## ROTARY NEWS

**Mark Daniel Maloney**  
**Trustee Chair 2024-25**  
**November 2024**

There are as many reasons to join Rotary as there are members. Most join for experiences — new friendships, expanding professional circles, or putting Service Above Self into action to create impact.

Rotary delivers on all of these, often simultaneously. Through our Rotary Foundation, Rotary also has a knack for offering unexpected experiences and new opportunities that open doors and change lives.

I learned this firsthand at age 30 when I served as president of the Rotary Club of Decatur, Alabama. That year, my wife and I sought out the chance to try something new: attending the 1985 Rotary International Convention in Kansas City, Missouri. There, we witnessed the dawn of PolioPlus and met members from different backgrounds, realizing we were part of a global family.

Later that year, I learned that a Rotary Group Study Exchange team from Nigeria was scheduled to visit Alabama, but Decatur was not on the agenda. After making a few calls,

we soon welcomed the Nigerian team into our home. It was an incredible and unexpected experience.

Before the group departed, the team leader recommended me to lead the six-member team from Alabama that would visit Nigeria the following year, which I did. There, I met people whose lives had been impacted by polio, including several family members of our hosts. I learned that polio reaches its victims across borders, economies, and religions.

That Foundation program — Group Study Exchange — opened my eyes to what Rotary is and what it can do. Taking part in the exchange set me on a path for new friendships and opportunities to serve on multiple continents.

Just as The Rotary Foundation has enriched my Rotary life, it can do the same for you. This month, during Rotary Foundation Month, I invite you to explore new Foundation experiences.

Look for ways you and your club can support Foundation-led efforts like polio eradication, disaster response, or the Rotary Peace Centers. Get involved in global grant or district grant projects. And if you have never had the experience of giving to our Foundation, I invite you to join other Rotary members as a Foundation donor. Your support will mean the world to both Rotary members who want to help and to the individuals and communities who need it.

The Rotary Foundation is not a place or a building. It is an experience, one that lives in our hearts and hands as we do good in the world. The Rotary Foundation is all of us.
