

शिक्षा की राह पर रोटरी का साथ, साइकिल के साथ सपने होंगे साकार

Governor's Message

Dear Fellow Rotarians,

September marks Rotary's Literacy Month, and it gives me immense pride to share the incredible achievements our district has accomplished so far. In August alone, we successfully chartered three new clubs and welcomed 344 new Rotarians into our vibrant family. This growth speaks volumes about the passion and commitment we share toward making a meaningful difference in our communities.

Another remarkable milestone is that our district has, perhaps for the first time, achieved the status of being a 100% Giving District in The Rotary Foundation. Crossing the \$1 lakh mark in Annual Giving so early in the Rotary year is a testament to your generosity and dedication to the causes we serve. Thank you for supporting the Foundation and strengthening the Magic of Rotary.

Looking ahead, this month is packed with service and learning opportunities. We are set to host seminars on critical topics such as cancer awareness, environmental sustainability, literacy, and disease prevention in Patna and Bhagalpur. These seminars will bring valuable insights and engagement from experts, helping us drive impactful change in these areas.

I am also excited to announce our collaboration with Medanta for medical camps, which will enhance healthcare access for those in need across our district. This initiative aligns perfectly with Rotary's commitment to disease prevention and treatment.

Together, we continue to embody the true spirit of Rotary, serving above self, and I am confident that with your unwavering support, we will reach even greater heights this year.

रोटरी इंटरनेशनल

प्रिय रोटरी साथियों,

सितंबर माह रोटरी में साक्षरता माह के रूप में मनाया जाता है, और मुझे इस बात की अपार खुशी है कि हमारे जिले ने अब तक जो उपलब्धियां हासिल की हैं, वे अद्वितीय हैं। अगस्त माह में ही हमने 3 नए क्लब स्थापित किए और 344 नए रोटेरियन्स का हमने रोटरी परिवार में स्वागत किया। यह हमारी प्रतिबद्धता और समाज में सकारात्मक बदलाव लाने की हमारी साझा इच्छाशक्ति को दर्शाता है।

एक और महत्वपूर्ण उपलब्धि यह है कि पहली बार हमारा जिला रोटरी फाउंडेशन में 100 प्रतिशत गिविंग जिला बन गया है। वार्षिक योगदान में +1 लाख का आंकड़ा पार करना आपकी उदारता और सेवा के प्रति आपके समर्पण का प्रमाण है। यह रोटरी की जादुई शक्ति का प्रतीक है।

आने वाले महीने में हमें कई महत्वपूर्ण कार्यक्रमों और सेवाओं में भाग लेने का मौका मिलेगा। पटना और भागलपुर में हम कैंसर जागरूकता, पर्यावरण संरक्षण, साक्षरता और रोग निवारण पर सेमिनार आयोजित कर रहे हैं, जो इन क्षेत्रों में जागरूकता और बदलाव लाने में मददगार साबित होंगे।

इसके अलावा, हमारे जिले ने मेदांता अस्पताल के साथ मेडिकल कैंप्स आयोजित करने के लिए साझेदारी की है, जो रोग निवारण और स्वास्थ्य सेवाओं को सुदृढ़ करेगा।

आप सभी के सहयोग से हम रोटरी की सच्ची भावना को आगे बढ़ा रहे हैं और मुझे पूरा विश्वास है कि हम इस साल और भी ऊँचाइयों को छूने में सफल होंगे।

Dear Fellow Rotarians,

At GML, our goal goes beyond delivering a monthly newsletter; we aim to be a source of inspiration and connection within our Rotary community. We strive to present stories that uplift, ideas that inspire creativity, and updates that keep you connected with the remarkable work happening throughout our district. Each edition embodies our shared commitment to creating a positive impact, and we take great pride in curating content that truly reflects the spirit of Rotary.

I am delighted to share that, during the month of August, 64 of our clubs contributed their activity reports. This reflects the dynamic and active community we have within RID 3250.

Nevertheless, our ultimate goal is to feature contributions from all 113 clubs in our district, ensuring every voice is heard and every story finds its place.

In this issue, we've put a spotlight on District Membership Seminar. Additionally, as part of our commitment to highlighting impactful initiatives, we have covered a Global Grant project, fulfilling our objective to feature one such project in every edition.

Your continued support is invaluable to us. Please keep sharing your news, updates, articles, creative works, and experiences that will engage our diverse audience. Together, we can continue to build a GML that genuinely reflects the essence of Rotary.

A heartfelt thank you to the GML team for your unwavering support and dedication. I am also deeply grateful to District Governor Bipin Chachan and First Lady Shilpi for providing valuable updates.

RI PRESIDENT'S MESSAGE

Stephanie A. Urchick

September 2024

As Rotarians, we have a unique opportunity to share the magic with each other and with the world...

The Magic of Rotary is belonging, and it's a feeling that can appear when you least expect it.

Earlier this year, I was in Slovakia serving as a president's representative during a six-week trip through Europe. When I wrote to Katarina Cechova, governor of District 2240 at the time, I mentioned that my grandmother Veronica Zilka grew up in a small village in the area before settling in the U.S.

It wasn't long before Cechova tracked down my grandmother's village, Jakubova Vol'a. She even organized a visit for me, where I received an unforgettable Slovakian welcome.

When I entered the community center of Jakubova Vol'a, a small crowd of people dressed in traditional Slovakian clothing greeted me. They sang with beautiful and powerful Central European voices that reminded me of my grandmother.

A lot of families play cards or games when they get together. When I was young, my father would pick up his accordion and lead my family in song. My grandmother would sing along with her impressive voice.

When I walked into the community center and heard traditional music from my childhood — when I saw a woman play the accordion the way my dad played — I suddenly felt like a little girl sitting at my grandmother's house in Monessen, Pennsylvania. I burst into tears of joy at the memories.

But the magic didn't stop there. District Governor Cechova really outdid herself. A local genealogist worked with a videographer to make a short film about my grandmother. We watched the video together in the community center.

When the video ended, I turned around and saw a man standing in the back of the room. I quickly learned that this stranger, Frantisek Zilka, was my second cousin. His grandmother and mine had been sisters. I felt like I had been struck by lightning.

I visited my newfound cousin's home, which happens to be the home where my grandmother was born. There, he shared old photographs I had never seen of my dad, my uncle, and my grandmother.

Since then, I can't stop thinking about my family of Rotary. When I refer to you as my family, I'm not just being kind. I really think of everyone in Rotary as my family. But I never would have imagined that my Rotary family would introduce me to long-lost personal family.

Sitting in that community center listening to traditional Slovakian music from my childhood filled me with joy and a profound sense of belonging. I am so grateful to District Governor Cechova and everyone who helped create that magical experience.

As members of Rotary, we have a unique opportunity to share the same magic with each other and with the world. I encourage you to consider how you can help spread that magic and ensure other members of your club — other members of our Rotary family — feel like they truly belong.

District Membership Seminar 'IGNITE'

August 25, 2024 - Swarnbhumi Banquet, Ranchi
Host : RC Ranchi

रोटरी क्लब ऑफ रांची के तत्वावधान में रविवार, दिनांक 25/8/2024 को स्वर्णभूमि वेंकवेट, रांची में डिस्ट्रिक्ट मेंबरशिप सेमिनार “इग्निट” का आयोजन हुआ। इस कार्यक्रम में बिहार-झारखंड के 60 क्लबों के 356 से अधिक रोटेरियन शामिल हुए। इग्निट कार्यक्रम में सदस्यता, क्लब का विस्तार, विभिन्न प्रोजेक्ट, क्लब का उद्देश्य, क्लब में महिला सदस्यों की भूमिका, नए आईडियाज, क्लब की मजबूती, गाँवों में रोटरी की उपस्थिति आदि बिंदुओं पर चर्चा की गई।

एमओसी ललित त्रिपाठी और अध्यक्ष गौरव बागरॉय ने अतिथियों का विधिवत स्वागत किया।

सेमिनार चेयर रो. मुकेश तनेजा ने कहा कि यह सेमिनार 100 प्रतिशत इंटरएक्टिव होगा और रोटेरियन सदस्य अपने सवाल रखकर पैनल से अपने जवाब पा सकेंगे।

डिस्ट्रिक्ट ट्रेनर पीडीजी संजीव ठाकुर ने इग्निट के उद्देश्य पर चर्चा करते हुए कहा कि यह आयोजन क्लब के विस्तार में बड़ी भूमिका निभाएगा।

डीजी बिपिन चाचन ने क्लब के विज़न पर अपनी बात रखते हुए डिस्ट्रिक्ट एक्शन प्लान को समझाया। उन्होंने कहा कि यह आयोजन हम सभी को प्रेरित करता है, और हम सदस्यों की संख्या को अधिक से अधिक बढ़ाने का प्रयास करें।

डीएमसी जोगेश गंभीर ने नए क्लबों के गठन और नए लोगों को जोड़ने पर बल देते हुए कहा कि समाजसेवा व आम लोगों के बीच रोटरी क्लब के कार्यों को अधिक से अधिक प्रसारित

किए जाने की जरूरत है। लोग कार्यों से परिचित होंगे तो वे क्लब से जुड़ने के लिए प्रेरित होंगे।

पीआरआईडी कमल सांघवी ने रोटरी इंटरनेशनल, रोटरी भारत और क्लब 3250 के परस्पर सहयोग पर चर्चा की। उन्होंने मेंबरशिप बढ़ाने और सदस्यों की सहभागिता पर जोर दिया।

मुख्य अतिथि, डिस्ट्रिक्ट 3291 के पीडीजी रवि सेहगल ने कहा कि हम एक अंतरराष्ट्रीय संगठन हैं, लेकिन पिछले कुछ वर्षों से हमारी घटती सदस्यता एक समस्या बनी हुई है, जिसे हल करना आवश्यक है। उन्होंने कहा कि क्लब के द्वारा किये गये कार्य जनमानस पर गहरी छाप छोड़ते हैं। यदि इसकी सेवाओं की बात करें तो उसे अंगुलियों पर गिना पाना संभव नहीं है। हमारी टीम जितनी बड़ी होगी, हम उतने ज्यादा लोगों और क्षेत्रों में पहुंच बना सकेंगे, जिसका फायदा समाज को होगा।

विशिष्ट अतिथि, डिस्ट्रिक्ट 3191 के पीडीजी समीर हरियानी ने कहा कि आज अंतरराष्ट्रीय स्तर पर सदस्यों की संख्या बढ़ाने की आवश्यकता है। इस उद्देश्य की पूर्ति के लिए रोटरी क्लब की विभिन्न इकाइयों को सक्रिय होकर नए लोगों को साथ लाने का काम करना होगा। नए सदस्य नई ऊर्जा और नए विचार भी लाएंगे, जिसे सभी लोग मिलकर धरातल पर उतारने का प्रयास करेंगे।

क्लब के अध्यक्ष गौरव बागरॉय ने कहा कि यदि सभी सदस्य वर्ष में केवल एक सदस्य को क्लब से जोड़ें, तो सालभर में सदस्यों की संख्या दोगुनी हो सकती है।

पैनल डिस्कशन में पीडीजी अजॉय छाबड़ा, पीडीजी राजीव मोदी, डीजीई नम्रता, डीजीएन अनु नारंग, रो. मर्यादा गंभीर ने सदस्यों के सवालों का जवाब दिया।

डीएसजी संदीप सराफ ने सभी को कार्यक्रम में शामिल होने और रोटरी क्लब ऑफ रांची के समस्त सदस्यों के अथक प्रयास को सराहा एवं कार्यक्रम के सफल आयोजन के लिए धन्यवाद दिया।

OBITUARY

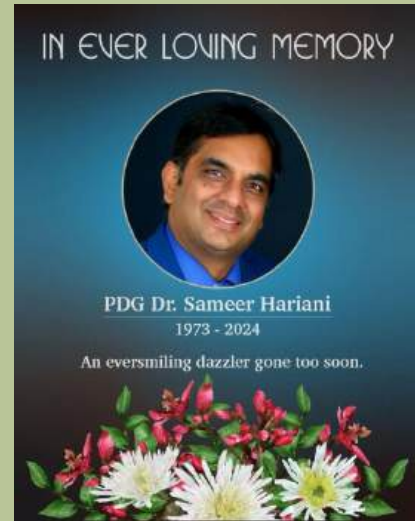

From RID 3191

Unbelievable and shocking!

Just a few days ago, he was fit and fine. He was one of the heroes of our membership seminar on 25th August, and his legacy will forever remain in our hearts.

We traveled together for 7-8 hours from Patna to Ranchi, and I still can't get over his talks and singing.

Truly, as they say, we are all just guests here on earth. May his soul rest in peace.

The secret of flourishing clubs

What is one thing the most successful clubs have in common? They set goals — and not just for the upcoming year.

When club leaders plan for the future, they provide the club with direction and purpose. Whether that's welcoming more members, completing more service projects, or improving the club experience, goal setting motivates members and inspires you all to work towards a common purpose.

Rotary Club Central makes planning and tracking their goals easy for Rotary and Rotaract clubs. Club leaders can use the tool to set and record accomplishments, while members can view the club's progress. Plus, future club leaders can use previous goals to make informed decisions about the club's future and set up to three years' worth of goals.

If you're not sure where to begin, ask yourself:

- How many members does our club want by the end of the Rotary year? How about two years from now?
- How many members do we want to participate in service projects?
- Does our club have an up-to-date strategic plan?
- How much money (US\$) do we want to contribute to The Rotary Foundation?
- How can we increase our public image in the community?
- What type of club experience do we want to offer members?
- Are there any local organizations we can establish partnerships with?

It's never too late to start planning for your club's future. Visit [Rotary Club Central and get started.](#)

ROTARY BASICS

The Spellbook of Rotary: Basics for every Rotarian

PDG Sanjeev Thakur
District Learning Facilitator

Guiding Principles

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the actions we take in the world.

Objects of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **1st** : The development of acquaintance as an opportunity for service.
- **2nd** : High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- **3rd** : The application of the ideal of service in each Rotarian's personal, business, and community life.
- **4th** : The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

The Four-Way Test is a non partisan and non-sectarian ethical guide for Rotarians to use in their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings: Of the things we think, say, or do:

- | | |
|---|--|
| 1. Is it the TRUTH? | 2. Is it FAIR to all concerned? |
| 3. Will it build GOODWILL and BETTER FRIENDSHIPS? | 4. Will it be BENEFICIAL to all concerned? |

Avenues of Service

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity:

- Club Service focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- Vocational Service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.
- Community Service encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects.
- International Service exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- Youth Service recognizes the importance of empowering youth and young professionals through leadership development programs such as Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

Core Values

Rotary International has five core values that guide its actions and decisions:

- Service: Rotary's motto is "Service Above Self."
- Fellowship: Encouraging friendship and mutual respect among members.
- Diversity: Embracing a wide range of professions, cultures, and backgrounds.
- Integrity: Maintaining high ethical standards in all aspects of life.
- Leadership: Developing leadership skills and taking responsibility for meaningful, sustainable projects.

Rotary's Mission and Vision

- Mission: To provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.
- Vision: "Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

CLUBS IN ACTION

Weaving Magic Locally

AMRAPALI MUZAFFARPUR

An awareness program was held at Amrit Mother & Child Hospital for Breastfeeding Awareness Week, where experts dispelled misconceptions about breastfeeding. A Rotary Kanwariya Shivir cum Bhajan Sandhya was organized at Mangal Bela, Ramdayalu, jointly by RC Amrapali, RC Muzaffarpur, RC Yugal, RC Licchavi, and RC Anjuman. Additionally, a plantation program was organized at Dr. Indira Institute of Nursing and Paramedical, where 200 saplings were planted.

ARRAH

A Mehandi competition was organized at Jain Bala Vishram School, Arrah. An awareness program on breastfeeding and breast cancer was held at the clinic-cum-residence of Rot. Dr. Jeet Sharma, focusing on the prevention and cure of breast cancer and the importance of breastfeeding. An awareness program on general health matters was also conducted. Additionally, a plantation activity took place at Shobha Rammurti Saraswati Shishu Mandir, Bahiyara, Bhojpur.

BEGUSARAI

A tree plantation drive was conducted at the Graphite India Ltd factory in Asurari, Begusarai, where 100 saplings were planted. The Annapurna Project was carried out in Asurari village, providing meals to daily workers. Bone Mineral Density (BMD) tests were conducted for 78 people, and those with abnormal results received proper advice and care. Additionally, under the Annapurna Project, a vehicle carrying food grains, vegetables, utensils, and other supplies was dispatched to Enarawaran, with services continuing until August 20 at Begusarai Sultania Dharamshala.

BETTIH CENTRAL

A sewing machine and materials were provided to the SAHELI CENTRE in Lauriya, supporting 26 girls learning stitching. On National Bone and Joint Day, 72 people were screened for bone density by Rtn. Dr. Umesh Kumar, who gave health advice. Three dental surgeries were performed by Rtn. Dr. Shekhar Prashant at a clinic, and four underprivileged girls received cervical cancer vaccines at Dr. Sudha Chandra's clinic. Sixty people had health checkups conducted by Rtn. Dr. Kunal Kundan. A flag hoisting ceremony was held at the adopted school on Independence Day. A candle march was organized to protest a tragic incident in Kolkata. A cervical cancer awareness program was held at St. Xavier School, reaching 450 students. Six fans were donated to the adopted school under the 'Happy School' initiative by Rotary India Literacy Mission.

BHAGALPUR

A Kanwariya Sewa event was organized at Nihar Hotel. Independence Day was celebrated at Nihar Hotel to mark the 78th year of Independence. Another Kanwariya Sewa event was held on August 18th at Nihar Hotel.

BODH GAYA

100 trees were planted at Ghonghariya Village. The Annapurna project also included the distribution of food items at Siddhartha Compassion School.

BOKARO STEELCITY

A health camp was held in collaboration with Paras Hospital, where 109 individuals received health checkups. The club distributed fruits and juices to Kanwadis in a camp between ITI Mod and Pindrajoda. Additionally, they conducted a tree plantation drive, planted 21 fruit trees, and distributed saplings to promote environmental awareness. The club also hosted a successful blood donation camp, where nine members voluntarily donated blood.

BUXAR

Rotary Buxar inaugurated a cold water RO purifier at Sri Chandra Mandir, with the ceremony led by Sri Dharendra Kumar Mishra, S.D.M. Buxar. On Independence Day, the club organized a flag hoisting ceremony at Rotary Bhavan and distributed sweets to 200 laborers at Jamuna Chouk. Additionally, they hosted a football match at Kila Maidan between Buxar and Banaras in memory of Late Rtn Dr. S. Singh. The club also planted trees at Sri Sitaram Sangrahalya Campus and organized a PPH camp at Sri Chandra Mandir.

CHAIBASA

Rotary Club of Chaibasa, in collaboration with the Jharkhand State Co-operative Bank Chaibasa Branch, organized a plantation program at the bank premises, where they planted 40 fruit plants.

CHAKIA

The Rotary Club of Chakia organized a candle march on 22/08/2024, demanding justice for Dr. Momita in the Kolkata rape and murder case. They also organized a health camp at Vikash Healthcare Centre with the support of Dr. Shahnawaj Alam from Sri Krishna Medical College and Hospital, Muzaffarpur. A total of 97 people benefited from the health checkup, receiving medical assistance and free medicines.

CHANAKYA

The Rotary Club of Chanakya initiated a comprehensive literacy project in Rastriya Ganj Seva Basti to empower the community with educational resources. They also organized an awareness program on mental well-being at ABC College of Education, featuring Dr. Vinay Kumar as the guest speaker. A plantation drive was launched to plant 500 fruit trees at IGIMS campus. On Indian Organ Donation Day, the club created awareness about organ donation at IGIMS and honored members who pledged to donate their organs. Additionally, breakfast was served to over 450 poor and needy people on various occasions, and 25 girls aged 9 to 14 were vaccinated against cervical cancer at Mahavir Cancer Sansthan. The club celebrated Rakhi with paediatric cancer patients at Mahavir Cancer Sansthan by distributing sweets and gifts, bringing joy to the children. A protest march was also organized with 3,000 participants, including members of IMA, Rotary, and Lions Clubs, along with students from various colleges. Furthermore, over 100 people were screened for Hepatitis B and C, and morning walkers were screened for height, weight, BP, and blood sugar levels. Finally, Dr. Sudhanshu Banka performed a successful corneal transplant on Bhikhari Paswan, using a corneal graft procured from Hyderabad Eye Bank, giving the patient hope for restored vision.

CHANAKYA PRIDE

The club undertook a vital cervical cancer vaccination project for girls aged 9 to 12 at Alphabets, with vaccinations administered by Dr. Sweta's clinic at Alok Medical Centre. Rotary Club of Chanakya Pride distributed 300 notebooks to students of Kanya Madhya Vidhyalaya and Balak Madhya Vidhyalaya. Independence Day was celebrated at Kanya Madhya Vidhyalaya as part of their Happy School Project, where students performed skits and dances. The club gifted all participants and distributed food boxes, pencil boxes, and biscuits to 200 students.

CHAS

The Rotary Club of Chas celebrated Independence Day by hoisting the national flag and distributing notebooks, stationery, and snacks to 150 children. A health camp, "Know Your Numbers," offered free check-ups to 83 individuals, promoting health awareness. On August 21, 2024, the club organized a blood donation camp, collecting 36 units of blood for thalassemia patients.

DARBHANGA VIDYAPATI

District Governor Bipin Chachan and First Lady Rtn Shilpi Chachan visited the Rotary Club of DBG Vidyapati. They inaugurated a direction sign board on Shobhan Bypass, created by the club. The Club in collaboration with Akashvani Darbhanga, celebrated the "Har Ghar Tiranga" program to promote unity and honor martyrs, coordinated by Ashish Singh, with contributions from AIR officials and community leaders.

DEOGHAR

Rotary Deoghar organized a free langar sewa for 2,000 kaanwariyas in collaboration with the Rupa Foundation of Kolkata. Additionally, during the one-month-long Shravani Mela, the club operated a free lemon water and fruit distribution camp, benefiting over 300,000 kaanwariyas. More than 5,100 plants were nurtured, and 3,500 new saplings were planted under the project Vasundhara.

DHANBAD

The Kishori Mela under the Global Grant Pehle Hazaar Din, focused on menstrual hygiene, child marriage, and personal safety, involving interactive sessions to build awareness. Four beneficiaries were fitted with LN-4 hands at the Jaipur Limb Centre, Dhanbad. An awareness campaign on pregnancy and lactation was held at Chatrutand Area, attended by 25 women, with guidance provided by Dr. Pratibha Rai. The DLSA organized a training session for teachers, parents,

and special children at Jeevan Jyoti School. A health camp at Union Club, offered check-ups for blood pressure, sugar, weight, and ECG. The club also distributed food packets to special children at Jeevan Jyoti School on Independence Day, following a flag-hoisting ceremony. Blood donation camps at Union Club and Jain Milan collected 49 units of blood in total, in collaboration with SNMMCH Dhanbad.

DHANBAD MIDTOWN

On 15th August 2024, the Independence Day celebration was held at Rotary Hall, Namdhari Hospital, featuring the distribution of certificates and prizes to saheli centre students, followed by a fellowship. In August 2024, the Saheli Centre II in Nirsa conducted four computer classes for 24 underprivileged girls, totalling 8 hours. Additionally, 82 dialysis sessions were provided to 12 beneficiaries during the same month.

DHANBAD NORTH

The Rotary Club established a concrete foundation for constructing a multifunctional hall to serve the community as a Rotary Community Corps. A health camp with free medicine distribution was also organized in Koranga Patti, Dhaiya, Dhanbad.

DHANBAD SOUTH

Organized Sawan Mahotsav, featuring various Sawan-themed programs and distributed prizes. On the occasion of the 78th Independence Day, a Saheli Center for women's empowerment and employment was inaugurated by PDG Sanjay Khemka. The club provided sewing machines and raw materials, aiming to enable women to become self-reliant and secure employment.

GARHWA UDAY

The club celebrated Independence Day with a flag hoisting ceremony and later organized a Sawan Mahotsav, which included a family get-together for all members.

GAYA

In a significant step toward empowering women and fostering self-reliance, the Rotary Club of Gaya distributed 10 sewing machines to women in need. The aim of this project was to provide these women with the tools and skills necessary to create sustainable livelihoods, enabling them to support themselves and their families.

GAYA CITY

On August 9th, a free Project Positive Health (PPH) camp was conducted at Abhineet Nursing Home, where the height, weight, blood sugar, and blood pressure of 52 individuals were recorded, and appropriate advice was provided. Later, on August 29th, the Rotary Club of Gaya City celebrated National Sports Day with the Magadh Archery Academy of Gaya. During the event, 27 children from the academy who had won medals at the state-level competition in Patna were honored and encouraged to continue their efforts in state and national competitions. Additionally, plans were made to form an Interact Club at the Magadh Archery Club to further promote sports among students.

GAYA YUVA

Rotary Club organized two events at Mediverse Hospital: a "Healthy Bones, Healthy Life" program, where 40 women received free calcium tablets to promote bone health, and a breastfeeding awareness talk attended by 50 women, led by Dr. Tejaswi Nandan and Dr. Swarnlata, to address myths and empower new mothers. Essential items, including food packets and sanitary pads, were also distributed, reflecting the club's commitment to community health and wellness.

GIRIDIH GREATER

The club organized a Kanwariya Seva camp at Khijuraiya, Deoghar, distributing fruits and medicines to Kanwariyas. Independence Day was celebrated among club members, followed by breakfast. A social awareness project was conducted to raise awareness against violence and crime against women. On National Sports Day, a "Run for Health" event was held, where participants ran from Bara Chowk to Giridih Stadium.

GIRIDIH

The club organized a tree plantation and a flag hoisting ceremony at the Rotary Eye Hospital. Fifteen students and one adult participated in a colouring competition. Magic in Action

Magical Projects of the Month

रोटरी का जादू रोटरी की सेवा से बदलती जिंदगियाँ

कभी-कभी जीवन हमें ऐसे मोड़ पर लाकर खड़ा कर देता है, जहां सारी उम्मीदें धुंधली हो जाती हैं। हमारे स्टाफ के बेटे के परिवार के साथ कुछ ऐसा ही हुआ। उनका 2.5 साल का मासूम बेटा न्यूरोब्लास्टोमा बच्चों में होने वाला एक जानलेवा कैंसर से जूझ रहा था। जब सभी अस्पतालों ने इलाज के लिए 20 लाख रुपये से अधिक का खर्च बताया, तो परिवार की उम्मीदें टूटने लगीं। उनके सामने अपने बच्चे को खोने का डर दिन-रात मंडराने लगा।

लेकिन तभी, रोटरी इंटरनेशनल डिस्ट्रिक्ट 3250 का “जादू” उनके जीवन में आशा की एक किरण लेकर आया। रोटरी ग्रुप में पटना के महावीर कैंसर संस्थान और रिसर्च सेंटर में मुफ्त कैंसर उपचार की जानकारी साझा की गई। इस पहल ने परिवार की उम्मीदों को फिर से जिंदा कर दिया।

यहां PDG डॉ. एल.बी. सिंह, जो महावीर कैंसर संस्थान के सुप्रिटेडेंट और जिला कैंसर जागरूकता एवं रोकथाम टीम के अध्यक्ष हैं, ने न केवल इस मासूम की जिंदगी बचाने के लिए आगे कदम बढ़ाया, बल्कि यह सुनिश्चित किया कि उसे बेहतरीन इलाज मिले। उनके नेतृत्व और मार्गदर्शन में तुरंत इलाज शुरू किया गया।

रोटरी डिस्ट्रिक्ट गवर्नर बिपिन चाचान के सक्रिय नेतृत्व में, रोटेरियन रवि चूरीवाला और रोटेरियन अमित गुप्ता ने भी भरपूर सहयोग दिया, ताकि यह सुनिश्चित हो सके कि इलाज बिना किसी आर्थिक बोझ के संपन्न हो। परिवार को न सिर्फ अपने बच्चे की जिंदगी मिली, बल्कि एक नई शुरुआत की उम्मीद भी।

आज, यह बच्चा स्वस्थ हो रहा है, और उसके माता-पिता की आंखों में जो चमक है, वह बताती है कि रोटरी के माध्यम से जो करिश्मा हुआ है, वह किसी चमत्कर से कम नहीं। आई.पी.पी. मनीष टरवे (रोटरी गिरिडीह) ने गर्व से कहा, “यह सच्चे अर्थों में मानवता की सबसे महान सेवा है। अगर रोटरी इस पहल का हिस्सा न होती, तो शायद इस मासूम को भगवान के भरोसे छोड़ना पड़ता।”

यह कहानी न केवल एक बच्चे के जीवन की है, बल्कि उस परिवर्तन की है, जिसे रोटरी ने लाखों लोगों के जीवन में लाया है। यह रोटरी का वह जादू है, जो उम्मीदों को फिर से जिंदा करता है। और यह जादू हर रोटेरियन के दिल और आत्मा में बसता है, जो एक बेहतर, स्वस्थ और खुशहाल समाज के निर्माण के लिए समर्पित है।

रोटरी का जादू जीवन बदलने वाली पहल

रोटरी का जादू अब लोगों की जिंदगियों में असलियत बनकर उभर रहा है। इसका सबसे मार्मिक उदाहरण है लिजा दास, 18 साल की एक लड़की, जो डिब्रूगढ़ की निवासी है और तारिणी दास की बेटी है। लिजा जन्म से ही हृदय की गंभीर बीमारी (Congenital Heart Defect) से जूझ रही थी। रोटरी डिस्ट्रिक्ट 3240 द्वारा रेफर की गई लिजा को पटना के मेदांता हॉस्पिटल में निःशुल्क ओपन हार्ट सर्जरी कराई गई।

इस अद्भुत पहल की सबसे खास बात यह थी कि लिजा के माता-पिता को इलाज पर एक भी पैसा खर्च नहीं करना पड़ा। 20 अगस्त को लिजा अपने माता-पिता के साथ पटना आई और 6 सितंबर को स्वस्थ होकर घर लौटी। उसके 17 दिन के इलाज और होटल में ठहरने की पूरी व्यवस्था रोटरी ने अपने कंधों पर ली।

रोटरी डिस्ट्रिक्ट 3250 के गवर्नर बिपिन

चाचन के नेतृत्व में, हर CHD सर्जरी को पूरी तरह से निःशुल्क मेदांता में कराया जा रहा है, और इस अनोखे प्रयास को रोटरी पाटलिपुत्र के सदस्यों द्वारा अंजाम दिया जा रहा है।

रोटरी पाटलिपुत्र के पास्ट प्रेसिडेंट नवीन गुप्ता इस परियोजना के प्रमुख सूत्रधार हैं, जिन्होंने लिजा जैसी कई जिंदगियों को नई रोशनी दी है। 2024-25 का Magic of Rotary थीम महज एक नारा नहीं, बल्कि धरातल पर साकार हो रहा है।

लिजा जैसी मासूम की जिंदगी को बचाने में रोटरी का यह जादू एक चमत्कार जैसा है। यह सिर्फ एक ऑपरेशन नहीं था, बल्कि उसके जीवन को नया अवसर, नई दिशा, और एक नया सपना देने जैसा था। इस जादुई पहल से न केवल लिजा का जीवन बदला, बल्कि उसके परिवार में एक नई उम्मीद ने जन्म लिया।

हम सभी रोटेरियन इस जादू का हिस्सा बन सकते हैं, क्योंकि हर एक रोटेरियन के भीतर वो ताकत है, जो किसी की जिंदगी को बदल सकता है। आइए, इस जादू को और भी व्यापक बनाएं, और हर जरूरतमंद को एक नई जिंदगी का उपहार दें।

रोटरी का जादू पाटलीपुत्र वृक्ष संजीवनी

पर्यावरण संरक्षण के प्रति अपनी प्रतिबद्धता को मजबूत करने के उद्देश्य से, रोटरी पाटलिपुत्र ने "रोटरी वृक्ष संजीवनी ड्राइव" की शुरुआत की। 13 अगस्त को डिस्ट्रिक्ट गवर्नर रोटेरियन बिपिन चाचान और प्रथम महिला शिल्पी चाचान ने इस अभियान का उद्घाटन किया, जो शहरी परिदृश्य में हरियाली की एक नई परत जोड़ने का प्रतीक था।

आगामी सात दिनों में, रोटरी पाटलिपुत्र के सदस्यों ने जेपी पथ मरीन ड्राइव को 500 पौधों के साथ हरे-भरे क्षेत्र में बदलने के लिए एकजुट होकर कार्य किया। यह पहल सिर्फ एक वृक्षारोपण अभियान नहीं थी, बल्कि पृथ्वी को वापस देने और स्थानीय सुंदरता को निखारने का एक प्रयास था। इस परियोजना को सुपर शक्ति फाउंडेशन के CSR फंड से लगभग 5.5 लाख रुपये की धनराशि से प्रायोजित किया गया था, जिसने हर पौधे की सुरक्षा के लिए हरे गेबियन का उपयोग सुनिश्चित किया।

अभियान में सक्रिय रूप से भाग लेने वाले 30 सदस्यों ने पौधों की रोपाई में पूर्ण समर्पण और उत्साह दिखाया, जिससे रोटरी की पर्यावरण संरक्षण के प्रति प्रतिबद्धता प्रदर्शित हुई। सप्ताह के अंत तक, जेपी पथ मरीन ड्राइव अधिक हरियाली और सुंदरता के साथ खड़ा था, जो सामूहिक प्रयास की सफलता का प्रमाण था। "रोटरी वृक्ष संजीवनी ड्राइव" न केवल पर्यावरण के प्रति जागरूकता और प्रेरणा का प्रतीक बनी, बल्कि एक हरित और टिकाऊ भविष्य के लिए सामुदायिक सहयोग का एक महत्वपूर्ण कदम भी साबित हुई।

Built at a cost of 12 lakhs, the multipurpose service center features essential facilities like a bore well, water filter, and a play school.

Key Services:

- 1. Online Services:** The centre offers awareness on government schemes, weather updates, crop info, and provides computer-related services such as PAN, Aadhaar, ration card updates, and land records management.
- 2. Rotary Playschool:** Educating 25-30 children (ages 2.5-6) with two trained teachers, the playschool offers healthy meals and weekly 'Fun Days'. Regular health check-ups are also conducted.
- 3. Health and Skill Training:** Women receive stitching and needlework training. Regular doctor visits and annual health check-up camps ensure community well-being.
- 4. Employment and Sports:** A crash course is provided for youth employment, while men's and women's football teams are supported. Santhali literacy classes have also started for adults.
- 5. Community Support:** Winter distributions of blankets and woollen garments, along with the formation of a Rotary Community Corps (RCC), aid the project's day-to-day operations.

Future Plans: Focus on art, culture, and tourism development at Keeta Dam, including facilities for visitors, with revenue used for centre maintenance.

Women on Wheels

Unlocking Freedom – Empowering women

The Rotary Club of Patna Millennium is proud to share the success story of its "Women on Wheels" project, which was enthusiastically inaugurated by District Governor Bipin Chachan on Tuesday, August 27th, 2024. This initiative was not just about teaching driving skills; it was a transformative experience designed to unlock the true potential of women.

Eleven courageous women stepped out of their comfort zones and embarked on the journey of learning to drive. For them, this was more than just acquiring a new skill—it symbolized their journey towards independence and empowerment. Mobility, for these women, is not just a means of transportation; it represents freedom, self-reliance, and the power to shape their own futures.

Through this initiative, the Rotary Club of Patna Millennium has provided these women with the confidence to explore new opportunities, expand their horizons, and take control of their life's direction. The club believes that mobility is a crucial factor in achieving independence, and it is proud to have been a part of this significant transformation.

The club extends heartfelt gratitude to DG Bipin Chachan and First Lady Shilpi Chachan for their support and encouragement. It also thanks all the club members, volunteers, and sponsors for their dedicated efforts in making this project a success.

The Rotary Club of Patna Millennium is committed to inspiring change and fostering a society where every woman has the opportunity to move forward freely and realize her full potential.

"Together, we are changing society!"

Celebrating Fellowship and Patriotism

Rotary Club of Jamshedpur Steel City continues to embody "Service Above Self" while fostering camaraderie through its beloved fellowship event, *Tiranga Antakshari*. Introduced in 1994 by Charter President Rtn. Smita Parikh, this inter-club tradition brings together Rotary clubs from Jamshedpur and Chaibasa to celebrate Independence Day Eve.

This year's event, held on August 14th at Hotel Ramada under the theme *Swarnim Bharat: Pioneering for a Golden Tomorrow*, saw spirited participation from eight clubs. The Antakshari competition, led by guest Mr. Rajat Baid from Kolkata, featured 15-member teams from various clubs, along with stall decoration contests and skit presentations based on the theme. Prizes, including cash awards, were given for the best performances, with funds directed towards club projects.

With nearly 300 attendees, the event showcased Rotarians' hidden talents, while offering new members a glimpse of Rotary's strong fellowship bonds. A highlight of the night was the participation of retired army personnel, whose singing of the national anthem filled the room with patriotic pride.

Empowering Girls - by Self Defence

The Rotary Club of Patna Aryans is proud to host "Project Empowering Girls," an inspiring initiative designed to empower young girls through martial arts training. Launched on August 9th, 2024, at Kidzee Ashopur, this commendable project offers free classes that provide essential self-defense skills, foster discipline, enhance physical fitness, and build mental resilience.

Held every Friday from 8:00 AM to 12:00 Noon, these sessions offer participants a unique opportunity to develop confidence, resilience, and personal growth. More than just a self-defense program, "Project Empowering Girls" focuses on holistic personal development, addressing crucial aspects of empowerment and ensuring a significant impact on young girls' lives.

This initiative is about shaping future leaders—young girls equipped with the skills and confidence to stand up for themselves, pursue their dreams, and contribute positively to society. By investing in their growth and potential, the Rotary Club of Patna Aryans is committed to building a brighter, more equitable future where every girl can navigate the world with strength and assurance.

I have known Rotary to be 'doing good in this world' since post World War II, helping the injured civilians through a mobile dispensary bringing healthcare to rural Singapore.

I joined Rotary for fun and fellowship and once I started getting involved in projects, Rotary became part of my life and I express gratitude as I started getting more than what I have given.

I also wanted to contribute in improving Rotary and found RI very forthcoming and open to change, that's the best part of an honorable institution - ROTARY.

Rohini Devi Rotary Netralaya A Visionary Project Transforming Lives

Rtn. Mandira Gupta
President, RC Hazaribagh Jagriti

In a country where 15 million people suffer from blindness, with 75% of cases being preventable, access to quality eye care in rural areas is crucial. The Rotary International, through its enduring commitment to service, has taken significant steps to address this issue in the village of Masipiri, near Hazaribagh, Jharkhand. The establishment of Rohini Devi Rotary Netralaya—also known as Hazaribagh Rotary Eye Hospital—has been a beacon of hope for thousands of underprivileged individuals.

The project's primary objective was to equip and set up a state-of-the-art eye hospital for cataract surgeries, initially under the Global Grant (GG) 1420933 in 2014-15, with international sponsorship from Rotary Club of Guildford, UK (RID 1250), and host sponsorship from Rotary Club of Hazaribagh Valley (RID 3250). Over the years, Rotary Club of Hazaribagh Jagriti has conducted extensive cataract screening camps in the remotest rural areas, ensuring that patients receive care right at their doorstep.

In 2022-23, the hospital underwent a major upgrade under GG-2340594 with support from international sponsors (RID 5680, USA) and host sponsors (RID 3250). This upgrade transformed Rohini Devi Rotary Netralaya from a primary to a secondary eye hospital. The installation of advanced equipment like the Phaco Machine for smaller-incision cataract surgeries and a YAG Laser to treat Posterior Capsule Opacification (PCO) has enhanced the hospital's capacity to deliver comprehensive eye care. Additionally, new technology, including a Non-Contact Tonometer, Pachymeter, B Scan, Auto Perimeter, and Fundus Camera, has enabled the hospital to treat complex cases involving retinal complications and glaucoma.

To date, the hospital has performed over 3,100 intraocular lens (IOL) surgeries, including 1,710 free cataract surgeries for the underprivileged. Eminent surgeons like Dr. Sarwar Alam and retina specialist Dr. Archana Kumari have offered their expertise to ensure high-quality care. The transformative power of this project is evident in the lives of many, such as Punia Devi, Basudeo Sao, and Md. Israel—individuals who had been blind for months or years due to cataracts but have now regained their vision, thanks to the efforts of Rotary.

The impact of Rohini Devi Rotary Netralaya has reached far beyond Hazaribagh, with international partners from the UK and USA lending their support. Special thanks are extended to Rotary Club of Guildford, Rotary Club of Renton, RI District 1250 (UK), and other contributors for championing Rotary's Preventable Blindness Program.

This project is a testament to Rotary's commitment to transforming lives. The Rohini Devi Rotary Netralaya is not just a hospital but a lifeline, bringing light to the lives of those who had lived in darkness. As Sister Gemma Mende, a long-serving Australian nun, remarked after her visit, "**The commitment and enthusiasm here are inspiring. The setup and its cleanliness are testaments to the belief that the poor deserve the best.**"

Through their tireless efforts, RC Hazaribagh Jagriti has indeed become a changemaker, giving meaning and mission to once darkened lives.

BASIC EDUCATION & LITERACY MONTH

Rotary's goal is to strengthen the capacity of communities to support basic education and literacy because we highly value literacy projects due to their transformative impact on communities.

As September is designated as the Month of Basic Education and Literacy, we need to focus on the literacy projects of the Rotary India Literacy Mission (RILM), which envisions a literate India through its TEACH Programme.

At the core of our mission is the belief that education is not just a fundamental right but a powerful catalyst for personal and

social transformation. The Rotary India Literacy Mission (RILM) has been tirelessly working towards a future where every individual, regardless of their background, has access to quality education, with the goal of making India fully literate.

Therefore, we need to focus on the TEACH Programme:

- T** - Teacher Support: Follow the guidelines provided in the Nation Builder Award based on the evaluation process developed by RILM. Recognize and felicitate outstanding teachers with the Nation Builder Award. Teacher training is essential for building confidence and enhancing skills. Clubs should organize workshops as outlined by RILM.
- E** - E-Learning (E-Shiksha): RILM has developed software in partnership with NCERT that aims to improve teaching and learning through the use of curriculum-based audiovisual modules in local languages. In many states like Maharashtra and Punjab, it has been implemented. However, in Bihar, it has been approved by the Bihar Government but not yet implemented, while in Jharkhand, it is still awaiting approval. Therefore, not much progress has been made.
- A** - Adult Literacy: RILM and the Government of India plan to make 10 crore adults literate by the year 2027 using two methodologies:
 - In collaboration with schools, universities, Rotary clubs, and NGOs.
 - RILM seeks to invite students of class VI and above to participate in this program. Clubs can refer to RILM for further details.
- C** - Child Development (ASHA Kiran): Under this program, children from economically backward communities who have never been enrolled in schools or have dropped out can be mainstreamed into government schools. Our district undertook this program in 2015-2016, as far as my memory goes.
- H** - Happy School: Aims to provide and update the infrastructural needs and create a happy learning environment. There are eight criteria for a school to be upgraded as a Happy School. Details can be referred to RILM.

Setting Up Libraries:

Apart from the above-mentioned projects, DG Rtn. Bipin has set a target of setting up 100 school libraries in government and government-funded schools. Clubs are required to provide an almirah for storing 100 books, which will be provided by the district. Many clubs have expressed interest, and those still planning should act quickly, as we have a sufficient number of books available.

Points to ensure faster and more effective completion of these projects:

- Understand local literacy needs
- Engage club members.
- Seek local partnerships
- Implement effective programs.
- Track progress
- Promote and share success stories on all social media platforms.

By focusing on these literacy projects, Rotary Club Presidents can enhance the effectiveness of their initiatives and make a meaningful impact on their communities.

OCTOBER IS ECONOMIC AND COMMUNITY DEVELOPMENT MONTH

Economic and Community Development Month (October) highlights Rotary's commitment to empowering local entrepreneurs and community leaders, especially women in disadvantaged areas. Through skill development, microloans, sustainable farming practices, and community-focused projects, Rotary helps individuals and communities improve their economic and social well-being.

- Skill Development:** Saheli Centers are proposed to offer vocational training in areas such as sewing, cooking, beautician courses, and computer literacy. These programs empower women by promoting financial independence and gender equality.
- Microcredit/Microloans:** Rotary supports small loans for impoverished individuals, helping them start or expand businesses like street vending or farming, promoting entrepreneurship and reducing poverty.
- Sustainable Farming:** Farmers are trained in scientific farming methods to increase productivity, protect the environment, and improve profitability.
- Adopt a Village:** Rotary can address poverty by focusing on the specific needs of a village, developing projects around health, hunger, education, and entrepreneurship to improve living conditions and eradicate poverty.

These efforts contribute to the economic and social development of communities, fostering long-term sustainability and well-being.

International Vocational Training Team Strengthens Medical Collaboration in Ethiopia

A Vocational Training Team (VTT) was organized by Rotary International District 9212 in Ethiopia, held from August 11th to 22nd, 2024. Myself and Dr. Vijaya Bharat were invited to participate in the team.

The initiative was led by the Rotary Club of Chandigarh, District 3080, under the stewardship of Past District Governor Madhukar Malhotra. Dr. R. Bharat, a plastic surgeon, was invited to join the VTT alongside specialists in Urology, Orthopaedics, Dermatology, and Anaesthesia. A total of 15 doctors and five volunteers formed this medical team.

In the field of plastic surgery, 23 complicated major surgeries were successfully performed during the mission.

India's Independence Day, which coincided with the training period, was observed at the Indian Embassy in Ethiopia. His Excellency, Sri Anil Kumar Rai, the Indian Ambassador to Ethiopia, unfurled the tricolour flag and conveyed the message from President Droupadi Murmu.

At the conclusion of the VTT, all team members were awarded certificates by the Honorable Minister of Health, Ms. Mekdes Daba, in recognition of their contributions.

As part of the training initiative, I delivered a lecture on 'Care of Acute Burns' for residents specializing in Surgery and Plastic Surgery.

YOUTH EXCHANGE PROGRAM

"Bridging Cultures: The Inbound and Outbound Journeys of District 3250"

The Rotary Youth Exchange Program of District 3250 has always aimed to promote global understanding, build cultural bridges, and foster international friendships. This year, the program is delighted to welcome Vitor, an enthusiastic student from São Paulo, Brazil, who has arrived in India to experience life in Jamshedpur as part of the Long-Term Exchange Program.

Vitor reached Jamshedpur on the 24th of August, 2024, and was warmly greeted by his host family, the Adesara family, and the host club, Rotary Club of Jamshedpur Steel City (RCJ Steel City). The club members extended a heartfelt welcome, ensuring that Vitor feels at home in this new environment. The warmth and hospitality extended by the host family and club reflect the spirit of Rotary's commitment to cultural exchange and global goodwill.

During his stay, Vitor will not only attend school to experience the Indian education system but will also engage in a variety of creative activities. This will give him a chance to explore the rich cultural heritage of India, make new friends, and build lasting memories. His journey promises to be filled with unique experiences, learning opportunities, and personal growth. As an ambassador of his country, Vitor will also have the chance to share the culture, traditions, and values of Brazil, fostering cross-cultural understanding and mutual respect.

Outbound Exchange: Kiah Adesara's Journey to Brazil

In exchange, District 3250 has sent a bright and eager young girl, Kiah Adesara, to São Paulo, Brazil. Kiah is currently living with a Rotarian family in São Paulo and is thoroughly enjoying her stay. She is immersing herself in Brazilian culture, learning the local language, and making new friends. This opportunity allows her to broaden her perspectives and develop a deeper appreciation for a different culture. Kiah's experience exemplifies the Rotary Youth Exchange Program's goal of promoting peace, goodwill, and understanding across borders.

A Unique Opportunity for Growth and Cultural Exchange

The Rotary Youth Exchange Program is a cornerstone of Rotary International's efforts to promote global peace and understanding. By providing young people like Vitor and Kiah the opportunity to live in a foreign country, the program fosters a sense of global citizenship, cultural empathy, and personal growth. These experiences allow students to step out of their comfort zones, embrace diversity, and build bridges of friendship and trust.

Rtn. Satnam Kapula, Chairman Youth Exchange Program

WHY GIVE TO TRF.....

THE ROTARY FOUNDATION: Our Temple of Service

To Do Good in The World

Small contribution of \$ 25 each from all members in a club has created unmatched history in our district as well as a global milestone with 82% members (3447 members) contributing in the first two months with 1330 members contributing for the first time. Thank you to all donors.

Let us try to understand Our Foundation – The Rotary Foundation a little better....

Foundation history

At the 1917 convention, outgoing Rotary president Arch Klumph proposed setting up a permanent fund “for the purpose of doing good in the world.” That one idea, and an initial contribution of \$26.50, set in motion a powerful force that has transformed millions of lives around the globe.

Financial structure

The Rotary Foundation is organized as a public charity operated exclusively for charitable purposes and governed by a Board of Trustees. [The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world. Till date the Foundation has spent more than \\$4 billion on life-changing, sustainable projects.](#)

Our mission

The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

“Together we see a world where people unite and take action to create lasting change - across the globe, in our communities and in ourselves.”

What impact can one donation have?

For as little as 60 cents, a child can be protected from polio. \$50 can provide clean water to help fight waterborne illness and \$500 can launch an anti bullying campaign and create a safe environment for children.

Gift Size

“Even the smallest of gifts can be donated to a specific fund – a global grant, polio, or an area of focus within the World Fund.”

Why give to The Rotary Foundation?

It's a simple way to achieve your philanthropic goals – whether it's supporting clean water, the eradication of polio, or a particular global grant.

- With your help, we can make lives better in our community and around the world.
- When you donate to The Rotary Foundation, you're investing wisely.
- 91 percent of the money the Foundation spends to programs and grants, with only 9 percent of expenses going toward administration.
- Your money is followed from start to finish to track how your gift makes an impact for years to come.
- Anyone who knows Rotarians sees how we give of our time and resources. They know their money is in good hands.
- It is the 15th straight year the Foundation earned a four-star rating from Charity Navigator, the independent evaluator of charities across the U.S. - the highest possible score – 100 of 100 points – for its strong financial health and commitment to accountability and transparency.
- For everything that the Foundation does to ensure that gifts make a lasting impact, the greatest check and balance of all is Rotarians themselves.
- Eradicating Polio Forever. Rotary has been working to eradicate polio for over 35 years, and our goal of ridding the earth of this disease is in sight. We started in 1979 with vaccinations for 6 million children in the Philippines. Today, Afganistan and Pakistan are the only countries where polio remains an endemic.
- The Rotary Foundation is the only organization in the world that returns your contribution back to you automatically (without asking) as District Designated Fund (DDF).

PDG Rajan Gandotra
DRFC 3250, 2022-25

The
Rotary
Foundation

Doing Good In The World

- This money is actually spent by our clubs, in projects of our choice and at locations of our choice as District Grants or Global Grants.
- Year 2023-24 figures of sanctions awarded are: 485 District Grants (\$30m), 105 Disaster Response Grants (\$4m), 1285 Global Grants (\$82m), 1 Program of Scale Grant (\$2m)
- Foundation awards the donors by recognising them with various certificates and lapel pins.

When the Foundation awards a grant to fund a project, how does it ensure that your money will have lasting impact? What support does it bring in?

“Sustainability begins with the community assessment.” The Six elements of sustainability must be addressed in the design of a global grant project: start with the community needs assessment, encourage local ownership, provide training, buy local, find local funding, and measure your success. These ensure that the project provides long-term solutions that the community itself can support after the grant ends. “Then whatever project emerges; the community can see their fingerprints on it. What we really want is community ownership right from the beginning.”

By connecting clubs with local and regional experts for guidance on developing sustainable, large-scale global grants early in the planning process, TRF is committed to funding projects with lasting impact in communities.

Our district's international service chair, a Rotarian appointed by our district governor, can help you connect with a network of local Rotarian experts – such as members of Rotarian Action Groups – who have volunteered to help with projects and global grant planning.

“I don't know of any other organization like ours that has a system like this. It's brilliant.”
