Inauguration of Rotary Peace Tower at Gagadia Temple, Cuttack

## ROTARY NEWS

Mark Daniel Maloney  
Trustee Chair 2024-25  
January 2025

January marks a fresh start, a time to take stock of what we have achieved and plan for future success.

It is important to remember that we are in the middle of a major year for fund development. The Rotary Foundation has set an ambitious goal to grow Rotary's Endowment to \$2.025

billion by this year, 2025. This will only be possible through the generous support of every person reading this message.

January is also Vocational Service Month, when we recognize how vital each member's professional calling is to the work Rotary accomplishes.

During the Arch Klumph Society weekend in October, Gay and I were inspired by the diverse vocations represented among some of our most generous supporters. They included teachers, engineers, health care professionals, and builders. Uniting them was a shared commitment to building a better world through The Rotary Foundation.

So many of us bring the insight of our professions into Rotary through Vocational Service. The Rotary Foundation Cadre of Technical Advisers exemplifies this. These Rotary members use specialized skills to guide project planning, grant applications, and evaluations, ensuring the projects you fund and implement are sustainable and effective.

The work of The Rotary Foundation, from safe water initiatives to literacy programs, depends on regular giving by our members. One convenient solution for many is Rotary Direct, which provides a simple way to make monthly, quarterly, or annual contributions. This empowers Rotary to plan effectively, respond promptly to urgent needs, and continue transforming lives.

The Paul Harris Society, which honors those who contribute \$1,000 or more annually, also strengthens the Foundation. Paul Harris Society members, like Klumph society members and Rotary Direct contributors, embody the spirit of sustained giving.

When setting your personal goals for this year, remember that by supporting The Rotary Foundation, you extend your impact worldwide. Every contribution — no matter the size — adds to the momentum driving meaningful change. So, as we enter 2025, let us reaffirm our commitment to The Rotary Foundation.

By combining our efforts and our giving with others in our great organization, we can truly say that no matter our vocation or location, we are contributing to a global force for good.

Thank you for all you do.
