

Unlocking the Magic:
A Year of Transformative Service

Governor's Message

Dear Fellow Rotarians,

August presents us with a unique opportunity to celebrate the heart of Rotary: our members. You are the most valuable asset of our organization, and it is truly a privilege to meet so many dedicated Rotarians. Our achievements are a testament to the passion and commitment each of you brings to our clubs, communities, and the world at large. Membership growth and retention are vital for our continued success. While there is no "magic" solution to increasing our numbers, it does require concerted effort and a willingness to share the joy of Rotary with others. This month, let's focus on strategic initiatives that highlight the benefits of Rotary.

Prioritize Membership: Making membership growth a priority ensures that we give it the attention it deserves. It's a shared responsibility that goes beyond just the club president or membership chair; it involves all of us. By creating and inviting an enjoyable club environment, we not only attract new members but also retain the ones we already have.

Friendly Competition: To spice things up, consider dividing your club into teams and fostering friendly competition. See who can sponsor the most new members, and reward the winners with Paul Harris points, discounted club fees, or a donation to the Rotary Foundation. This not only keeps membership on top of mind but also injects some fun into the process.

Expanding Our Reach: We must also look beyond our current boundaries and consider opening clubs in areas where Rotary's presence is limited. The more like-minded individuals we bring into our fold, the greater our impact can be.

Let's remember that our success depends on our collective effort. Let's continue to share the "Magic of Rotary" and work together to strengthen our organization.

RI PRESIDENT'S MESSAGE

Casting a global Spell : The Magic of Rotary

If we are to truly change the world with The Magic of Rotary, it's up to all of us to foster a sense of belonging in our clubs. But every club should take its own path to get there, and the Action Plan can help you find your way. What does that look like?

Take for instance the Rotary Club of Beveren-Waas in Belgium. It was chartered in 1974 but has evolved with the times, developing both a strategic plan and a membership plan. To find new members, the club analyzes the city's professions to help focus its search, and all new members are quickly assigned tasks and roles.

The club also mixes up meeting times, alternating between evening and afternoon sessions, making them accessible for all members.

Sometimes, circumstances force clubs to make changes. But as people of action, we know that behind every obstacle is an opportunity. The Rotary Club of Holyoke in Massachusetts was forced from its meeting place because of rising costs after the COVID-19 pandemic, but members took this setback and turned it into a strength. The club started meeting in a library community room that was available for no charge and catering lunch from a nearby deli. Lunch costs \$10 per person but it's optional, so no one has to spend money to attend a meeting. What a great way to work toward being "fair to all concerned."

Since making this change, the Holyoke club has gained 13 members. I suspect part of its membership growth is due to the club's sense of inclusivity — the first step toward belonging.

If you ask members what they expect from the club experience, you might find that your club doesn't meet expectations. Think of this as an opportunity to reshape your club in exciting ways, as alternative club models are making a positive impact.

For example, a Rotary Fellowship called Beers Rotarians Enjoy Worldwide, or BREW, has worked closely with the Water, Sanitation, and Hygiene Rotary Action Group for the past eight years to assist with clean water projects. In that time, BREW has funneled 25 percent of its dues to those initiatives.

BREW is one of many examples of members pursuing belonging to improve the world.

I can't stress enough the importance of belonging. Clubs become simply irresistible when all members feel that they are exactly where they need to be. To me, belonging is the spark that ignites The Magic of Rotary.

As you receive feedback from club members and the community you serve, I urge you to pursue that spark. The Action Plan can help you find the path to success, and if you light your way with the spirit of belonging, that path will lead to a bright future for your club, your community, and the world.

First Lady's Message

Shilpi Chachan

The Magic of Rotary is igniting with renewed enthusiasm and optimism. Our clubs are embracing impactful and meaningful Service Projects, working tirelessly to expand Rotary, strengthening our Rotary Foundation, and fostering innovation while engaging our members. This revitalized spirit is a testament to our collective commitment to making a tangible difference in our communities and beyond.

As we advance the Rotary Action Plan, our aim is to amplify our reach by showcasing Rotary's significant contributions to society and the rich opportunities it provides for fellowship, connection, and personal growth.

मंडलाध्यक्ष 2024-25 का प्रतिस्थापन समारोह

रोटरी क्लब ऑफ़ पटना सिटी सम्राट के तत्वावधान में मंडल 3250 में "शंखनादः मंडलाध्यक्ष 2024-25 के प्रतिस्थापन समारोह" का भव्य आयोजन किया गया। इस महत्वपूर्ण आयोजन में मुख्य अतिथि PRID अशोक महाजन, इंस्टालेशन ऑफिसर PRID कमल सांघवी, और विशिष्ट अतिथि DG 2023-24 शिव प्रकाश बागड़िया शामिल थे। इसके अलावा, DGE नम्रता और DGN अनु नारंग सहित कई पूर्व मंडलाध्यक्षों ने भी इस समारोह की शोभा बढ़ाई।

इस विशेष आयोजन को यादगार बनाने के लिए क्लब और मंडल स्तर पर दो प्रमुख सेवा कार्य किए गए। पटना सिटी सम्राट क्लब के अध्यक्ष देवराज बल्लभ, सचिव देवेश नवाडिया, कोषाध्यक्ष राजीव कुमार, और सहायक मंडलाध्यक्ष दिनेश भदानी के नेतृत्व में, गरीबी रेखा से नीचे के दो ज़रूरतमंद व्यक्तियों को सामुदायिक आर्थिक विकास के तहत जीविका प्रदान करने के उद्देश्य से मुख्य अतिथि PRID अशोक महाजन और मंडलाध्यक्ष बिपिन चचान के हाथों दो ई-रिक्शा का वितरण किया गया। हर ई-रिक्शा की लागत लगभग एक लाख पचास हजार रुपये थी, और इस पहल से लाभार्थियों को न केवल आर्थिक रूप से सशक्त बनाया गया, बल्कि शहर में रोटरी की सार्वजनिक छवि को भी मजबूती मिली। इसके अतिरिक्त, एक होनहार टॉपर छात्र अपूर्व पांडेय को रोटरी सम्मान से नवाजा गया।

समारोह में मंडल के 108 क्लबों से लगभग 350 रोटेरियंस ने भाग लिया। समारोह के दौरान, निवर्तमान मंडलाध्यक्ष शिव प्रकाश बागड़िया और मुख्य अतिथि PRID अशोक महाजन ने अपने प्रतिस्थापन के बाद मंडलाध्यक्ष बिपिन चचान के मंडलीय प्रोजेक्ट्स की सराहना की। बिपिन जी ने छोटे क्लबों को मंडलीय प्रोजेक्ट्स में शामिल होने के लिए प्रेरित किया और कई रोटेरियंस ने छोटे क्लबों के लिए 50,000 रुपये का अनुदान देने की घोषणा की, जिससे यह संख्या लगभग 50 तक पहुँच गई।

मंडलाध्यक्ष बिपिन चचान ने अपने लक्ष्यों को प्रस्तुत करते हुए DRFC राजन गंडोत्रा को आमंत्रित किया, जिन्होंने पावर पॉइंट प्रस्तुति के माध्यम से सभी क्लबों के अध्यक्षों, सदस्यों, और कौंसिल ऑफ़ गवर्नर्स को TRF (The Rotary Foundation) में न्यूनतम 25 डॉलर का योगदान सुनिश्चित करने का आह्वान किया। मंडल 3250 के लगभग 4200 सदस्यों द्वारा इस योगदान से एक नया रिकॉर्ड स्थापित होने की संभावना है, जो क्लब और मंडल दोनों के लिए एक मील का पत्थर साबित होगा।

मुख्य अतिथि PRID अशोक महाजन ने अपने आशीर्वचन में मंडलाध्यक्ष बिपिन चचान के लक्ष्यों को रचनात्मक और परिवर्तनात्मक बताते हुए उनकी खुलकर सराहना की। उन्होंने कहा, "अगर DG बिपिन अपने सत्र में अपने लक्ष्यों का आधा भी हासिल कर लेते हैं, तो वे एक अद्वितीय मिसाल कायम करेंगे और इतिहास रचेंगे।"

समारोह का कुशल संचालन PP डॉ. सुशील पोद्दार और रो. पूजा शर्मा ने किया। आयोजन के सफल समापन के लिए धन्यवाद ज्ञापन PP संदीप सर्राफ़, मंडल सचिव ने दिया। आयोजन के चेयरमैन सुधीर प्रभात, चार्टर अध्यक्ष विजय यादव, और रजिस्ट्रेशन चेयरमैन कुमुद रंजन के साथ-साथ सभी पूर्व अध्यक्षों और रोटरी क्लब ऑफ़ पटना सिटी सम्राट के सदस्यों ने इस भव्य आयोजन में महत्वपूर्ण भूमिका निभाई, जिसके लिए वे सभी बधाई के पात्र हैं।

Our District in Rotary News

RID 3250 on a giving high

Jaishree

This is their maiden contribution to TRF for 1,150 Rotarians across 56 Rotary clubs in our district," says Sushil Poddar, past president of RC Patna Samrat, RID 3250, as he relates how the feat was achieved.

During his installation event, DG Bipin Chachan expressed a desire to make the district a '100 per cent Giving' district; DRFC Rajan Gandotra encouraged all Rotarians to contribute a minimum \$25 to the Foundation. To set the tone, he motivated club presidents to start by transferring "just \$1 initially to experience the wonderful feeling of contributing to our Foundation." This small step also helped them overcome their fear of online transactions. "Most of us are not tech-savvy or confident about online transactions. Not many clubs are even registered on

My Rotary," says Poddar. With newfound confidence and enthusiasm, the new presidents set the ball rolling on July 1 by transferring \$25 to TRF, and motivating their teams to follow suit.

By July 26, the district Rotarians had made an Annual Fund contribution of over \$85,000 to the Foundation.

RC Patna Samrat hosted the installation event, presided over by PRID Ashok Mahajan, with PRID Kamal Sanghvi serving as the installation officer. To mark the programme, the club assisted five marginalised women procure electric autorickshaws, providing them income-earning opportunities. The women got the vehicles, each costing ₹1.5 lakh, through bank loans. "Our club provided the seed money of ₹2.5 lakh for the five vehicles. The women will repay the balance of the loan in instalments from their earnings, and

the club will monitor this," says club president Devraj Ballabh.

DG Chachan also announced five district projects — sponsoring paediatric heart surgeries; 1,000 cataract surgeries and corrective spectacles for 500 people; prosthetic limbs; and free cancer treatment for people under 18. Various vocational training programmes will be provided to women throughout the year.

The event also saw 54 Rotarians contributing a total of ₹2.7 lakh to 'Rotary Grant', a scheme introduced by Chachan to support small clubs that lack the financial strength to do global grant projects. Rotarians were requested to contribute a minimum ₹50,000 to the grant to help smaller clubs participate in the district projects. The giving Rotarians will be recognised as 'district patrons' at a special event. ■
