COVID-19 Know The Facts

COVID-19 spreads primarily from person to person

- Droplets released when someone sick sneezes or coughs can land on the mouths or noses of people nearby
- Close contact with someone sick – like hugging or shaking hands

So if you touch something contaminated and then touch your face or another's face, you might all fall ill.

Reduce your risk of COVID-19

Clean your hands often

Cough or sneeze in your bent elbow – not your hands!

It is my proud privilege to present to you this novel e-edition of our club Souvenir, Reach Out for the Rotary year 2020-2021.

These are novel times and we have to UNLOCK many NEW ways to serve.

Do not take the Corona Virus and its impact lightly. Just like the spread of the virus, there is no dearth of an assortment of forwards in the form of advices and jokes on the social media by self styled experts. Listen to the real scientists and help yourself, your family and society. With the entire world, including India, being affected, in these times of global emergency – let us Reach Out to others and serve.

Planet Earth has closed for repairs and our world has turned upside down. As far as nature and the environment are concerned, matters have suddenly looked brighter after years. Suddenly, the Himalayas are visible from Jullunder and the Kanchenjhunga is visible from Raigunj. Classes are being held online you have to ensure 'social distancing'. Hugs and shaking hands are out. Masks and gloves are in. New normals have come in.

Thanks to all the front line Covid warriors - Doctors, Health Care workers and volunteers - who are working tirelessly at the cost of their lives and their families, for fighting this Pandemic. We cannot wait for the vaccine to be out in Autumn or Winter but as soon as possible. Man has waited long enough. His patience is wearing thin. Let us hope and pray that the brilliant scientists succeed in their endeavours soon, very soon. People have been advised to stay home. Fears and apprehensions of what can happen if you do not follow sensible, practical advice have made so many so sensible.

Use this time to be with your families, relax - but at the same time think of the daily wage earners and ways to serve humanity.

Stay Safe!! Stay Healthy!!

WE SHALL OVERCOME.

History of Rotary

Paul Harris, who was raised by his New England grandparents with values of tolerance toward all, gained his law degree in 1891 and then decided to hit the road for the entire world. He tried out various professions and in 1896, he went to Chicago to practice law.

One evening, in 1900, as Paul and one of his friends strolled through the neighborhood, Paul's friend introduced him to tradesmen in their stores. "Why not have a fellowship composed of businessmen from different occupations, without restrictions of politics or religion?" he thought.

On February 23, 1905, Paul Harris had dinner with his closest friend, Chicago coal dealer Silvester Schiele. Afterwards they walked over the river to

Room 711 of the Unity Building, where they met their host, Gustavus Loehr, a mining engineer and another friend, Hiram Shorey, a merchant tailor. Harris proposed that they form a club and three other men, Harry Ruggles, William Jenson, and A. L. White joined them in their second meeting on March 9th. Ruggles was a printer, and created the "name badge" version of the Rotary "wheel" and also started singing in Rotary. Two weeks later, at the meeting, where a President was chosen, Silvester Schiele became the first President in Rotary.

During the course of one of the early meetings, Paul suggested several possible names for the new club. Among others - ROTARY. It met with general favor and was adopted forthwith. The

significance of the name becomes apparent on examination of the original plan of the club, which provided for rotation in the place of meeting, in the chairmanship, and even in membership which was to be continued for one year only. Rotary's early emblem of a simple wagon wheel (in motion with dust) was designed in 1905 by Montague M Bear, a member of the Rotary Club of Chicago, who was an engraver. He designed the emblem to represent both civilization and movement. The present emblem, 24 cogs and six spokes, was adopted in 1923. A keyway was added to signify usefulness. An official description of the emblem was adopted at the 1929 International Convention.

As the club met, Paul was very interested in starting Rotary in other cities and the second Rotary club was founded by Homer Wood in San Francisco in 1908. Wood then quickly organized clubs in Oakland (where weekly meetings began in 1909), Seattle and Los Angeles. In fact, before the end of 1909, there were seven clubs, including New York City and Boston.

Paul Harris had a vision of "Around the World Rotary" which was also opposed by many of his fellow Rotarians. It was not until he won the loyalty of the man who was to be Rotary's secretary from 1910 - 1942 that Rotary became organized and international. That man was Chesley Perry, whom Paul called the "Builder of Rotary."

By August 1910 there were sixteen clubs and the National Association of Rotary Clubs was organized and held its first convention that year, in Chicago. At the 1911 Portland Convention, "Service, Not Self" was introduced by Frank Collins of Minneapolis. It later became "Service Above Self". The slogan "He profits most who serves best," was also read there. It had been written by Arthur Sheldon and delivered by him at the first convention the previous year in

Chicago. Both were approved by RI in 1950.

When clubs were formed in Canada and Great Britain in 1912, the name was changed to the International Association of Rotary Clubs, and was later shortened to Rotary International in 1922. Paul Harris was the first president of the National Association of Rotary Clubs, serving two terms. He was named President Emeritus of the International Association in 1912 and served until his death in 1947. Till his death, Paul and his wife Jean Thomson Harris made numerous exhausting trips to nearly every continent, visiting hundreds of cities, planting friendship trees and attending Rotary conferences.

As Rotary spanned the globe, branch offices were opened in Europe, South America, South Asia and Southwest Pacific. In the UK, British Rotary had its own office. When Rotary International President Emeritus, world traveler, author and prominent Chicago attorney Paul Harris passed away on January 27, 1947, his dream had grown from one group of four to 6,000 clubs in 75 countries with 300,000 members brought together through the service and fellowship of Rotary

The two world wars changed the face of Rotary - parts of the Far East and Eastern Europe were closed to Rotary. Eventually, clubs were re-established in Japan, Germany, Poland and Hungary. In 1990 the first club was opened in the former Soviet Union and China. In 1987, Rotary membership was opened to women (Sylvia Whitlock of RC Duarte, California was the first Lady admitted to membership of Rotary in RY 1987-88), and in 1989 the RI Council on Legislation standardized all Rotary documents and rules. Between 1989-2005, Rotary came close to removing polio from the face of the earth and, in 2005, returned, again, to Chicago to celebrate the first 100 years.

Rotary is a **global network**

of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

What we do

Motto

Service Above Self Mission Statement: The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Rotary's Guiding Principles

Four basic principles guide Rotarians in achieving the ideals of service and high ethical standards.

■ First Guiding Principle

Object of Rotary: First formulated in 1910, the Object of Rotary is to encourage and foster the ideals of service as a basis of worthy enterprise and in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideals of service in each Rotarian's personal, business and community life;

Fourth: The advancement of International understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

■ Second Guiding Principle

Classification: Classification is based on the founder's paradigm of choosing cross-representation of each business, profession, and institution within a community.

■ Third Guiding Principle

Avenues of Service: The Avenues of Service, based on the Object of Rotary, are Rotary's philosophical cornerstones and the foundation on which club activity is based. There are five Avenues of Service:

First Avenue of Service **CLUB SERVICE**

Second Avenue of Service **VOCATIONAL SERVICE**

Third Avenue of Service **COMMUNITY SERVICE**

Fourth Avenue of Service **INTERNATIONAL SERVICE**

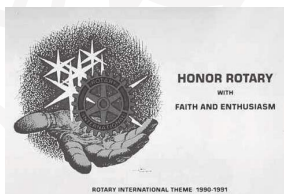

Fifth Avenue of Service **YOUTH SERVICE**

Dear President and all members of Rotary Club of Central Calcutta,
 It is heartening to note that your club is celebrating its 37th Installation Ceremony. It is an auspicious occasion ushering the 2nd Century of Rotary in India. Kudos to outgoing President Neeraj Agrawal for the good work he has done. Let me take the opportunity to congratulate incoming President Jitesh Gutgutia for taking up the mantle of leadership.
 We are well aware that 3 important Verticals of Rotary International are: Membership, Foundation and Public Image. I am sure your Club will give importance to them. Of the other two verticals, apart from Club Administration we have Service Projects.
 Service Projects all over the World are typical pertaining to the necessity of their country. Akin to 7 Areas of Focus of Rotary International, in India we can have Service Projects in the following categories. They are: Literacy, Water & Sanitation, Health (Preventive), Health (Curative), Environment, Disaster Management and the 8th category namely Corporate Social Responsibility is aimed to get funds for service projects.
 I request your Club take up meaningful and sustainable service projects pertaining to the above verticals of your choice. Please also stress upon increase in Membership and contribution to The Rotary Foundation.
 Needless to say, under the able guidance of Past Presidents, with your zeal and hard work the new Rotary Year will be a grand success and Jitesh you will be a True Trail Blazer in this new normal situation as 'Rotary Opens Opportunities'.

RI President 2020-21

Dear Rotary Club of Central Calcutta Officer,
I congratulate you on your installation as a club officer for 2020-21.
I hope the upcoming year will be challenging, yet fulfilling. Your leadership team will collaborate to build a strong, engaged club dedicated to strengthening your community, both locally and globally. You will use your years of experience as a Rotarian and as a leader to provide inspiration, motivation and guidance as we work together to achieve our goals for Rotary.
Use this opportunity to grow your membership, to work closely with Rotaractors, and to continue to improve our virtual meeting skills. Now is the time for change in Rotary to meet the world's challenges.
In Rotary, we are not afraid to confront some of the world's most critical and widespread humanitarian issues. When we vaccinate an infant against polio, teach a young adult how to read, or bring water to a village by building a well, we are creating a better world for future generations. We serve the global community, and we're just getting started.
It is an honor to work beside you as we guide our fellow Rotarians to another successful year. I am relying on you as Rotary Opens Opportunities in 2020-21.

Dr Bharat Pandya

RI Director 2019-21

I am pleased to share some thoughts with RC of Central Calcutta. "The Journey of a thousand miles starts with a single step". In its journey the club has touched lives, spread happiness & made a difference to many. I compliment and thank all Rotarians of Central Calcutta club for the good work that they are doing.

The time has come for Rotary to think about working together. I see Joint meetings and projects between Rotary Clubs, partnerships with government & other NGOs as a good way forward for Rotary. Joint projects can result in far more being accomplished and can create more positive impact in the community. I urge Rotarians to focus on Membership growth, retention and carry out need-based, meaningful service projects.

I am sure that the club will continue to reach greater heights in the coming year. There is much work to be done & you are the Rotarians who can do it. My best wishes to President Jitesh and all the Rotarians and Rotary Family of Rotary Central Calcutta for the year ahead. Compliments to the Souvenir team for bringing out this souvenir. Be The Trailblazers as Rotary Opens Opportunities.

Dear Friends,

Rotary symbolizes – Hope, Service & Trust

Our World is going through an unprecedented crisis with an uncertain dimension – yet Rotarians – The People of Action, are very optimistic to find opportunities in this pandemic situation.

Rotary has long been a leader to address issues of global concern (Polio is the best example) to mitigate the sufferings of millions of marginalized people in our community and around the World. All these are possible due to the support of The Rotary Foundation – Our Foundation of Hope.

Our World leader Holger Knaack very aptly coined the theme of 2020-21 Rotary opens opportunities – the Rotarians immediately seized the opportunity of this pandemic situation and made the changes that are needed to shape our organization more dependable, more responsible and most trustworthy.

Contribute to The Rotary Foundation to ensure World Peace & Understanding.

Thanks.

Ajay Agarwal

Immediate Past
District Governor

Dear President Jitesh & Members,

The change in leadership, the new theme, new office bearers - these are hallmarks of the constant change which we experience in Rotary.

What does not change, however, is the spirit to do good in the world, and the action we take to UNITE PEOPLE, the base of all activity in our organisation.

The actions we take may be big or small, but each one is important if we can touch lives around ourselves.

President 2019-2020 Neeraj has done commendable work indeed in all Avenues of Service. It was an Oscar winning performance leading from the front and I congratulate him for the outstanding success with which he led the club.

Jitesh, simply do your best and you will emerge a worthy leader. Seek out the opportunities and convert them to Service! Continue to build the fellowship and networking! Be a proud torchbearer of the legacy of Rotary Club of Central Calcutta!

With regards and greetings

Sunil Sethia
 Hon Secretary 2020-21 . . .

Dear Members

Greetings to All!

It is an honor for me to be appointed as Hon. Club Secretary of one of the most active Rotary clubs of District 3291. I will do my best to make this year as another successful and memorable year.

The post of club secretary gives me the opportunity to help the others who are in need and give back to society. I promise you that our team will do everything we can to contribute our bit towards the betterment of society we live in.

We all know that 2020 started off with lots of challenges. The outbreak of the highly infectious Corona virus, the super-cyclone Amphan, the water shortages and lack of facilities in rural areas etc has been aberrant, extremely agitating and sad. But this only means that we have a lot of work to do and people to help.

We pledge to make the future better. The day-to-day problems we face in life are not obstacles, instead they are opportunities for us to make ourselves and the society better. Even during these unusual circumstances, we Rotarians must stand up and do what is needed so the human race may reach the light at the end of this dark tunnel.

We should continue our hard work with doubled efforts as this is the time to serve and protect. All of us may be different in different aspects but we are bound by the commitment to help others before us. The universe has thrown us a challenge and we must accept it with smiling faces. I look forward to this year and for the active participation of all the members in making this Rotary year as great as the others.

President Jitesh & members of RC Central Calcutta

2020-21 will be a pandemic year for any Rotarian in the world and Kolkata, in particular, please Be Safe!!

Rotary Clubs have inspired many Rotarians, by getting them engaged, sharing with them a brighter world with a light that shines out clear and strong. It invites other people to come closer to that light to show everyone what one person can do, what we all can do when we work together.

By Lending A Hand, clubs have created a wave of Service activities in the last so many years, which created an example for others to follow.

You have shown to the world that the hungry are fed, the homeless secure shelter, the sick are given medical care, the naked are clothed, the children are immunized, the illiterate are given opportunities to learn how to read, write and do math and thousands upon thousands are given clean water - to drink, to cook, to bathe and to use for washing their clothes.

I hope in the coming years, Rotarians will be engaged in changing lives. And when we do, we give value to lives where there seems to be none. We give hope in situations where none exists by Opening Opportunities.

Best wishes for a successful New Year.

Thanking you!

I am very happy to receive the kind invitation from your Club for your Installation Ceremony and I wish you all the success.

Rotary, my friend, is an organization which gives you immense opportunity to prove yourself as an exemplary leader and also to serve the society to the best of your ability with your fellow Rotarians and other Partners-in-Service and associates within a friendly and professional environment. Rotary is also the best place to make new friends and to have excellent family bonding amongst your Club members and other Rotarians and Rotary family in your District as well as throughout the world.

I am sure that your Club will achieve more laurels in the coming year and you and your Club

members will feel proud to be a part of making new history. My wife Jaya and daughter Adrija join me in wishing your Installation Ceremony both enjoyable and memorable. We also wish you and your team a great Rotary Year 2020-2021 and are looking forward to work together.

Dear President Jitesh Gutgutia,

Ballari joins me in congratulating you as you take up the responsibility of leading your Club in following the theme for the year, 'Rotary Opens Opportunities'.

The District looks up to your club for some meaningful service to mankind. I'm sure under your able leadership Rotary Central Calcutta will gift a memorable year to the District. It is more so, this being the 1st Year of the Second Century for Rotary in India.

As we have stepped into the second century of Rotary Service, strengthening our Clubs, our very roots, has become the order of the day! To retain members and strengthen our clubs, we must keep in mind, every Rotarian joined Rotary to contribute something for a cause and has some expectations from the Rotary Club; to retain members, make sure that every member of the club is involved and satisfied. General Secretary of Rotary International & The Rotary Foundation, John Hewko, urged Rotarians to think out of box, embrace flexibility, focus on engagement rather than attendance! We need to change!

You and your team will also have to deal with a new challenge, that's COVID-19! You would have to device a new way to run and manage the club; a new thought, how to take up Service Projects!

I wish you and your team a great happening year ahead.

With best regards,

Yours-in-Rotary Service,

PDG Mukul Sinha

Dear Central Calcuttans,

I am proud to have been given the opportunity to serve as Centurion President for RY 2019-2020. Over the years I have been involved with many community and social organisations as a Board Member, but I can honestly say none have been more rewarding than my time with Rotary.

I would like to thank all the members of our wonderful club and especially the Board and officers for the support and hard work last year. Moreover, because of your presence, we have added new members and had a great participating audience in our events and meetings.

New members join our club as we are associated with serving the community and also have a welcoming and jolly nature that makes the new members fit in with us. The various types of noble work we do, makes it possible for each person to fulfil his or her personal passion and we are always striving to be the greatest Rotary Club in the world.

While I learned a great deal about Rotary and our club and value the fact you allowed me to act as your President for a year, I am looking forward to being a Past President and concentrating on some of my Rotary passions.

Jitesh, thank you for taking up the reins of the 2nd largest Club of Dist 3291. You will do a great job. If not for Rotary, I would never have known you and that would have been unfortunate for me in so many ways. You have been there with me this entire year.

The year has presented many challenges especially with the pandemic situation caused by corona virus and devastation caused by Amphan. In both instances the spirit of Rotary was always alive as our members sought to come together for a common cause.

I've taken up the baton of the club thinking of a shloka from the Bhagwad Geeta "कर्मण्येवाधिकारस्ते-मा-फलेषु-कदाचन।" and when your intentions and karma are good, Almighty always watches the same. This whole year we won 50+ awards including Best Club in category C.

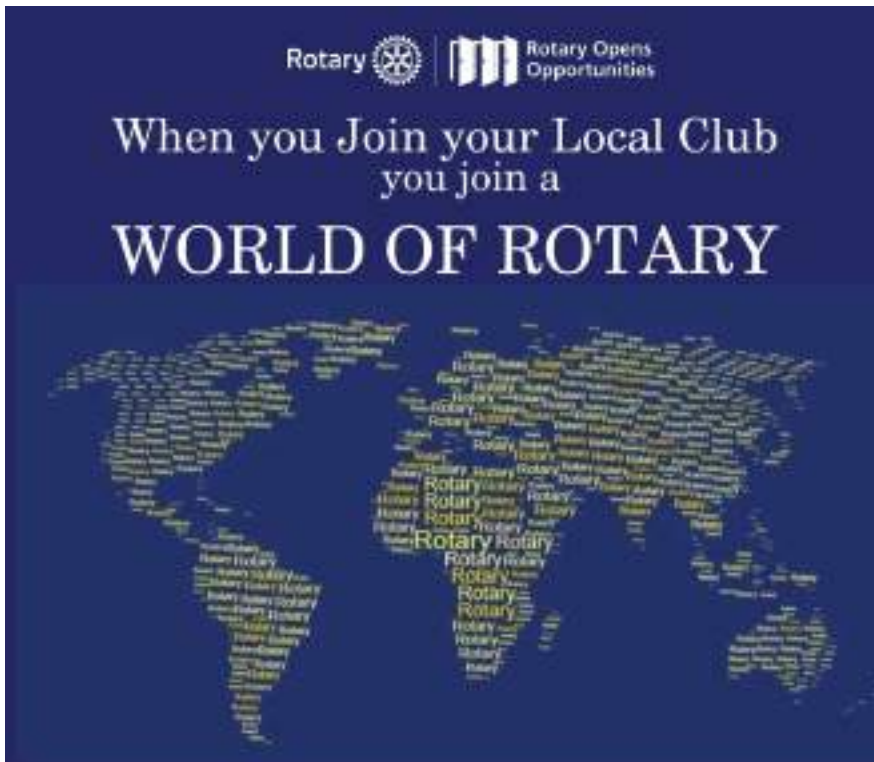

I have so many people to thank, I want to thank –

- Our Board and all the Chairs for their commitment to our club

and for all their hard work to ensure that we had a successful year.

- Our club members for doing what you do so well, which is rise to the occasion when called upon to do so to make our community and the world a better place for all.
- Our Governor, Ajay Bhaiya for his guidance, positive attitude and encouragement.
- The committee that put in a lot of time and effort planning this events
- Last but not least my wife & my son for their support throughout the year.

Dear Rotarians, this last year has changed my life, and I am forever grateful to you and to Rotary for giving me this opportunity. Thanks Rotary Club of Central Calcutta and the lovely members for making this year an unforgettable experience! I've truly enjoyed being President of our club.

Messages from Past Presidents

Dear Rotarian Friends,

Thank you President Elect Jitesh for your request for a message on the occasion of our Club's Installation Meeting. May I wish the new & enthused TEAM of LEADERS and

all Rotarians of Central Calcutta a great & memorable Rotary year 2020-21...

As a Past President, it is my duty to enlighten & request President Jitesh & his Team to formulate a STRATEGIC PLAN for RCCC as suggested & required by Rotary International.

Let us keep in mind –

- OBJECT OF ROTARY is to encourage and foster the ideal of SERVICE as a basis of worthy enterprise.
- VISION OF ROTARY – TOGETHER we see a World where PEOPLE unite & take action To CREATE lasting CHANGE across the Globe, in our Communities & in ourselves.

Rotary International's STRATEGIC PLAN for the next five years is: To increase our IMPACT, expand our REACH, enhance participant ENGAGEMENT, and increase our ability to ADAPT.

By helping to realize the goals of this plan, our Club ensures a stronger and even more effective future... a tremendous legacy. Rotary's STRATEGIC plan is rooted in our tried-and-true values and builds on the remarkable capabilities and spirit of Rotarians.

I pray, wish and hope that we RCCC Members commit & dedicate ourselves towards MAKING A BETTER WORLD while following & fulfilling Rotary International's VISION of BETTER, BOLDER & BIGGER Rotary Projects that are SUSTAINABLE &

MEASURABLE towards building ROTARY's IMPACT & REACH in the Community.

Let us all MEMBERS OF RCCC be noble, pure, cheerful, dedicated and calmly active but dynamically passive ROTARIANS!! Let us LIVE Rotary ... let us REACH out & ENGAGE our Club Members with LOVE, UNDERSTANDING & PURITY 'ROTARY OPENS OPPORTUNITIES'.

Chandrakala joins me to convey our good wishes to President Jitesh, his Team.

Sudip Sen

President 2015-16

Dear President Jitesh,

Congratulations!!

CAs are leaders by profession, but I assure you that the way Rotary functions, it will refine the skills and upgrade the leadership by all means.

You just need to ENJOY the year, and for that the only mantra is to make a proper decision as which information needs to be processed and which does not need to be processed, for future actions.

Rotary President is a wonderful opportunity to use wings to fly as high as you can, without fear of losing anything, as it is a service platform. It just needs a little humbleness.

The theme "Rotary opens Opportunities" is apt in

this Covid Rotary Year 2020-21.

This is the year, which on one hand will save time in travelling, but on the other hand, will help you explore new "Opportunities" for Service & Fellowship.

Our Club and its members are all very supportive and you have ably formed your Board, which will help you and the members experience an innovative and meaningful year.

Be in Connect with DG, District, Board, Members and My Rotary and you are an absolute winner.

All the Best to you and your team.

Yours in Rotary

Rotary Myth Buster

ROTARY IS FOR MEN

WRONG! Rotary has welcomed women for over 30 years.

IT'S FOR RETIRED PEOPLE

WRONG! We are open to ages 18+ Age is just a number, it's attitude that is more important.

IT'S FOR PROFESSIONALS

WRONG! Diversity is our strong asset and there's always a place for you in Rotary.

YOU MUST ATTEND EACH WEEK

WRONG! We focus on what you can contribute. Get involved with fundraising activities, community projects and activities.

IT'S A RELIGIOUS ORGANISATION / SECRET SOCIETY

WRONG! Rotary is non-religious and non-political.

YOU HAVE TO BE FORMALLY DRESSED FOR MEETINGS

WRONG! We are interested in what you can offer, not how you dress.

IT'S A LUNCH AND DINNER CLUB

WRONG! We do have meals at most meetings, however we principally meet to plan projects, have guest speakers, socials and run activities.

MEMBERSHIP BY INVITE ONLY

WRONG! Anyone with the right mindset can visit and join. We accept members from all walks of life.

INTERESTED IN BIG INTERNATIONAL PROJECTS ONLY

WRONG! We are involved in these huge projects, however the majority of our work is within local communities supporting local causes.

The Four-Way Test

of the things we think, say or do

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to
all concerned?
