PRESIDENT'S MESSAGE

Urchick's grandmother's house in Slovakia.

The meaning of family

The Magic of Rotary is belonging, and it's a feeling that can appear when you least expect it.

Earlier this year, I was in Slovakia serving as a president's representative during a six-week trip through Europe. When I wrote to Katarina Cechova, governor of District 2240 at the time, I mentioned that my grandmother Veronica Zilka grew up in a small village in the area before settling in the U.S.

It wasn't long before Cechova tracked down my grandmother's village, Jakubova Vol'a. She even organized a visit for me, where I received an unforgettable Slovakian welcome.

When I entered the community center of Jakubova Vol'a, a small crowd of people dressed in traditional Slovakian clothing greeted me. They sang with beautiful and powerful Central European voices that reminded me of my grandmother.

A lot of families play cards or games when they get together. When I was young, my father would pick up his accordion and lead my family in song. My grandmother would sing along with her impressive voice.

When I walked into the community center and heard traditional music from my childhood — when I saw a woman play the accordion the way my dad played — I suddenly felt like a little girl sitting at my grandmother's house in Monessen, Pennsylvania. I burst into tears of joy at the memories.

But the magic didn't stop there. District Governor Cechova really outdid herself. A local genealogist worked with a videographer to make a short film

about my grandmother. We watched the video together in the community center.

When the video ended, I turned around and saw a man standing in the back of the room. I quickly learned that this stranger, Frantisek Zilka, was my second cousin. His grandmother and mine had been sisters. I felt like I had been struck by lightning.

I visited my newfound cousin's home, which happens to be the home where my grandmother was born. There, he shared old photographs I had never seen of my dad, my uncle, and my grandmother.

Since then, I can't stop thinking about my family of Rotary. When I refer to you as my family, I'm not just being kind. I really think of everyone in Rotary as my family. But I never would have imagined that my Rotary family would introduce me to long-lost personal family.

Sitting in that community center listening to traditional Slovakian music from my childhood filled me with joy and a profound sense of belonging. I am so grateful to District Governor Cechova and everyone who helped create that magical experience.

As members of Rotary, we have a unique opportunity to share the same magic with each other and with the world. I encourage you to consider how you can help spread that magic and ensure other members of your club — other members of our Rotary family — feel like they truly belong.

Dear Fellow Rotarians and Friends,
As we step into the month of September we reflect on another busy and impactful period for Rotary Club of Patna Kankarbagh. The past month has been an inspiring one, filled with service, collaboration, and meaningful engagement, and I'm thrilled to share the highlights with you in this edition of Pahal.

August at a Glance: Projects That Made a Difference

Our club has always taken great pride in identifying the needs of the community and delivering impactful projects, and August was no exception. One of the standout initiatives this month was *Tree Plantation Drive* , Together, we planted over 500 saplings , ensuring that we continue to play our part in building a greener, healthier future. Each tree we plant today is a symbol of hope for future generations.

Health and Education at the Forefront

As always, health and education remain key focus areas for our club. This month, we organized a *Free Health Check-up Camp* benefiting many individuals. It was heartening to see so many volunteers coming forward to ensure the event ran smoothly.

Weekly Meeting and BOD

Our RWMs and BODs were marked by dynamic discussions and new ideas. The sessions sparked discussions on how we, as Rotarians, can take a proactive role in promoting mental well-being in our communities.

Looking Ahead

September is shaping up to be just as exciting, with several key projects awaiting to be accomplished.

As we move forward, I encourage all members to stay engaged, contribute ideas, and participate in our upcoming projects. Together, we are making a tangible difference in our locality, and it is our unity and passion that drive our success.

Thank you for your continued support and commitment to our mission. Here's to another month of meaningful work and community service.

Yours in Rotary,

Creating inclusive meeting spaces --A commitment towards DEI

An inclusive meeting space is one where all members feel welcome and valued.

Creating this kind of environment includes ensuring that the location is accessible to all, providing translation services if needed, and having an atmosphere where everyone feels comfortable sharing their ideas.

Agreeing on practices that promote respect and active listening can help make meetings more productive and inclusive.

From DEI Advisory Council Chair Valarie Wafer, here are some ways to facilitate inclusive meetings:

- * Ensure diverse representation: Include members from various professional, cultural, and demographic backgrounds.**
 - * Promote inclusive leadership: Rotate the meeting roles to give different members the opportunity to lead.**
 - * Consider the meeting environment: Choose accessible venues and consider the cost and people’s dietary needs.**
 - * Use technology to help: Offer hybrid meeting options and use features such as closed captions.**
 - * Be culturally sensitive: Use inclusive language and acknowledge significant holidays and religious events.**
 - * Offer ways for people to give feedback: Establish channels for members to share their thoughts and opinions. message**
 - * Provide education and training: Ask members to identify topics of interest and organize DEI workshops based on feedback.**
 - * Engage with your community: Partner with local organizations focused on diversity and inclusion.**
- By considering these details, we can make every member feel like they belong. We invite you to submit any questions about inclusion or share your stories about making your club or district more inclusive. Send them to askdei@rotary.org. Your experiences and inquiries can help all learn and grow together!**
