

YOUR LEADERSHIP WILL HELP CLUB CALCUTTA-INNER CITY DO MORE GOOD IN THE WORLD

Dear Ronit,
As we kick off a new Rotary year, we want to thank you for leading your club this year. Promoting giving to The Rotary Foundation is among your priorities this year, so we encourage you to watch how

your giving will inspire our members to give more, creating more resources to build stronger, healthier communities.

While individual giving abilities, preferences and cultural norms vary in our global organization, as leaders, we share responsibility for growing the resources that transform ideas and fellowship into sustainable, high-impact grants.

The more we lead by example, the more we'll increase giving amongst our members, and the faster we'll progress towards this year's Foundation giving goals.

You'll hear more about the importance of our personal contributions as the year unfolds.

Together we as leaders can facilitate a motivating, productive year that generates more giving than ever before.

Thank you for your leadership, service, and dedication to Doing Good in the World.

Sincerely,

R. Gordon R. McNally
