डिस्ट्रिक्ट गवर्नर चुनाव - 2027-28
- 2 मार्च को रोटरी वर्ष 2027-28 के डिस्ट्रिक्ट गवर्नर (DG) का चुनाव होने जा रहा है। मैं सभी क्लबों से अनुरोध करता हूँ कि मतदान के दौरान रोटरी के मूल सिद्धांत "Service Above Self" को ध्यान में रखें।
- व्यक्तिगत लाभ से ऊपर उठकर डिस्ट्रिक्ट के उज्ज्वल भविष्य के लिए सही निर्णय लें।
- हमें एक दूरदर्शी लीडर की आवश्यकता है, जो सशक्त टीम बना सके और सभी को साथ लेकर चले।

- आपका क्लब, आपका परिवार है- अपने मतभेदों को क्लब के अंदर ही सुलझाएं।

- रोटरी नेतृत्व केवल एक वर्ष के लिए होता है- मतभेद स्थायी नहीं होते, लेकिन रिश्ते स्थायी होते हैं।

मैं आप सभी से विनम्र अनुरोध करता हूँ कि रोटरी परिवार की गरिमा बनाए रखें और The Magic of Rotary को और ऊँचाइयों तक ले जाएं।

EDITORIAL

रोटरी माह :
प्रेम, शांति और
सेवा का संदेश

फरवरी का महीना रोटरी के लिए विशेष महत्व रखता है। यह न केवल प्रेम और शांति का महीना है, बल्कि इस महीने में रोटरी इंटरनेशनल का जन्मदिन भी आता है। यह वह समय है जब हम अपनी सेवा, समर्पण और वैश्विक शांति के प्रति अपनी प्रतिबद्धता को और मजबूत करते हैं। रोटरी का जादू हमारे कार्यों, संकल्पों और समाज के प्रति हमारे प्रेम में निहित है।

रोटरी का मूलमंत्र “सेवा से ऊपर स्वयं” हमें यह सिखाता है कि जब हम निःस्वार्थ भाव से समाज की सेवा करते हैं, तब सच्ची संतुष्टि और खुशी प्राप्त होती है। रोटरी पीस फेलोशिप जैसे कार्यक्रम हमारे शांति और विकास के प्रयासों को नई दिशा देते हैं। हाल ही में इस्तांबुल में खोला गया नवीनतम पीस सेंटर इस बात का प्रमाण है कि रोटरी सतत शांति की दिशा में टोस कदम बढ़ा रहा है।

हम उन सभी क्लबों का धन्यवाद करते हैं जिन्होंने समय पर अपनी रिपोर्ट इंडिया पोर्टल पर अपलोड की। साथ ही, हम सभी क्लबों से आग्रह करते हैं कि वे अपनी गतिविधियों की रिपोर्टिंग नियमित रूप से करें ताकि हमारे सभी सेवा कार्यों का सही documentation हो सके।

इस महत्वपूर्ण कार्य में मार्गदर्शन और सभी आवश्यक डेटा उपलब्ध कराने के लिए हम डिस्ट्रिक्ट गवर्नर बिपिन जी का हार्दिक आभार व्यक्त करते हैं। उनकी प्रेरणा और नेतृत्व ने हमें और अधिक प्रभावी सेवा कार्य करने के लिए प्रेरित किया है।

संपादकीय टीम का भी हार्दिक धन्यवाद, जिन्होंने इस संदेश को आप तक पहुँचाने में महत्वपूर्ण भूमिका निभाई।

“शांति, प्रेम और सेवा ही रोटरी का आधार है,
चलो मिलकर बनाएँ एक उज्ज्वल संसार है।”

RI Theme for the year 2025-26: Unite for Good.

RI President-elect Mário César Martins de Camargo calls us to Unite for Good. By using the power of human connection to welcome new members, collaborate on service projects, and build our global impact, Rotary members create positive change.

RI PRESIDENT'S MESSAGE

Stephanie A. Urchick

February 2025

*"Rotary Uniting Hearts,
Transforming Futures, Building Peace."*

This month, as we come together for the International Assembly and the Presidential Peace Conference, we celebrate *The Magic of Rotary* — a unique blend of global connection, vision, and action that empowers us to create lasting change.

One of the most inspiring examples is our Rotary Peace Fellowship program, a cornerstone of Rotary's mission to build a more peaceful and just world.

For more than 23 years, Rotary Peace Fellowships have been transforming communities. Our Rotary Peace Centers, hosted at leading universities around the globe, have educated over 1,800 fellows who now work in more than 140 countries.

These centers cultivate expertise in fields like conflict resolution, sustainable development, and peacebuilding, preparing fellows to tackle some of the world's most pressing challenges. This program exemplifies how Rotary turns vision into action, creating a ripple effect of hope and change.

This month during the Presidential Peace Conference, we celebrate a significant milestone with the opening of our newest peace centre in Istanbul. This centre will focus on training leaders to address peacebuilding challenges in the Middle East and North Africa, further extending Rotary's impact.

Peace fellows are dedicated champions of transformation, addressing critical issues such as refugee resettlement, youth and women's empowerment, and reconciliation in conflict zones. Many founded vital organizations or hold leadership roles in governments, nongovernmental organizations, and international institutions like the United Nations and World Bank.

One inspiring story is that of Ntang Julius Meleng, a 2024 Rotary Peace Fellow at Makerere University in Uganda. Through his Social Change Initiative, Julius has worked to empower young people in Cameroon to take active roles in peacebuilding and leadership.

His project provided training in conflict prevention, civic engagement, and leadership to youths and community officials in areas affected by conflict, equipping people to drive sustainable peace efforts.

Julius harnessed Rotary's global network to overcome obstacles, including limited funding and security risks, and make a meaningful impact.

The Rotary Peace Fellowship gave Julius the tools and support to turn his vision into reality. His work embodies The Magic of Rotary — the transformative power of connecting people, sharing resources, and uniting for a common purpose.

As we reflect on the achievements of our peace fellows and celebrate Rotary's enduring commitment to peace, let us also recognize the role that everyone in our network of 1.2 million members plays in creating magic through service.

Together, we can amplify our impact, inspire new generations of leaders, and build a brighter, more peaceful future.

E-Waste Project

RC Jamshedpur Steel City

"Recycle Today for a Greener Tomorrow!"

Rotary Club of Jamshedpur Steel City Organizes E-Waste Collection Drive

E-waste management has emerged as a critical environmental concern, requiring responsible disposal of discarded electronic devices such as old phones, computers, and appliances. Improper disposal leads to harmful toxins contaminating soil and water, making it crucial to recycle and reuse these items to conserve valuable resources and reduce pollution.

While working on environmental projects under the Rotary banner, the Rotary Club of Jamshedpur Steel City recognized the growing issue of e-waste accumulation. Observing large piles of unused cords and gadgets, the club realized that many individuals face the same challenge—where to discard electronic waste responsibly?

The E-Waste Collection Drive

To address this issue, the club launched an E-Waste Collection Drive with two primary objectives:

- Raising awareness about the harmful effects of e-waste.
- Providing a proper disposal platform for electronic waste.

The drive was inaugurated on January 11th in the presence of AG Rtn. Nikita Mehta and senior officials from TATA Steel. The initiative received overwhelming appreciation from the public. A designated drop-off point was set up at Beldih Club, along with a door-to-door pickup service to make e-waste disposal more accessible.

EXHIBITION – HARMONY: Promoting Sustainable Products

The inauguration was part of a larger initiative—"EXHIBITION-HARMONY", which showcased eco-friendly and sustainable products. Exhibitors from West Bengal, Odisha, and Jharkhand participated, promoting environmental consciousness while also serving as a fundraiser for the club. The event saw an enthusiastic response from Jamshedpur residents, successfully raising ₹35,000 to support Rotary initiatives.

Impact and Future Commitment

The most fulfilling outcome of these efforts was the awareness created about e-waste management and sustainability. The Rotary Club of Jamshedpur Steel City remains committed to continuing such initiatives, ensuring a greener and more sustainable tomorrow.

Through small but impactful steps, Rotary proves that "We Can Create Magic – The Rotary Way".

River Cleaning Project

RC Jamshedpur Mid town

"Swachh Nadi, Swasth Jeevan – Clean Rivers, Better Tomorrow!"

Swarnrekha River Cleanup Mission

Under the leadership of President Rtn. Preeti Saini, the Rotary Club of Jamshedpur Midtown partnered with Swachhatapukare Foundation in August 2024 to support the Swarnrekha River Cleanup Mission, an initiative running for 5.5 years to restore and preserve the river.

Now in its 23rd week, Rotarians actively join weekly cleanups, led by Project Chair Rtn. Gopal, whose dedication has inspired many. The mission is not just about removing visible waste but also about proper disposal, recycling, and promoting public awareness. Volunteers frequently find avoidable waste, highlighting the need for better waste management. The pollution has severely impacted marine life, with frequent encounters of dead fish, emphasizing the urgent need for action.

Being a rain-fed river, Swarnrekha lacks a continuous water source, making pollution a serious threat to its survival. If left unchecked, it risks turning into a stagnant, polluted water body. Every day, thousands visit the riverbanks, often unknowingly contributing to its degradation.

The Rotary Club of Jamshedpur Midtown's commitment to this project demonstrates how consistent, small efforts can drive significant change. Through their dedication, they aim to create a cleaner, healthier Swarnrekha River for future generations, reinforcing the importance of environmental responsibility and sustainability.

Bridging the Gap in Healthcare: The Mahavir Rotary Pataliputra Blood Centre

Rotary's commitment to making quality healthcare accessible has once again taken a transformative leap with the Mahavir Rotary Pataliputra Blood Centre—a state-of-the-art facility dedicated to providing affordable and accessible blood services to the underprivileged.

Located on the fourth floor of Mahavir Vaatsalya Aspatal, a renowned charitable hospital in Bihar under the Mahavir Mandir Trust, this blood bank operates 24x7, ensuring that critical blood products reach those in need at the most affordable cost. Whole blood is available at just ₹500, and for those unable to afford even this nominal amount, blood is provided free of cost.

A Vision Turned into Reality

Recognizing the urgent need for an advanced blood bank, Rotary took the initiative to establish a facility equipped with a blood separator and ventilator, significantly enhancing emergency and critical care, especially in cases of heart surgeries, pediatric care, and maternal health.

The vision for a modern blood bank was conceptualized in 2020 under then-President Shilpi Chachan, with strong support from DG Gopal Khemka. Despite the challenges posed by the COVID-19 pandemic, the project was successfully completed in August 2021.

Advanced Technology for Better Healthcare

The aphaeresis machine at the blood bank enables the separation of whole blood into essential components such as plasma, platelets, white blood cells, and red blood cells, proving invaluable in treating patients suffering from COVID-19, dengue, cardiac conditions, and severe anemia.

Rotary's efforts ensure that high-quality blood products remain available to the most vulnerable, irrespective of their financial condition. In many cases, blood and plasma are provided completely free of charge to those in desperate need.

A Legacy of Service: Strengthening Healthcare in Bihar

This initiative is a part of Rotary's ongoing collaboration with Mahavir Trust, which has been instrumental in launching various impactful healthcare projects, including:

- Mukti Rath (Hearse Vehicle) – Serving Patna residents since 2014

- Dialysis Centre – Offering affordable treatment across income brackets
- Heart Surgery Unit – Extending critical cardiac care to the needy

The Mahavir Rotary Pataliputra Blood Centre has become a lifeline for countless patients, setting new benchmarks in public health service and social responsibility. As Rotarians, we believe in creating lasting change, and this blood bank is a testament to the Magic of Rotary, ensuring that no life is lost due to a lack of blood.

Currently, Rtn Swanyakar Kaushalendra oversees the operations of the Blood Bank. As a dedicated Rotarian, he personally ensures its smooth functioning and effective service to the community.

With unwavering support from Rotarians and well-wishers, this project continues to bridge the gap in healthcare, making Bihar's medical landscape more inclusive and compassionate.

Join Hands, Save Lives

Rotary invites everyone to support this noble cause, whether by donating blood, spreading awareness, or contributing to the sustainability of this life-saving initiative. Together, we can ensure that no patient in Bihar suffers due to a lack of blood.

Rotary creates magic by turning compassion into action. This blood bank is our promise to humanity—a beacon of hope, service, and unwavering dedication to saving lives.
