic project was going on ,the weekly cataract eye surgery camp in our campus with a temporary OT. The most enjoyable project of Rotary, Where the people of Balasore and near by districts were waiting for the dates. I engaged myself with different activities and got both the chance of SEVA and SERVICE.

Days went on, my involvement in Rotary in different projects gave me an opportunity to receive as BEST ROTARIAN AWARD by the club, and became the Secretaty within 3 years of my joining of an oldest club, My club in year 2007, under the Presidentship of the most adorable Rotarian, PP Rtn Rama Chander Ojha. Though I had good knowledge of SEVA but I learned the true value of SERVICE from Rtn Ojha during my tenure as Secretary. Then our club became more lively and the cohesiveness among members was excellent. We achieved peace of mind by doing different service projects through our club with the help of all the Rotarians and became number one club, then in year 2008, club selected me as the President, and the most understandable secretary PP Rtn Yogesh became

my Rotary right hand to do more. During 2008, apart from 674 FREE CATARACT SURGERY, modernisation of our club was done by latest asset of a desktop with all the accessories. We published weekly activities report and gave the task to our most dependable, BANSHI to distribute this reports (Activities and future programs) that helped us to raise our weekly attendance.

That year our club bagged many awards from the districts and Rotary Districts. A club with distinct remarks from that year DG Rt, Dillip K Pattnaik.

After my Presidentship period , I have worked in different capacities in club and district levels, but never ased any DG or leaders for the same. I have bagged many Rotary club level ,district level and RI level awards but it was all for the collective activities.

During my journey many ups and downs are but, I can say I am enjoying, If I participate in a program I enjoy, if not also I enjoy becoz I am a Rotarian and my peoples are doing. Many awards I got, many people I know, many chances I speak, many writeup I write, many projects I involve i get satisfaction because I am a Rotarian. I am a Rotarian, becoz you all are here, you all are here becoz Rotary is here.

During a movement i got the chance to move different clubs to promote adult literacy, for that a lifetime record was done and obviously Rotary is there to recognise and recognised. But my own experience is in 3262, our club is the best club as I have seen many clubs through their report and physically i have attended them.

So keep your journey as a movement, either forward or backward but never leave a bad history in this path. Do not indulge any untoward move for your personal achievement becoze others are watching as you are exceptions from some for making examples.

Rtn. Subrat Kar
Club Chief Advisor

Our club is lucky enough to receive 3 nos of Rotary International Presidents within one year.

Yes. We, more than 110 members of our club were lucky enough to have experiences with past international president of Rotary. They are Rajendra Saboo (2005-2006) Rtn. Kalyan Benerjee (2011-12) and Rtn. Sekhar Mehata (21-22). Definitely it has become a rare occasion and also the President of the club IPP Sourav Behera is lucky enough to receive 3 R.I Presidents. Everybody praised the club for its activities and even Rtn. Sekharji has gone upto this extent that the club Building's front view is comparable with the building of Eranstone (Head quarter of Rotary International).

Kind visit of above R.I. President had boosted the moral of not only the President of the club but also all members of the club. I think that resulted to have mammography centre (very soon it will be coming up), Dialysis Centers and Bone density measurement Centre. Also it was made possible for 4 American based Indians to be the Rotarians for our club.

Next year also (2023-24) under the leadership of another vibrant President C.A. Rtn. Pradipta Kumar Panda the club will have more nos. of new projects (mostly permanent) will help club to reach peak. As Chief Advisor (23-24) I must request new President to reach the poorest of the poor with the help of new projects related to health, education and environment. I hope over club will be the best club in the Rotary Dist. 3262.

Thanking you all.

Public Image of ROTARY

Rtn. Satya Narayan Nanda

At Rotary, we believe everyone deserves access to basic education, health care, economic development and greener environment. That is why Rotary programs empowers local communities through early education initiatives for underprivileged, health care services to those who are in need and counselling and guidance to our youth. Our programs are focused on promoting basic education in backward areas of our neighbourhood, free health check-up & eye check-up camps and building necessary facilities for general public usage. In addition

to the above Rotary has always been actively involved in building peace and preventing conflict in unstable regions, providing humanitarian aid and contributing to community economic development. Our dedicated volunteers work tirelessly to enable these valuable services so that we can help move this society forward. Join us in our mission to make a difference in the lives of those who need it most and help make a positive impact in the communities nationwide.
